Good Morning Jennifer –

CM Blackwell is happy to support both requests at the levels you stated - \$750 for South Louisville and \$200 for the Buy Local Fair. We certainly see the value in what LIBA does for the entire community and are particularly pleased with your efforts in the South end.

I assume District 9 is handling the NDF paperwork for the Buy Local Fair. Who is leading on the South Louisville NDF?

Thanks for all you do!

Hello Councilman Blackwell –

Hope you are well! This email is about a couple of initiatives that your district has supported in the past. We've been delayed in applying in light of the tough decisions looming for the 2019/20 budget year, but our sponsors (Councilman Fox and Hollander) have recently given us the green light to move forward.

I realize everyone needs to be extra careful with their 2018/19 NDF funds. We are also planning ahead for next year, realizing that there is a lot of uncertainty at this point. If we are able to receive the reduced amount for this fiscal year, it will help us bridge until we can find and finalize other ways to fundraise to continue our efforts. The applications attached are for:

- South Louisville Independent Business Support & Growth - We've been continuing our efforts and we're excited for the coming year. We have many initiatives coordinated by an amazing committee of stakeholders from all over the community. This NDF would help us grow our South Points Buy Local Fair and cover a portion of the wages for our Neighborhood Initiatives Manager (Johnetta Roberts) to facilitate our committee's other initiatives such as entrepreneur resource outreach, restaurant growth (inviting new and promoting current), Small Business Saturday, etc. (Councilman Fox's office is handling the paperwork, a copy of the request is attached).
- The original Buy Local Fair, which will be taking place on Sunday, May 19th. This is a community-wide event that supports locally-owned, independent businesses. Our membership includes businesses from all council districts, and they are all invited to participate. We have member businesses in your district that participate with booths, and I think they'd be pleased to see your name supporting the Fair. NDF funds help us keep participation fees very low to non-existent. (Councilman Hollander's office is handling the paperwork, a copy of the request is attached.)

Our Indie Impact Study showed that for every dollar spent at an independent business, 55 cents stays recirculating in our local economy, whereas only 14 cents remains when spent at a chain. These are also businesses that are unique to the Louisville area and contribute to our sense of place, social fabric and community pride. I've also attached a quick read about why supporting independent businesses is particularly important.

In previous years, your district provided \$1500 to support our South Louisville efforts and \$350 to support the original Fair. We are in the process of tightening our belts here at LIBA, as I know so many are, **and hope that you can contribute a reduced amount of \$750 for South Louisville and \$200 for the original Fair.**

These initiatives strengthen our local economy and support what makes Louisville distinctive and wonderful. I would be happy to answer any questions, via email, phone or in person. Let me know what your thoughts are. Thanks for taking the time to consider our request, and for all you do for the Louisville community.

Good morning Councilman Triplett!

Hope you are having a wonderful Derby Week! I'm emailing to follow up about LIBA's NDF requests. I know Councilman Hollander's office will be turning the Buy Local Fair request in on Monday, May 6. (Not sure of the date for the South Louisville request yet.) We would appreciate your support with our scaled back requests (\$750 for South Louisville initiatives and \$200 for the Buy Local Fair) as we find and finalize new sources of funding to continue our work educating the public about the impact of buying from our local independent businesses.

Thank you for all you do for Louisville!

Councilwoman Dorsey,

Hope you are well! In between the fun of hosting events (thanks again for attending), we continue to work diligently to gain financial support to expand upon our work in west AND south Louisville. My e-mail today has three initiatives that we need your support on. Your district has supported two of them in the past. And, we shared info about the third one when we met with you on April 15th. Normally our requests don't come all at once, but we've been delayed in applying with elections,

and in light of the tough decisions looming for the 2019/20 budget year. However, our sponsors (Council Members Hollander, Fox and Sexton-Smith) have recently given us the green light to move forward. Also, all three initiatives will need funding annually.

