

AGREEMENT

THIS AGREEMENT, made and entered into by and between the LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT, by and through LOUISVILLE FORWARD, which performs its economic development functions, herein referred to as "METRO GOVERNMENT", and COMMONWEALTH ECONOMICS PARTNERS, LLC, with offices located at 100 W. Main Street, Suite 620, Lexington, Kentucky, 40507, herein referred to as "CONSULTANT".

WITNESSETH:

WHEREAS, the Metro Government wishes to engage Consultant to provide professional services with regard to financial advice and counseling on complex financial arrangements, deal structures and tax increment financing; and

WHEREAS, the Consultant has been determined by the Metro Government to have the necessary experience, expertise and qualifications to provide those services,

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

I. SCOPE OF PROFESSIONAL SERVICES

A. Consultant shall, at the request of the Metro Government, provide services under the terms of this Agreement. The Consultant's work product may be reviewed from time to time by the Metro Government for purposes of determining that the services provided are within the scope of this Agreement.

B. The services of Consultant shall include but not be limited to financial advice and counseling on complex financial arrangements, deal structures and tax increment financing.

II. FEES AND COMPENSATION

A. Consultant shall be reimbursed for professional services rendered according to the terms of this Agreement in an amount equal to NINE THOUSAND

DOLLARS (\$9,000.00) per month. Total compensation payable to Consultant for services rendered pursuant to this Agreement shall not exceed **ONE HUNDRED EIGHT THOUSAND DOLLARS (\$108,000.00)**.

B. Unless otherwise agreed to in writing by the Metro Government, services shall be rendered and payment therefor shall be made at monthly intervals throughout the duration of this Agreement. Payment shall only be made pursuant to a detailed invoice presented monthly, which invoice shall indicate a descriptive daily accounting of the hours expended in service under this Agreement and the particular nature of such service. Copies of invoices or receipts for third party charges must be included with the Consultant's invoice when payment is requested. In the event payment is made in lump sum at the end of the service period, Consultant's final invoice shall indicate a descriptive daily accounting of hours expended as described heretofore.

C. The Metro Government shall not reimburse out-of-pocket expenses under this Agreement.

D. Consultant, to the extent that it provides the same or related services to other parties agrees to pro-rate its billings to the Metro Government which are of benefit to the other parties and to provide documentation to all parties to verify the pro-ration of such billings. In no event will the Metro Government pay bills which are considered to be double billing (i.e. billing two different parties for the same work).

III. DURATION

A. This Agreement shall begin July 1, 2019 and shall continue through and including June 30, 2020.

B. This Agreement may be terminated by submitting thirty (30) days' written notice to the non-terminating party of such intent to terminate. This Agreement may also be terminated by any party, without notice to the non-terminating party, because of

fraud, misappropriation, embezzlement or malfeasance or a party's failure to perform the duties required under this Agreement. A waiver by either party of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

C. In the event of termination, payment for services complete up to and including date of termination shall be based upon work completed at the rates identified in this Agreement. In the event that, during the term of this Agreement, the Metro Council fails to appropriate funds for the payment of the Metro Government's obligations under this Agreement, the Metro Government's rights and obligations herein shall terminate on the last day for which an appropriation has been made. The Metro Government shall deliver notice to Consultant of any such non-appropriation not later than 30 days after the Metro Government has knowledge that the appropriation has not been made.

IV. EMPLOYER/EMPLOYEE RELATIONSHIP

It is expressly understood that no employer/employee relationship is created by this Agreement nor does it cause Consultant to be an officer or official of the Metro Government. By executing this Agreement, the parties hereto certify that its performance will not constitute or establish a violation of any statutory or common law principle pertaining to conflict of interest, nor will it cause unlawful benefit or gain to be derived by either party.

V. RECORDS-AUDIT

Consultant shall maintain during the course of the work, and retain not less than five years from the date of final payment on this Agreement, complete and accurate records of all of Consultant's costs which are chargeable to the Metro Government under this Agreement; and the Metro Government shall have the right, at any reasonable time, to inspect and audit those records by authorized representatives of its

own or of any public accounting firm selected by it. The records to be thus maintained and retained by Consultant shall include (without limitation): (a) payroll records accounting for total time distribution of Consultant's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as canceled payroll checks, or signed receipts for payroll payments in cash; (b) invoices for purchases receiving and issuing documents, and all the other unit inventory records for Consultant's stores stock or capital items; and (c) paid invoices and canceled checks for materials purchased and for subcontractors' and any other third parties' charges.

