Development Review Committee Staff Report April 6, 2022

Case No:	22-DDP-0019
Project Name:	Relfin Office
Location:	3700 Brownsboro Rd
Owner(s):	Relfin Properties, LLC.
Applicant:	Benjamin Morrison
Jurisdiction:	Louisville Metro
Council District:	9 – Bill Hollander
Case Manager:	Tara Sorrels, Planner I

REQUESTS:

- Revised Detailed District Development Plan
- Waiver from Chapter 10 2.4 to allow proposed carport to encroach into 15' landscape buffer area along the rear property line

CASE SUMMARY/BACKGROUND

The applicant is proposing to demolish an existing garage and rebuild a new carport in its place. The site is zoned OR-1 in the Neighborhood form district. The subject site is located at the intersection of Brownsboro Rd and Lotis Way near Chenowith Ln. The subject site was rezoned under docket 19-ZONE-0049. A waiver to allow the existing garage to encroach into the 15' landscape buffer area was also granted.

The applicant is requesting a variance to allow the proposed carport to encroach into the required rear setback and it is scheduled to be heard at the Board of Zoning Adjustment on April 18, 2022.

STAFF FINDINGS

The district development plan is adequately justified and meets the standard of review. The proposed use is consistent with other development in the area. The location of the carport will be in the same location as the garage on the previously approved plan.

TECHNICAL REVIEW

Public Works and MSD have provided preliminary approval.

INTERESTED PARTY COMMENTS

Staff has received no comments from interested parties concerning this proposal.

STANDARD OF REVIEW AND STAFF ANALYSIS FOR RDDDP and AMENDMENT TO BINDING ELEMENTS

(a) <u>The conservation of natural resources on the property proposed for development, including:</u> <u>trees and other living vegetation, steep slopes, water courses, flood plains, soils, air quality,</u> <u>scenic views, and historic sites;</u>

STAFF: There do not appear to be any environmental constraints or historic resources on the subject site. Tree canopy requirements of the Land Development Code will be provided on the subject site.

(b) <u>The provisions for safe and efficient vehicular and pedestrian transportation both within the development and the community:</u>

STAFF: Provisions for safe and efficient vehicular and pedestrian transportation within and around the development and the community has been provided, and Metro Public Works has approved the preliminary development plan. Kentucky Transportation Cabinet approval is required prior to construction plan approval.

(c) <u>The provision of sufficient open space (scenic and recreational) to meet the needs of the proposed development:</u>

STAFF: There are no open space requirements pertinent to the current proposal.

(d) <u>The provision of adequate drainage facilities on the subject site in order to prevent drainage</u> problems from occurring on the subject site or within the community;

STAFF: The Metropolitan Sewer District has approved the preliminary development plan and will ensure the provision of adequate drainage facilities on the subject site in order to prevent drainage problems from occurring on the subject site or within the community.

(e) <u>The compatibility of the overall site design (location of buildings, parking lots, screening, landscaping) and land use or uses with the existing and projected future development of the area:</u>

STAFF: The overall site design and land uses are compatible with the existing and future development of the area. Appropriate landscape buffering and screening will be provided to screen adjacent properties and roadways.

(f) <u>Conformance of the development plan with the Comprehensive Plan and Land Development</u> <u>Code. Revised plan certain development plans shall be evaluated for conformance with the non-</u> <u>residential and mixed-use intent of the form districts and comprehensive plan.</u>

STAFF: The development plan conforms to applicable guidelines and policies of the Comprehensive Plan and to requirements of the Land Development Code.

REQUIRED ACTIONS:

- **APPROVE** or **DENY** the **Landscape Waiver**
- APPROVE or DENY the Revised Detailed Development Plan

1. Zoning Map

2. <u>Aerial Photograph</u>

3. <u>Existing Binding Elements</u>

- The development shall be in accordance with the approved district development plan, all applicable sections of the Land Development Code (LDC) and agreed upon binding elements unless amended pursuant to the Land Development Code. Any changes/additions/alterations of any binding element(s) shall be submitted to the Planning Commission or the Planning Commission's designee for review and approval; any changes/additions/alterations not so referred shall not be valid.
- 2. Before any permit (including but not limited to building, parking lot, change of use, site disturbance) is requested:
 - a. The development plan must receive full construction approval from Louisville Metro Department of Inspections, Permits and Licenses, Louisville Metro Public Works and the Metropolitan Sewer District.
 - b. Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
- 3. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All binding elements requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
- 4. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.
- 5. No outdoor advertising signs, small freestanding signs, pennants, balloons, or banners shall be permitted on the site.
- 6. The property may not be used for a barber shop, cosmetologist, hairdresser or manicurist.

4. <u>Proposed Binding Elements</u>

- The development shall be in accordance with the approved district development plan, all applicable sections of the Land Development Code (LDC) and agreed upon binding elements unless amended pursuant to the Land Development Code. Any changes/additions/alterations of any binding element(s) shall be submitted to the Planning Commission or the Planning Commission's designee for review and approval; any changes/additions/alterations not so referred shall not be valid.
- 2. Before any permit (including but not limited to building, parking lot, change of use, site disturbance) is requested:
 - a. The development plan must receive full construction approval from Louisville Metro Department of Inspections, Permits and Licenses, Louisville Metro Public Works and the Metropolitan Sewer District.
 - b. Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
 - c. The applicant shall submit a landscape plan for approval by Planning Commission staff showing plantings and/or other screening and buffering materials to comply with Chapter 10 of the Land Development Code.
- 3. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All binding elements requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
- 4. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.
- 5. No outdoor advertising signs, small freestanding signs, pennants, balloons, or banners shall be permitted on the site.
- 6. The property may not be used for a barber shop, cosmetologist, hairdresser or manicurist.
