CONTRACT SCOPE and PURPOSE (Attach additional documentation if necessary)

Amendments: Describe the circumstances under which a time extension or scope change is needed.

New: Be specific about the work to be performed / product to be purchased including but not limited to: scope of work; description of service; work product created; why the service / product is necessary; and benefit to Louisville Metro Government.

Louisville Metro EMS CPR center teaches CPR and a variety of related classes through an affiliation with the American Heart Association. In order to certify students with the AHA, the CPR center needs to purchase product from the AHA that is then sold to students taking classes. The most frequent example is people who sign up for a HeartSaver First-Aid and CPR Course. They need to purchase educational materials and then there is a cost for the card that verifies their successful completion of the course. The CPR center charges an up-charge for the product so that the CPR center is very close to self-sufficient. The revenue they bring in offsets the operational cost of running the center (administration, salaries). The benefit to Metro Government and the city of Louisville is that more people are trained in the life saving skill of CPR. The risk of surviving a cardiac event greatly increases when bystander CPR is performed before first responders arrive on scene.

JUSTIFICATION FOR NON-COMPETITIVE GOOD/SERVICE (Attach additional documentation if necessary)

Provide justification including but not limited to: a description of the unique features that prohibit competition; research conducted to verify the vendor as the only known source (sole source); why the service (PSC) is not feasible to be provided by LMG staff or expertise does not exist; known compatibility, proprietary and/or timing issues.

Channing Bete used to be a reseller of AHA material. They have gone out of business as of July 2019. The American Heart Association has shifted their distribution model so that they are the only place to order their products. A sole source letter is attached as additional documentation. In order to be an affiliated AHA center, the CPR Center must use AHA material in its education of students. The AHA is the industry leader in the education of CPR training and the LMEMS CPR Center has a long-standing partnership with the AHA to provide this training in our community.

AUTHORIZATIONS: Per KRS 45A.380, I have determined that competition is not feasible for the above described good / service and there is a single source within a reasonable geographical area of the good / service to be procured; or the resulting contract is for the services of a licensed professional, technician, artist, or other non-licensed professional service.

coverage specified in this Section.

ARTICLE XVII

Section 17.01 Entire Agreement.

(a) Subject to Article III, this Agreement, including all related exhibits, together with the Basic Purchase Order Terms, constitutes the sole and entire agreement of the Parties with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

Section 17.02 Survival; Statute of Limitations. Subject to the limitations and other provisions of this Agreement: (a) the representations and warranties of the Parties contained herein shall survive the expiration or earlier termination of this Agreement for a period of twelve months after such expiration or termination; and (b) any provision that, in order to give proper effect to its intent, should survive such expiration or termination, shall survive the expiration or earlier termination of this Agreement for the period specified therein, or if nothing is specified for a period of twelve months after such expiration or termination.

All notices, requests, consents, claims, demands, waivers, and other communications under this Agreement (each, a "Notice") must be in writing and addressed to the other Party at its address set forth below (or to such other address that the receiving Party may designate from time to time in accordance with this Section). All Notices must be delivered by personal delivery, nationally recognized overnight courier or certified or registered mail (in each case, return receipt requested, postage prepaid). Except as otherwise provided in this Agreement, a Notice is effective only (a) on receipt by the receiving Party, and (b) if the Party giving the Notice has complied with the requirements of this Section.

Section 17.04 Interpretation. For purposes of this Agreement, (a) the words "include," "includes," and "including" are deemed to be followed by the words "without limitation"; (b) the word "or" is not exclusive; (c) the words "herein," "hereof," "hereby," "hereto" and "hereunder" refer to this Agreement as a whole; (d) words denoting the singular have a comparable meaning when used in the plural, and vice-versa; and (e) words denoting any gender include all genders. Unless the context otherwise requires, references in this Agreement: (x) to sections, and exhibits mean the sections of, and exhibits attached to, this Agreement; (y) to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof; and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. The Parties drafted this Agreement without regard to any presumption or rule requiring construction or interpretation against the Party drafting an instrument or causing any instrument to be drafted. The exhibits, schedules, attachments and appendices referred to herein are an integral part of this Agreement to the same extent as if they were set forth verbatim herein.

Section 17.05 Headings. The headings in this Agreement are for reference only and do not affect the interpretation of this Agreement.

Section 17.06 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction; provided,

however, that if any fundamental term or provision of this Agreement is invalid, illegal, or unenforceable, the remainder of this Agreement shall be unenforceable. Upon a determination that any term or provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement to effect the original intent of the Parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible].

Section 17.07 Amendment and Modification. No amendment to or modification of this Agreement is effective unless it is in writing, identified as an amendment to this Agreement and signed by an authorized Representative of each Party.

Section 17.08 Waiver.

