Good Afternoon,

CM James has both NDF's for Bridge Kids International. The first of which is for the Ben Washer capitol project they have been hard at work on for the past 4 years. They are asking for a total of 10,000. Bridge Kids is a global non-profit organization helping young people of Africa and the African Diaspora, ages 13-25, in order to solve economic development, education, environmental, girls rights, and health challenges and build sustainable communities Bridge Kids links youth and young adults of Africa and African Diaspora for the purpose of friendship, cooperation, and individual and community empowerment, implementing the idea of dynamic global citizenship.

The African American Heritage Festival is held each August at the African American Heritage Museums. This event is a city wide celebration of unity, culture and arts history. They have asked for a total of \$5,000 through the NDF process and currently have received a total of \$2,000. Please if you have not done so as of yet, please consider signing on to both of these NDF's for a most worthy cause. Thanking you in advance for your consideration regarding this and all other matters.
