**A motion was made by Committee Member Ackerson, seconded by Committee Member Benson, that this Resolution be untabled.**

**The motion carried by a voice vote and this Resolution was untabled.**

**The following spoke to this item:**

- Council Member Arthur
- Verna Goatley, Human Relations Commission

**The following was discussed:**

- There are Ordinances currently established relating to bias-related or hate crimes, and this new Ordinance would add housing or homeless status to the current existing codes
- Questions as to how this Ordinance would be enforced -- the process for enforcement includes:
  - Victims, advocates or witnesses filing a hate crime complaint with the Human Rights Campaign ("HRC")
  - The HRC will do an investigation to determine probable cause or no probable cause, and depending on the crime committed, the appropriate remedies would be decided
- Reporting of any crime that has taken place
- This Ordinance will help build trust with local government
- This Ordinance will help prevent future violence
- Questions regarding enforcement and Metro employees -- Metro employees who have to re-locate a homeless camp would not get into trouble for a hate crime for doing their job as instructed by their superiors, but if hate speech or

violence associated with hate was used, that would result in repercussions  
- Hate crime complaint processes  
- Confusion regarding the Homelessness class and how to define it -- Changing the language in the Ordinance from housing status to homeless status and the definition associated with it