We realize everyone needs to be extra careful with their 2018/19 NDF funds. We are also planning ahead for next year, realizing that there is a lot of uncertainty at this point. If we are able to receive the reduced amount for this fiscal year, it will help us bridge until we can find and finalize other ways to fundraise to continue our efforts. The applications attached are for:

- West Louisville Independent Business Support & Growth – Our original application would have covered a wider array of initiatives (attached), including hiring a consultant for Asset Based Community Development. We will be scaling back our efforts based on the support we are able to find, but we at least know that we will support the West Louisville Directory, and continue to employ our Neighborhood Initiatives Manager (Johnetta Roberts) to facilitate our committee's other initiatives. Some of those include the West on Wednesday series of events (which just launched 4/17), a West Louisville Buy Local Fair, Small Business Saturday, etc. (Councilwoman Sexton-Smith's office is handling the paperwork, a copy of the request is attached).
- South Louisville Independent Business Support & Growth - We've been continuing our efforts and we're excited for the coming year. We have many initiatives coordinated by an amazing committee of stakeholders from all over the community. This NDF would help us grow our South Points Buy Local Fair and cover a portion of the wages for our Neighborhood Initiatives Manager (Johnetta Roberts) to facilitate our committee's other initiatives such as entrepreneur resource outreach, restaurant growth (inviting new and promoting current), Small Business Saturday, etc. (Councilman Fox's office is handling the paperwork, a copy of the request is attached).
- The original Buy Local Fair, which will be taking place on Sunday, May 19th. This is a community-wide event that supports locally-owned, independent businesses. Our membership includes businesses from all council districts, and they are all invited to participate. NDF funds help us keep participation fees very low to non-existent. (Councilman Hollander's office is handling the paperwork, a copy of the request is attached.)

In previous years, your district provided \$200 to support the original Fair, \$750 to support South Louisville efforts, and we had originally asked for \$2500 for our West Louisville efforts. We are in the process of tightening our belts here at LIBA, as I know so many are, **and hope that you can contribute a reduced amount of \$100 for the original Fair, \$500 for South Louisville efforts and \$500 for West Louisville efforts.**

Our Indie Impact Study showed that for every dollar spent at an independent business, 55 cents stays recirculating in our local economy, whereas only 14 cents remains when spent at a chain. These are also businesses that are unique to the Louisville area and contribute to our sense of place, social fabric and community pride. I've also attached a quick read about why supporting independent businesses is particularly important.

These initiatives strengthen our local economy and support what makes Louisville distinctive and wonderful. I would be happy to answer any questions, via email, phone or in person. SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

LIBA's mission is to preserve the unique community character of the Metro Louisville area by promoting locally-owned, independent businesses and to educate citizens on the value of purchasing locally. In order to pursue its mission, LIBA focuses on:

- Informing citizens of the value provided by locally-owned businesses, including their importance to the local economy, culture, and social fabric. The goal is to encourage area residents to view themselves as citizens -- as members of a community rather than merely as consumers.
- Offering group branding, promotion and advertising to LIBA members to elevate the individual and collective profiles of locally-owned businesses in order to provide marketing and exposure advantages chains routinely enjoy.
- Creating strong relationships with local government and media in order to inform local decision-making and give voice to the locally-owned independent business community, and to promote policies that support community-rooted enterprise.

LIBA is also responsible for the Buy Local First and 'keep Louisville weird' campaigns, publishing the Buy Local Guide twice a year, Louisville Local Business Expo (January), the Buy Local Fair (May), South Points Buy Local Fair (July), LIBA Member Summit (October) and hoLOUdays Contest (December).

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

SECTION 5 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

LIBA is requesting funding for our Keep South Louisville Weird efforts. LIBA leads a grassroots committee who is producing a series of events and programs designed to grow locally-owned, independent businesses in South Louisville. The goals are to achieve stability and growth of current independent businesses in South Louisville, the start of new independent businesses in South Louisville and the expansion of current independent businesses from other areas of town into South Louisville. Our efforts in general follow plans and brainstorming made at our Keep South Louisville Weird Summit, where representatives from more than fifteen local business groups and organizations participated.

