

## AMENDED AND RESTATED LOCAL PARTICIPATION AGREEMENT

This **AMENDED AND RESTATED LOCAL PARTICIPATION AGREEMENT** (the "Amended Agreement") effective as of the \_\_\_\_ day of \_\_\_\_\_, 2026, by and between (i) **LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT**, a Kentucky consolidated local government ("Louisville") and (ii) the **METRO DEVELOPMENT AUTHORITY, INC.**, a Kentucky non-profit, nonstock corporation ("Authority").

### RECITALS:

**WHEREAS**, Louisville and the Authority entered into a Local Participation Agreement dated August 8, 2025 (the "Original Agreement"), pursuant to the authorization entered in Ordinance No. 95, Series 2025 (the "Enactment Ordinance") for the release of certain incremental local taxes pursuant to KRS 65.7041-65.7083 and KRS 154.30.010-154.30-090 (the "Act") concerning the project ("Original Project") to be developed within the 700 East Main Street Development Area ("Development Area") established by the 2025 Ordinance.

**WHEREAS**, the Original Project has not occurred, but the Original Project is proposed to be amended as evidenced by Ordinance No. \_\_\_\_\_, Series 2026 (the "2026 Ordinance," and collectively with the Enactment Ordinance, the "Ordinance").

**WHEREAS**, NuLu Crossing, LLC, a Delaware limited liability company, or an affiliate of same (collectively, "Developer"), desires to redevelop the property at 700 E. Main Street into a mixed-use development consisting of approximately 340 multi-family residential units, a hotel with approximately 214 rooms, approximately 35,715 square feet of retail space, a courtyard, and a parking garage with approximately 476 parking spaces, all of which will cost approximately \$275 million, of which approximately \$59.2 million will be for public infrastructure improvements which will benefit both the site and the surrounding area, and known as the 700 East Main Street Redevelopment Project more specifically described in Exhibit A (the "Project");

**WHEREAS**, Louisville and the Authority, to induce Developer to undertake the Project, agree to provide certain tax increment financing incentives to Developer as set forth in this Amended Agreement and the TIF Disbursement Agreement to be entered into among Developer, the Authority and Louisville ("TIF Agreement");

**WHEREAS**, pursuant to KRS 65.7041-65.7083 and KRS 154.30-010-154.30-090 ("the Act"), the Legislative Council of Louisville/Jefferson County Metro Government ("Metro Council"), by the Enactment Ordinance, has established the 700 East Main Street Development Area (the "Development Area"), as more specifically described in Exhibit B;

**WHEREAS**, the Project may qualify for a pledge of State incremental revenues as a "Signature Project" pursuant to the Act under the Signature Project Program as provided in the Act, relating to incentives for development and redevelopment;

**WHEREAS**, the Project represents new economic development in Louisville;

**WHEREAS**, the Project, located within the Development Area, as presented to Louisville and the Authority by Developer in preliminary planning papers, will result in the increase in the value of real property located in the Development Area, increase the tax base of Louisville, and increase employment in Louisville;

**WHEREAS**, it is therefore in the interest of Louisville and the Authority that there be a plan for the optimal revitalization and development of the Development Area in a most efficient manner;

**WHEREAS**, Louisville is authorized under the Act to enter into a local participation agreement with an agency in acknowledgement of benefits to be derived by Louisville within a development area in order to promote the public purposes of Louisville;

**WHEREAS**, the Ordinance declares the Development Area to be a "development area" within the meaning of the Act, and the 2026 Ordinance declares the Project constitutes a "project" within the meaning of the Act; therefore, the Project is eligible to receive a portion of incremental local ad valorem real property and occupational license taxes as provided in the Act;

**WHEREAS**, the Authority, pursuant to Chapters 58 and 273 of the Kentucky Revised Statutes, is organized and incorporated by Louisville as a not-for-profit, nonstock corporation, and pursuant to the Ordinance, the Authority has been designated as the "agency," within the meaning of the Act for the purposes of receiving and distributing incremental local tax revenues generated within the Development Area; and

**WHEREAS**, Louisville desires to assist the Developer, through the Authority, with the costs of the Project and agrees to enter into this Amended Agreement in order to release to the Authority a portion of the Real Estate Tax Increment and Withholding Tax Increment (as those terms are hereinafter defined) for use solely for purposes of the Project;

**NOW THEREFORE**, in consideration of the premises and the additional consideration provided herein, Louisville and the Authority agree as follows:

**(d) Litigation.** No litigation or proceeding involving the Authority is pending or, to the best of the knowledge of the Authority, is threatened in any court or administrative agency which, if determined adversely to the Authority could have a materially adverse impact on the ability of the Authority to perform any of its obligations under this Amended Agreement.

