SPONSORED BY: PRESIDENT JAMES AND COUNCIL MEMBERS COAN, GREEN, SHANKLIN, DORSEY, SEXTON SMITH, HOLLANDER, MULVIHILL, KRAMER, BLACKWELL, FOX, FOWLER, TRIPLETT, REED, WINKLER, PARKER, PIAGENTINI, BENSON, GEORGE, ENGEL, PEDEN, FLOOD AND YATES

WHEREAS, The Legislative Council of the Louisville/Jefferson County Metro Government (the "Council") recognizes the economic impact of the COVID-19 Crisis on restaurants throughout the city of Louisville; and

WHEREAS, The safe provision of food to Louisville residents is always critical, but especially so during the current State of Emergency; and

WHEREAS, Louisville restaurants have been profoundly impacted by the Covid-19 Crisis and will need assistance to prevent their permanent closure; and

WHEREAS, On May 7, Governor Beshear announced that Louisville restaurants are being permitted to open on May 22 at a reduced capacity for indoor seating; and

WHEREAS, Social distancing must still be maintained upon reopening, resulting in the need for greater dining space for both the benefit of the restaurants and the safety of their patrons; and

WHEREAS, Governor Beshear's May 7 announcement further provides that outdoor restaurant seating is permissible with appropriate social distancing; and

WHEREAS, Outdoor activities, including outdoor restaurant seating, have been determined to be safer and less likely to lead to the spread of COVID-19 than indoor restaurant seating; and

WHEREAS, The evolving details of the current State of Emergency necessitate quick adaptation by the Council to address problems and opportunities as they arise; and

WHEREAS, The Planning Commission is operating at a limited capacity because of the need for social distancing, rendering it ill-suited to hold a public hearing on the temporary changes to the Land Development Code (LDC) below; and

WHEREAS, The proposed changes are temporary in nature and narrowly tailored to address the negative impacts created by the COVID-19 crisis; and

WHEREAS, The Council has the final say on changes to the LDC, rendering it the appropriate body to take emergency action on this issue; and

WHEREAS, This Ordinance requires emergency consideration as authorized by Council Rule 7.01 because it is essential that the government act expeditiously to make resources available to address this evolving public health crisis.
