
1137 Rammers Ave

Neighborhood Meeting and Discussion

Tuesday, June 27, 2017 at 7pm- 8pm

JOIN US on Tuesday, June 27th at 7pm for a discussion about 1137 Rammers Ave. For the last four years I have both lived in my house and shared it on Airbnb. Now that Louisville has a short term rental permitting process, I'm ready to make it official. I have already filed a pre-application for a conditional use permit with Planning & Design Services. Hope you can join on June 27th so I can hear from you about how it has been going for the past several years and answer any questions you have for me as a host. If you can't join, but have questions or concerns, please don't hesitate to shoot me an email at jessicalgeorge@gmail.com.
