Kyle,
To repave the alley behind 209 Breckenridge Lane would cost \$4,500. I'm not sure why it's the only section that hasn't been recently paved but it is in disrepair and would be a good candidate for resurfacing if funds are available.

Thanks,
Andrew

Andrew,

Not sure if you have had time to review alley yet but wanted to send another question from our constituent. They were curious as to why this block is the only one not properly paved.

I've reviewed photos he has sent and am a little unsure what he means by improperly paved but am hoping you can help answer that after you review.

Thanks so much!
Kyle

Andrew,

Good Morning! Can you please review the below alley and provide us with a rating and timeframe when you think it will need to be repaired/repaved based on that rating?
