Here is best news I can give. USTA has now given us their \$20k check. We have met on site to discuss work with contractor and they believe this work will be completed before spring ends and summer begins. Their ultimate goal is before school is out for summer break which typically is around first week of June. I hope this helps and we greatly appreciate your participation which will be a much improved solution until courts can be completely overhauled at some future date. Thanks again and have a great day.