**(e) Conflicting Transactions.** The culmination of the transactions contemplated hereby and the performance of the obligations of the Authority under and by virtue of this Amended Agreement shall not result in any material breach of, or constitute a default under, any contract, agreement, lease, indenture, bond, note, loan or credit agreement to which it is a party or by which it is bound.

**2.2 Designation of Subsidiary or Related Entity.** Notwithstanding the provisions of Subsection 2.1, the Authority shall have the right to designate as the "Agency" a subsidiary or related entity of the Authority provided that such subsidiary or related entity (i) qualifies as an agency pursuant to the Act, (ii) such subsidiary entity can make to Louisville the representations and warranties required pursuant to subsection 2.1, (iii) such subsidiary or related entity is reasonably acceptable to Louisville, and (iv) such subsidiary is able to perform those obligations required in the Ordinance.

**2.3 Representations and Warranties of Louisville.** Louisville represents and warrants to the Authority as follows:

**(a) Authority to Act.** Louisville has the requisite power, capacity and authority to execute and deliver this Amended Agreement, to consummate the transactions contemplated hereby, and to observe and to perform this Amended Agreement in accordance with its terms and conditions. Each of the officials executing

and delivering this Amended Agreement on behalf of Louisville has been and is duly authorized to enter into this Amended Agreement on behalf of Louisville.

**(b) Validity of Amended Agreement; Compliance with Law.**

This Amended Agreement is the legal, valid and binding obligation of Louisville enforceable in accordance with its terms and conditions. The execution and delivery of this Amended Agreement, and the performance or observance by Louisville of the terms and conditions thereof, do not and will not violate any provisions of any laws applicable to Louisville.

**Section 3. Released Amount.**

**3.1 Term.** Louisville agrees to pay to the Authority, and the Authority does accept from Louisville, the Released Amount for each calendar year beginning in the year including the Activation Date, with payment to be made beginning in the year following the Activation Date, and for successive calendar years continuing automatically thereafter until the earlier of the following: (i) that date twenty-nine (29) years following the initial payment to the Authority; (ii) Louisville's election to terminate this Amended Agreement pursuant to Kentucky Constitution sections 157(b), 162, and 179, and KRS Chapters 67C and 91A at the end of any current calendar year following written notice to the Authority delivered at least sixty (60) days prior to such calendar year end; or (iii) the aggregate of the total of the Released Amount paid to the Authority by Louisville equals the Cap Amount.

**3.2 Certification of Minimum Capital Investment.** Prior to any Released Amount being paid by Louisville to the Authority for the Project, the Office shall certify to Louisville that the minimum capital investment as set forth in the Tax Incentive Agreement has been made as required by the Act. Any amount of the Released Amount received after the Activation Date but prior to certification of the minimum capital investment being made shall be held in a non-interest bearing escrow account by Louisville until the minimum capital investment is certified by the Office. All accumulated amounts of the Released Amount shall be released to the Authority upon certification. If the minimum capital investment is not certified within ten (10) years from the Activation Date, the escrow shall be forfeited to Louisville and this Amended Agreement shall be void.

**3.3 Eligible Project Costs.** Louisville and the Authority shall rely on the Office to approve or verify, as applicable, each Project Expenditure identified as Approved Public Infrastructure Costs as defined in the Act. Other costs agreed to by Louisville and the Authority shall be approved and verified by the Office of Management and Budget.

**3.4 The Authority Reporting.** The Developer has agreed in the TIF Agreement, at its sole expense, to submit a report to the Authority and the Office of Management and Budget on or before July 1 of each year during the term of this Amended Agreement including but not limited to:

(b) A certification submitted by the Developer evidencing that 34 of the multi-family residential units were rented out at rates that (i) for the leases that began in the preceding Calendar Year, did not exceed the applicable rent rate for that year for that type of unit, and (ii) for leases that began in the year prior to the preceding Calendar Year, did not exceed the applicable rent rate for that year. The applicable rent rate shall mean that the contract rent for the unit and the applicable utility allowance cannot exceed the 80% gross rent limit for a studio, one-bedroom unit, two-bedroom unit or three-bedroom unit, as applicable, for the Louisville, KY-IN HUD Metro FMR Area ("80% AMI Cap");

