CASE SUMMARY/BACKGROUND

The applicant requests approval to conduct short term rentals at the subject property. The subject property is developed with one structure that is a single-family dwelling. As the residence is not the primary residence of the owner, a Conditional Use Permit is required.

The applicant states that the residence has two (2) bedrooms that will allow a maximum number of six (6) guests. The site has credit for two (2) on-street parking spaces and two (2) off-street parking spaces at the rear of the property, accessed from the alley.

The subject site is located near the corner of Harlan Avenue and Miller Avenue, west of the railroad tracks. The subject site is zoned R-5 Residential Single Family and is abutted by other R-5 zoned properties with the exception of the site to the north on the other side of the alley which is zoned EZ-1. The large parking lot on the other side of the railroad tracks to the east is also zoned EZ-1.

There are two properties within 600 feet of the subject site with approved Short Term Rental Conditional Use Permits.
