

RESOLUTION NO. 029, SERIES 2018

A RESOLUTION URGING THE GENERAL ASSEMBLY AND THE GOVERNOR OF THE COMMONWEALTH OF KENTUCKY TO INCREASE THE HISTORIC TAX CREDIT CAP FROM FIVE MILLION DOLLARS TO TEN MILLION DOLLARS.

SPONSORED BY: COUNCIL MEMBER LEET

WHEREAS, the Federal Historic Tax Credit program (HTC) as we know it today was put in place by Congress and the Reagan Administration to encourage historic rehabilitation projects that help to stimulate local economies; and

WHEREAS, since the inception of the HTC, it has created over 2.4 million jobs, rehabilitated more than 42,000 buildings, and leveraged \$131.8 billion in private investment; and

WHEREAS, recognizing the importance of this successful economic development program, more than 35 states have enacted complementary state historic tax credit programs to help revitalize the commercial communities; and

WHEREAS, Federal HTC projects have a 99 percent success rate, and are able to leverage four private dollars for every one dollar of federal support, and are catalyst for building neighborhood confidence and generating follow-on projects in a multi-blocks radius; and

WHEREAS, over the life of this program, the HTC has generated \$29.8 billion in Federal tax revenues compared to \$25.2 billion in credits allocated—more than paying for itself; and

WHEREAS, Kentucky is the sixth-biggest user of the Federal HTC program; and

WHEREAS, with a \$5 million annual aggregate cap and \$400,000 per-project cap, Kentucky's state credit is one of the most limited in the country; and

WHEREAS, the Federal and State HTC programs have a long history of encouraging reinvestment in suburban and urban areas all while stimulating economic development, creating jobs and creating smart neighborhood growth and sustainability; and

WHEREAS, the Commonwealth's HTC Program paired with the federal HTC program has made it possible the rehabilitation of many historic buildings in our community.

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT (THE COUNCIL) AS FOLLOWS:

Re: Resolution 029, Series 2018 Unsigned by Mayor Fischer

Comments: President James,

The Mayor's Office staff member delivered the enclosed copy of Resolution 029, Series 2018 (R-013-18) unsigned by the Mayor. I can only conclude that it was unsigned based on the Mayor's decision to not sign Resolutions directed toward the Kentucky General Assembly.

Pursuant to Metro Council Rule 7.18(a) and KRS 83.500(4):

If the mayor does not sign an ordinance or resolution presented to him, and does not return it on or before the day on which the board of aldermen holds its regular meeting next after the meeting at which the ordinance or resolution was passed, and three (3) days have intervened between the presentation to the mayor and the meeting, the ordinance or resolution shall be in force as if he had signed it.

Please let me know if you have any questions or need additional information.