(c) A certification submitted by the Developer evidencing that it made a good faith effort to verify that the tenants for the 34 units described in Section 3.4(b) above, were income eligible to rent those units. Income eligibility shall be based on the Louisville Area Median Household Income as released annually by the United States Department of Housing and Urban Development and shall be equal to or less than 80% of the Louisville Area Median Household Income. Incomes shall be verified at the time the lease is initially executed, and re-verified upon renewal, or if the term of the lease is for more than one year, annually. To the extent that a tenant household is verified to be income-eligible to rent the units described in Section 3.4(b) above at the initial income verification or upon renewal, and in a subsequent income verification the tenant household income exceeds the applicable limit, such tenant's unit will still be considered as a qualifying unit under Section 3.4(b) above as long as the next available unit of comparable size is leased to an income-eligible tenant;

(d) An analysis and review of all development activities within the Development Area during the prior Calendar Year;

(e) A progress report on the current status of achieving the stated goals of the Project and the Development Area;

(f) A proposed spending plan for the Released Amount for the current Calendar Year; and

(g) The Authority shall submit the Request for the Released Amount each year following Activation for the term of this Amended Agreement to the Office of Management and Budget on or after July 1, but no later than December 31 following the calendar year for which the Released Amount is requested. No more than one request shall be submitted in any calendar year.

**3.5 Louisville Monitoring, Tracking and Reporting.** The Office of Management and Budget shall oversee the payment of the Released Amount to the Authority. The Office of Management and Budget shall review all reports received from

the Authority pursuant to Section 3.4 or otherwise and shall annually submit to the Metro Council a report concerning the Project and the Development Area including but not limited to:

(a) An accounting of all payments made to the Authority pursuant to this Amended Agreement in the prior fiscal year;

(b) An analysis and review of development activity within the Development Area as reported to Louisville by the Authority;

(c) The progress made by the Authority toward the stated goals of the Development Area as reported to Louisville by the Authority; and

(d) An accounting of the amount of Eligible Project Costs incurred by the Authority to date as reported to Louisville by the Office.

The Developer has agreed to submit to the Authority and Louisville all information required to make the report.

**3.6 Time of Payment.** By no sooner than (i) December 31<sup>st</sup> of each Calendar Year beginning in the year after the year of the Activation Date or (ii) thirty (30) days after the submission by the Authority of a request for the Released Amount under this Amended Agreement, Louisville agrees to pay to the Authority the Released Amount. In no event shall Louisville agree to pay to the Authority the Released Amount if a submitted request is not received by December 31 of the calendar year after the applicable tax year, unless mutually agreed to by both Louisville and the Authority. No more than one request shall be submitted in any one calendar year

**3.7 Use of Released Amount.** Consistent with the Act, the Authority covenants and agrees that the Released Amount will be deposited in a special fund and it will use the Released Amount solely for the benefit of the Project, pursuant to the requirements of the Act and this Amended Agreement.

#### **Section 4. Withholding Taxes.**

**4.1 Account Numbers.** The Developer shall have the sole responsibility to identify all businesses located in the Development Area and to provide adequate information concerning those businesses to the Authority so that Louisville can assign separate Withholding Tax numbers (the "Account Numbers") for each business situs and each employer in the Development Area. The Account Numbers shall be used exclusively to report Withholding Taxes within or attributable to the Development Area. Louisville agrees to cooperate with and assist the Authority to obtain Account Numbers.

#### **Section 5. Determination of Released Amount.**

**5.1 Calculation of Old Real Estate Tax Revenue.** The taxable value of all real property within the Development Area in the Base Year is **SEVEN MILLION, FIVE HUNDRED TWENTY-FIVE THOUSAND AND NO/100 DOLLARS**

**(\$7,525,000.00).** The applicable ad valorem real property tax rate in the Base Year, including the Urban Services District tax rate and the county tax rate was .4820 per one hundred dollars of assessed value. It is stipulated therefore that the amount of Old Real Estate Tax Revenue shall equal the assumed assessment in the Base Year multiplied by the applicable county and Urban Services tax rates in the Base Year, for the sum equal to \$33,110. The Old Real Estate Tax Revenue shall be adjusted each calendar year after the Base Year by adding the Old Real Estate Tax Revenue calculated for the previous calendar year, multiplied by two percent (2.0%), to the amount of Old Real Estate Tax Revenue for the previous calendar year. This adjusted amount is the Old Real Estate Tax Revenue for the current calendar year.

