

Louisville Metro Council City Agency Request
Neighborhood Development Fund (NDF)
 ■ **Capital Infrastructure Fund (CIF)**
Municipal Aid Program (MAP)
Paving Fund (PAV)

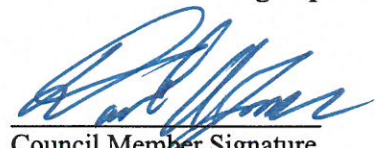

Primary Sponsor: Councilman David James

Amount: \$2952.00 **Date:** 8/31/2017

Description of program/project including public purpose, additional funding sources, location of project/program and any external grantee(s):
 Capital Infrastructure Funds will be directed to Public Works and Assets for the installation of four (4) decorative, iron garbage receptacles in the public right-of-way. Placed at locations in the vicinity of 15th Street & Oak Street, 15th Street & Dumenil Street, 17th Street & Oak Street, and 17th Street & Dumenil Street.

City Agency: Public Works
Contact Person: Steve Fenster
Agency Phone: 502-574-8116

I have reviewed this request for an expenditure of city tax dollars, and have determined the funds will be used for a public purpose and have the attached documentation from the receiving department concerning the project/expenditure.

Yes, I will
Have these locations been approved by DPW Engineering?

Hi Steve,

We have the NDF ready to go, will you accept the funds for 4 decorative containers and liners for Oak Street and Dumesnil. 15th and Oak Street, at the corners of 17th & oak and 17th & Dumesnil Street as well as the corners of 15th & Oak and 15th and Dumesnil Street.

Wanda Mitchell-Smith
Legislative Assistant,
Office of Councilman David James

Steve,

Are you good to go on this project? If so can you provide Wanda with an update?

Thanks,
Craig Allen

Looking at the image, it looks as though you can put one at 15th and Oak Street. It cut off when it printed. So before we do the math, we are looking at the corners of 17th & oak and 17th & Dumesnil Street as well as the corners of 15th & Oak and 15th and Dumesnil Street. Correct?

How much will this cost. We will need to do an NDF for the funds .

Wanda,
I have a map below where I am proposing the six trash cans should be placed. The proposed locations are labeled with a black circle. I didn't proposed any trash cans on 18th St/Dixie Highway, because there is already a trash can at each intersection. Please let me know if you have any issues with these locations.

Steve,
When you place the trash cans please have them installed as close to the curb as possible. Where the black circles are there is enough room to allow a 4 ft width or more of walking path on the sidewalk. Please tell the contractor to install the cans so there is at least a 5 ft width remaining for people to walk on. There are two locations that require installation of a 3'x3' concrete pad for the trash cans. Can you please provide Wanda with an estimate for these six trash can installations?

Let me know if anyone has any questions.

Thanks and have a good weekend,