VI. HOLD HARMLESS AND INDEMNIFICATION CLAUSE

Consultant shall indemnify, hold harmless, and defend the Louisville/Jefferson County Metro Government, its elected and appointed officials, employees, agents and successors in interest from all claims, damages, losses and expenses including attorneys' fees, arising out of or resulting, directly or indirectly, from the Consultant's (or Consultant's subcontractors if any) performance or breach of the contract provided that such claim, damage, loss, or expense is (1) attributable to personal injury, bodily injury, sickness, death, or to injury to or destruction of property, including the loss of use resulting therefrom, or from negligent acts, errors or omissions and (2) not caused by the negligent act or omission of the Louisville/Jefferson County Metro Government or its elected and appointed officials and employees acting within the scope of their employment. This Hold Harmless and Indemnification Clause shall in no way be limited by any financial responsibility or insurance requirements and shall survive the termination of this Agreement.

VII. REPORTING OF INCOME

The compensation payable under this Agreement may be subject to federal, state and local taxation. Regulations of the Internal Revenue Service require the Metro

Government to report all amounts in excess of \$600.00 paid to non-corporate contractors. Consultant agrees to furnish the Metro Government with its taxpayer identification number (TIN) prior to the effective date of this Agreement. Consultant further agrees to provide such other information to the Metro Government as may be required by the IRS or the State Department of Revenue.

VIII. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Kentucky. In the event of any proceedings regarding this Agreement, the Parties agree that the venue shall be the state courts of Kentucky or the U.S. District Court for the Western District of Kentucky, Louisville Division. All parties expressly consent to personal jurisdiction and venue in such Court for the limited and sole purpose of proceedings relating to this Agreement or any rights or obligations arising thereunder. Service of process may be accomplished by following the procedures prescribed by law.

IX. AUTHORITY

The Consultant, by execution of this Agreement, does hereby warrant and represent that it is qualified to do business in the State of Kentucky, and has full right, power and authority to enter into this Agreement.

Non-Competitive Contract Request Form

CONTRACT SCOPE and PURPOSE (Attach additional documentation if necessary)

Amendments: Describe the circumstances under which a time extension or scope change is needed.

New: Be specific about the work to be performed / product to be purchased including but not limited to: scope of work; description of service; work product created; why the service / product is necessary; and benefit to Louisville Metro Government.

See attached contract.

JUSTIFICATION FOR NON-COMPETITIVE GOOD/SERVICE (Attach additional documentation if necessary)

Provide justification including but not limited to: a description of the unique features that prohibit competition; research conducted to verify the vendor as the only known source (sole source); why the service (PSC) is not feasible to be provided by LMG staff or expertise does not exist; known compatibility, proprietary and/or timing issues.

Vendor is providing Louisville Forward and the Office of the Budget Director with financial advice and counsel on complex financing arrangements and deal structures in general and also deals involving Tax Increment Financing. Their role is comprehensive relating from advice on how to best structure the deal for Louisville Metro to satisfying the ongoing compliance and reporting provisions imposed on applicants for state funds. They also possess expertise in bond transaction structures that will assist the City in appropriately structuring bond debt for projects. They have the most relevant and practical experience in dealing with these types of transactions in the Commonwealth of Kentucky, and most cities in Kentucky utilize them in connection with state related TIFs.

To date, the majority of their work involved analysis of refinancing certain bonds, various proposed tax increment financing projects and other projects, such as Heritage West. They are also assisting the City with the multiple reporting and document reviews that are required to receive state reimbursement under the Butchertown Stadium and Omni TIFs. They also assist the City's review of other projects in which the City may participate.

This contract should not be bid out as the vendor has already spent significant time on Butchertown Stadium, Heritage West and other projects and potentially paying another consultant to get up to speed would not be efficient or effective usage of City funds, particularly when they have a unique expertise in this state. Potentially changing vendors at this juncture, with several projects in progress, would not be practical or feasible. This contract was included in Louisville Forward's FY20 budget approved by Council.

AUTHORIZATIONS: Per KRS 45A.380, I have determined that competition is not feasible for the above described good / service and there is a single source within a reasonable geographical area of the good / service to be procured; or the resulting contract is for the services of a licensed professional, technician, artist, or other non-licensed professional service.