**5.2 Calculation of Old Withholding Tax Revenue.** The Authority shall calculate with reasonable accuracy the amount of Old Withholding Tax Revenue and in doing so, the Authority may make such assumptions as may reasonably be required. The Developer, at its sole expense, shall provide to the Authority all information required for the calculation on a timely basis. Louisville, through the Office of Management and Budget, agrees to provide the Authority with such assistance and documentation as may reasonably be required to calculate the amounts of the Old Withholding Tax Revenue. The Authority shall submit its calculations of the Old Withholding Tax Revenue to the Office of Management and Budget for review and approval. Upon the determination of the Old Withholding Tax Revenue, Louisville and the Authority shall stipulate the amount of Old Withholding Tax Revenue by written addendum to this Amended Agreement. The amount of Old Withholding Tax Revenue so stipulated shall be binding upon the parties for the term of this Amended Agreement. An estimate of the Old Withholding Tax Revenue is \$0. The Old Withholding Tax Revenue shall be adjusted each calendar year after the Base Year by adding the Old Withholding Tax Revenue calculated for the previous calendar year, multiplied by two percent (2.0%), to the amount of Old Withholding Tax Revenue for the previous calendar year. This adjusted amount is the Old Withholding Tax Revenue for the current calendar year. In addition, if an Existing Business relocates to the Development Area, the Old Withholding Tax Revenue shall be increased to the extent of the Withholding Taxes from that Existing Business for the preceding calendar year prior to the date of operation within the Development Area. Notwithstanding the foregoing, no Existing CBD Business that relocates to the Development Area shall be included in either Old Withholding Tax Revenue or New Withholding Tax Revenue

**5.3 New Real Estate Tax Revenue.** The Office of Management and Budget shall calculate the amount of New Real Estate Tax Revenue each year after the Activation Date, prior to the Time of Payment pursuant to Section 3.6 of this Amended Agreement. The Office of Management and Budget shall calculate the New Real Estate Tax Revenue by aggregating the Real Estate Taxes received from within the Development Area. An estimate of the New Real Estate Tax Revenue is included in the report prepared by Commonwealth Economics, a copy of which is attached to this Amended Agreement (the "Economic Impact Report") as Exhibit C.

**5.4 New Withholding Tax Revenue.** The Office of Management and Budget shall calculate the amount of New Withholding Tax Revenue each year after the

Activation Date, prior to the Time of Payment pursuant to Section 3.6 of this Amended Agreement. The Office of Management and Budget shall calculate the New Withholding Tax Revenue by aggregating the Withholding Taxes reported by businesses within the Development Area which have obtained Account Numbers for each business situs and each employer in the Development Area. An estimate of the New Withholding Tax Revenue is included in the Economic Impact Report.

**5.5 Calculation of the Real Estate Tax Increment.** The Office of Management and Budget in each year following the Activation Date, prior to the Time of Payment pursuant to Section 3.6 of this Amended Agreement, shall calculate the Real Estate Tax Increment, which shall be an amount equal to the New Real Estate Tax Revenue calculated pursuant to Section 5.3 of this Amended Agreement minus the Old Real Estate Tax Revenue calculated pursuant to Section 5.1 of this Amended Agreement.

**5.6 Calculation of the Withholding Tax Increment.** The Office of Management and Budget in each year following the Activation Date, prior to the Time of Payment pursuant to Section 3.6 of this Amended Agreement, shall calculate the Withholding Tax Increment, which shall be an amount equal to the New Withholding Tax Revenue calculated pursuant to Section 5.4 of this Amended Agreement minus the Old Withholding Tax Revenue calculated pursuant to Section 5.2 of this Amended Agreement.

**5.7 Calculation of Released Amount.** The Office of Management and Budget in each year following the Activation Date, prior to the Time of Payment pursuant to Section 3.6 of this Amended Agreement, shall calculate the Released Amount, which shall be a sum equal to eighty percent (80%) of the Real Estate Tax Increment and eighty percent (80%) of the Withholding Tax Increment.

**Section 6. Pledge of Incremental Revenues Superior to Ordinances and Statutes.**

As provided in the Act, any pledge of the Released Amount in this Amended Agreement shall be superior to any other pledge of revenues for any other purpose and shall, from the Activation Date to the Termination Date, supersede any statute or ordinance regarding the application or use of incremental revenues.

**Section 7. Miscellaneous.**

**7.1 Notices.** All notices or other communications hereunder from any party shall be sufficiently given, and shall be deemed given, when delivered or mailed by first class mail or overnight delivery to the other parties at their respective addresses as follows:

The Authority shall correct such breach or default within thirty (30) days after receipt of such notice. However, if the default is not reasonably curable within thirty (30) days, then the Authority may continue to cure the default or breach so long as Louisville is reasonably satisfied that sufficient progress is being made toward a cure. If such corrective action is not taken, Louisville may terminate the Amended Agreement by giving written notice to the Authority at least ten (10) days prior to the effective date of termination and shall and be entitled to any remedy and damages available to it at law or in equity, including specific performance.
