Subject: RE: District 3 Street Paving for MAP Funding Reminder

Donna,
I didn't receive your email last Wednesday because it was sent to an incorrect e-mail address.

I cannot make field reviews and prepare accurate estimates by 11am today however below are some rough estimates that should allow you to at least appropriate the money. I have hopefully estimated the costs high enough to cover any unknowns but am asking D3 to cover any overages in the projects that may arise once a field review is made.

These are the three worst roads in D3.

1. Continental Place from Berry Blvd to Conn Street: \$10,000 - Rating 7/100
2. Georgetown Place from Berry Blvd to the Bus Compound entrance: \$55,000 - Rating 29.2/100
3. Conn Street from Manslick Road to Georgetown Place: \$55,000 - Rating 21.25/100

Thanks,
Andrew
