Jay,

I'm writing to express my full support for the parking waiver at 1200-1202 Bardstown Rd.

The city's parking minimums rules are bad for small business owners who are forced to spend their precious, hard-earned dollars paying for designated parking spaces for their customers instead of spending that money on supplies, space to sell products or hiring new employees. We want businesses to be able to grown and expand without losing more green space or have to demolish building just for parking.

Please accept this email as my support of the parking waiver.
