Good afternoon Ms. St. Germain,

This is really an absurd situation, because when Mr. Williams and his wife acquired this property and wanted to turn into an apartment building...he was STOPPED. Now since a development company comes into the neighborhood and wants to turn it into a boarding house...it's okay. NEVER...the development company sent out propaganda and falsifying information. Show us the police reports that prostitution, squatters, and the building was drug infested. I have talked to several neighbors surrounding this property and everyone is against this venture. If possible I need the mayor, councilman, police representative and everyone involved in trying to destroy and degrade this neighborhood to be in attendance.

Thank you,
Mrs. Brenda Foster
