It is always wise to buy extras just in case you come across one in the near future. I would suggest purchasing 5 to 10. We will keep them for you and replace when needed.

I will fund replacing the liners. Do you happen to know of any others that are missing that I don't know about so I can replace them too?

Thanks!

Hi Keith,

I have two locations in the Shawnee neighborhood that are missing the liners for the designer neighborhood garbage cans we purchased for Shawnee. They are at Southwestern Parkway @ River Park Drive and W. Muhammad Ali Blvd @ S. 43<sup>rd</sup> St. People are still continuing to use those cans and the trash is coming out onto the area since there is nothing to contain the trash in the can. I am happy to replace the liners if you tell me how much they are. Thanks for your attention to this request.
