**Blanton Lane – Sidewalk, Phase 1 Design
Dixie Highway to St. Andrews Church Road
Contract #314578**

Dear Mike:

Submitted herewith is our fee proposal for the referenced project.

Project Description

Preliminary Engineering with a Preliminary Construction Estimate and Final Design with Construction Estimate for sidewalk along the south side of Blanton Lane from Dixie Highway to St. Andrews Church Road (approximately 1 mile). Attachment 1 shows photos of existing conditions. This is based on designing the entire length and providing contract plans and estimates according to the 3 sections indicated below:

1. Dixie Highway to RR Tracks
2. Railroad Tracks to Mills Drive (east)
3. Mills Drive to St. Andrews Church Road

Engineering Services

- Sidewalk Layout
- Drainage Design
- Property Impacts and Cost
- Utility Impacts and Cost
- Construction Cost Estimate
- Meetings – one project team meeting (plus 2 miscellaneous).

Note: No survey is estimated for Preliminary Design (property work from Lojic). Miscellaneous Survey is included for Final Design for approximately 1/3 the length of the project plus property corner location (18 Parcels).

Mr. Michael A. Hudson, PE
October 19, 2016

Schedule

Based on an estimated Notice to Proceed of November 21, 2016, the following is a schedule for completing the project:

Preliminary Layout	December 15, 2016
Submittal for Review	January 18, 2017
Project Team Meeting	February 1, 2017
Sidewalk Location Approval	February 24, 2017
Submit Final Construction Plans	May 26, 2017

The fee to accomplish this work under Contract #314578 is as follows:

- Phase 1 Design \$13,000
- Public Involvement (if needed) \$ 3,500
- Phase 2 Design \$47,000

Let me know if you need additional information or have any questions.

Sincerely,

Albert H. Zimmerman, PE
Project Manager