A portion of our request would partially fund our dedicated Neighborhood Initiatives Manager, who coordinates our efforts and the volunteer time and talent of dozens of community stakeholders.

The majority of our request would go towards the South Points Buy Local Fair, which is scheduled to take place on Saturday, July 27 at Iroquois Park Amphitheater. Admission and parking are free. The fair will include a marketplace of South Louisville businesses, retailers, food, artists and craftspeople, and community organizations. We want to continue to instill pride in area residents as well as have visitors from around the city see all that South Louisville has to offer.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

Funding will be used to cover some of the expenses for the South Points Buy Local Fair (Advertising/Design, Rentals, Printing, Security, Insurance, Master Permit, DJ, Venue), and hours for our Neighborhood Initiatives Coordinator.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

C: If this request is a fundraiser, please detail how the proceeds will be spent:

The South Points Buy Local Fair portion of our request is a fundraiser. Funds raised from this event will continue LIBA's "keep south Louisville weird" efforts, community outreach that educates the public about the benefits of buying locally, support for our member businesses, etc. This NDF grant and the funds raised from the event will provide part of the money for additional staff dedicated to our neighborhood efforts.

We will expand our efforts to inform South Louisville residents about the impact of buying locally, including information from our Indie Impact Study, showing the positive financial impact (specific to the Louisville area) of buying locally. This study showed that for every \$100 spent at a Louisville-area independent business, \$55 remains in the local economy, whereas only \$14 remains when spent at a chain.

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:

- ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

Neighborhood Initiatives Manager hours, plus South Points Buy Local Fair expenses including Advertising/Design, Rentals, Printing/Signage, Security, Insurance, Master Permit, DJ/Bands, Venue, Electricity.

Reimbursements should not be made before application date unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):

- ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
- ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

These initiatives will lead to two positive outcomes:

1. **General Public:** a shift towards spending at locally-owned businesses, which will benefit our local economy. A 2012 study funded by LIBA focused on the economic impact of Louisville-area retailers and restaurants. The results show that for every \$100 spent at a locally-owned, independent business, \$55 is reinvested locally, whereas only \$14 is reinvested when that same money is spent at a national chain. The additional amount that would stay in the Louisville economy if citizens made just a 10% shift from chains to independents would be \$416 million. (This study will be updated in the Spring of 2020.)

2. **Independent Businesses:** stability and growth of current independent businesses in South Louisville, the start of new independent businesses in South Louisville and the expansion of current independent businesses from other areas of town into South Louisville. These goals will result in a stronger local economy, job growth, neighborhoods with strong characters that are unique and attractive to current residents, visitors and potential residents, etc. Success will be measured by the number of attendees at events, new businesses that open in the area, and demand for posters and other promotional materials.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

Besides those listed below, LIBA also partners with other area organizations throughout the year, including the Center for Neighborhoods, many area business organizations, the Family Business Center, Louisville Originals, University of Louisville and others.

LIBA has worked closely with the Mayor's Office (promotion of efforts and support of Mayor Fischer), Louisville Metro Council members (NDF funds, committee work, connections to community, promotion of efforts), Louisville Forward (partial funding for staff time in 2013 & 2016-18 devoted to the effort, connections to city programs, research and resources), Southwest Dream Team (grassroots promotion, community knowledge, connections to instrumental people) and their South Points Scenic Area Brand (which the South Points Buy Local Fair reinforces), Dixie Area Business Association (connections to area businesses, promotion through the Discover Dixie event), South Louisville Business Association (connections to area businesses), Fairdale Business Association (connections to area businesses), Jefferson Memorial Forest (general resources for promoting the areas non-business attractions), and the Beechmont Neighborhood Association (business development committee involvement). We continue to seek and partner with other groups in area.