- (a) No waiver under this Agreement is effective unless it is in writing, identified as a waiver to this Agreement and signed by an authorized representative of the Party waiving its right.
- (b) Any waiver authorized on one occasion is effective only in that instance and only for the purpose stated, and does not operate as a waiver on any future occasion.
- (c) None of the following constitutes a waiver or estoppel of any right, remedy, power, privilege, or condition arising from this Agreement:
 - (i) any failure or delay in exercising any right, remedy, power, or privilege or in enforcing any condition under this Agreement; or
 - (ii) any act, omission, or course of dealing between the Parties.

Section 17.09 Cumulative Remedies. All rights and remedies provided in this Agreement are cumulative and not exclusive, and the exercise by either Party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, in equity, by statute, in any other agreement between the Parties or otherwise. Notwithstanding the previous sentence, the Parties intend that Buyer's right under Section 5.05, Section 13.03 and Article XIV are Buyer's exclusive remedies for the events specified therein.

Section 17.10 Equitable Remedies. Each Party acknowledges and agrees that (a) a breach or threatened breach by such Party of any of its obligations may give rise to irreparable harm to the other Party for which monetary damages would not be an adequate remedy and (b) in the event of a breach or a threatened breach by such Party of any such obligations, the other Party shall, in addition to any and all other rights and remedies that may be available to such Party at law, at equity, or otherwise in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance, and any other relief that may be available from a court of competent jurisdiction, without any requirement to post a bond or other security, and without any requirement to prove actual damages or that monetary damages will not afford an adequate remedy. Each Party agrees that such Party will not oppose or otherwise challenge the appropriateness of equitable relief or the entry by a court of competent jurisdiction of an order granting equitable relief, in either case, consistent with the terms of this Section 17.10.

Section 17.11 Assignment. Buyer may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of Seller. Any purported assignment or delegation in violation of this Section is null and void. No assignment or delegation relieves the assigning or delegating Party of any of its obligations under this Agreement.

Section 17.12 Successors and Assigns. This Agreement is binding on and inures to the benefit of the Parties to this Agreement and their respective permitted successors and permitted assigns.

Section 17.13 No Third-Party Beneficiaries.

- (a) This Agreement benefits solely the Parties to this Agreement and their respective permitted successors and assigns and nothing in this Agreement, express or implied, confers on any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

Section 17.14 Choice of Law. This Agreement, including all Individual Transaction documents and exhibits, schedules, attachments and appendices attached to this Agreement and thereto, are governed by, and construed in accordance with, the Laws of the State of Texas, United States of America, without regard to the

conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the Laws of any jurisdiction other than those of the State of Texas. The parties agree that the United Nations Convention on Contracts for the International Sale of Goods does not apply to this Agreement.

Section 17.15 Choice of Forum. Each Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind whatsoever against the other Party in any way arising from or relating to this Agreement, including all Individual Transaction Documents and exhibits attached to this Agreement and thereto, and all contemplated transactions, including contract, equity, tort, fraud, and statutory claims, in any forum other than the courts of the State of Texas sitting in Dallas, and any appellate court from any thereof. Each Party irrevocably and unconditionally submits to the exclusive jurisdiction of such courts. Each Party agrees that a final judgment in any such action, litigation, or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. .

Section 17.16 Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement.

Section 17.17 Force Majeure. Seller shall not be liable or responsible to Buyer, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement when and to the extent such failure or delay is caused by or results from acts beyond the affected Party's reasonable control, including, without limitation: (a) acts of God; (b) flood, fire, earthquake or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest; (d) Law; (e) actions, embargoes or blockades in effect on or after the date of this Agreement; (f) action by any Governmental Authority; (g) national or regional emergency; (h) strikes, labor stoppages, or slowdowns or other industrial disturbances; and (i) shortage of adequate power or transportation facilities (each a "**Force Majeure Event**").

Section 17.18 Relationship of Parties. Nothing in this Agreement creates any agency, joint venture, partnership or other form of joint enterprise, employment or fiduciary relationship between the Parties. Buyer is an independent contractor pursuant to this Agreement. Neither Party has any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other Party or to bind the other Party to any contract, agreement, or undertaking with any third party.

Section 17.19 No Public Announcements. Neither Party shall make any statement (whether oral or in writing) in any press release, external advertising, marketing or promotion materials regarding the other Party or its business unless: (a) it has received the express written consent of the other Party; or (b) it is required to do so by Law.

Section 17.20 Terms Required by Kentucky Law

- (a) **Records Audit.** Seller shall maintain during the course of the work, and retain not less than five years from the date of final payment on the contract, complete and accurate records of all of Seller's costs which are chargeable to Buyer under this Agreement; and Buyer shall have the right, at any reasonable time, to inspect and audit those records by authorized representatives of its own or of any public accounting firm selected by it. The records to be thus maintained and retained by Seller shall include (without limitation): (a) payroll records accounting for total time distribution of Seller's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as canceled payroll checks, or signed receipts for payroll payments in cash; (b) invoices for purchases receiving and issuing documents, and all the other unit inventory records for Seller's stores stock or capital items; and (c) paid invoices and canceled checks for materials purchased and for subcontractors' and any other third parties' charges.
