SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

SLCM provides emergency assistance and compassionate advocacy to low-income neighbors in crisis. We address immediate needs of hunger and stable housing while creating lasting community.

SLCM serves our neighbors residing in 40118, 40208, 40209, 40214, and 40215 in their greatest time of need to prevent their crisis from turning into catastrophe. Our community extends to more than 80,000 people, and we face the second highest poverty rates in Louisville, but we believe that through collaboration and kinship, we can be a compassionate home base to everyone.

We do this by providing the following services:

- 1. Emergency Food Assistance through monthly groceries and weekly produce boxes
- 2. Meals on Wheels deliveries to homebound seniors
- 3. Utility Assistance by helping to pay for late LG&E and water bills to avoid disconnection
- 4. Rent Assistance through our project, StopMyEviction.org
- 5. Financial Assistance for Basic Needs such as medication, home repair, and transportation
- 6. Household Supplies such as personal hygiene and cleaning supplies
- 7. Clothing and Furniture Vouchers
- 8. Infant Supplies such as diapers, wipes, and formula
- 9. Computer Class and Equipment including a refurbished computer
- 10. Case Management through our social enterprise, The Rosewater bookstore, and other programs

SECTION 5 - PROGRAM/PROJECT NARRATIVE A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.): This funding request is for the 2022 annual dinner, Families Helping Families, held March 15, 2022 at Kosair Shrine Ballroom. This special dinner is an opportunity for families, friends, community and business leaders to celebrate the uniqueness and diversity of South Louisville. We'll hear from and lift-up local heroes who have given so much of themselves to keep neighbors housed and healthy. We hope you and your guests can be there to honor their generosity and compassion. Metro Council's support will be highlighted throughout the evening, but will also be acknowledged as a partner in this important work in all publicity efforts. B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s): Families Helping Families Dinner: Cover cost of the meal and space, event program materials and pledge cards, special signs, and invitations. None of the funds allocated will be used for sub grantee.

C: If this request is a fundraiser, please detail how the proceeds will be spent:
All proceeds made from the annual Families Helping Families dinner will go directly to SLCM's programming. SLCM provides nutritional food from our pantry, delivers hot meals to homebound seniors daily, prevents eviction/homelessness by providing financial assistance for housing, eliminates families living in dangerous housing conditions by assisting with utilities to avoid disconnection, helps with purchasing life-saving medication and connects individuals and families with additional community services to address their challenges in a holistic manner.
This event is critical considering we have increased our capacity by 500% to better serve Jefferson County during the pandemic. We distributed more than \$1,8 million without any significant increase in administrative costs. Simultaneously, we had to pause all fundraising to focus on programmatic work while also being safe and avoiding in-person events. We hope to raise \$60,000 during this event so that we might begin to address the deficit in operational support we saw during the past two years.
D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date
and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:
The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:
If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.
The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.
 □ Reimbursements should not be made before application date unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment): ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application. ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

SLCM is currently collecting a thorough client satisfaction survey that will help us better determine continued needs and how our services have changed their lives. For all of our clients that we "coach" through more than one immediate crisis (ie. water is being disconnected), we use the Arizona Self-Sufficiency Matrix to gauge where they start and where they end.

The assistance provided stabilizes families in crisis situations for at least 30 days. We do not contribute funds to outstanding bills unless we are certain it will stabilize the situation for that period of time. Emergency assistance helps avoid eviction from one's home, prevents utilities from being shut-off or disconnected and purchases medication for individual wellness issues. Our utilities assistance prevents 100% of clients from having their services shut off or disconnected. Records are maintained of all checks written on behalf of clients showing how grant funds were allocated.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

South Louisville Community Ministries has existing collaborative relationship with organizations that support some of the services offered by our agency and to also address needs beyond our programs. Dare to Care provides food for our food pantry. Catholic Health Initiatives and Metro Senior Nutrition Program/KIPDA supports our Meals-On-Wheels program. Kosair Charities grant provides baby diapers and other necessary infant supplies. LG&E and Louisville Water Company support assisting families to pay their extreme weather bills.

We are also working with multiple nonprofit partners including NCFL for our Say and Play early childhood development program, The Book Works for our young adult workforce development program, Louisville Urban League for our rent assistance program, and more. We are also a member of the Association of Community Ministries that strives to better serve our neighbors through systemic change and collaboration.

In addition to these partners, we work with many neighborhood agencies. Due to the extent of that list, we have attached the document to this application, but a few of our major partners are Louisville Metro Nutrition Program, Choices Counseling, Sts. Simon and Jude Clothing Closet, Iroquois Library, Americana, Beechmont Community Center, Gathering Place, and Passport Health Plan.

Ministries, Inc. Form 990 - Organization's Mission To empower our neighbors in crisis to move toward stability and selfsufficiency. We do this by demonstrating respectful compassion; practicing faithful stewardship; and providing: -Emergency assistance with food, medicine, housing and utilities -Comprehensive referral services and partnerships (individual, family and marriage counseling) -Daily enrichment services for senior adults Form 990, Part III, Line 4a - First Accomplishment The Emergency Assistance Program works to meet the basic individual needs of those families in the South End who are facing financial crisis. The program works to stabilize the family's by providing financial assistance with utility bills and housing payments, as well as payment assistance for medical needs. Occasionally we are able to provide assistance for additional needs such as transportation and items needed for work placement. In addition, the program maintains an extensive Dare to Care pantry that distributes canned goods, frozen meat products, refrigerated dairy products, fresh produce, infant supplies and personal items. The COVID pandemic has created a dramatic increase in the need for assistance as well as the availability of funding for such assistance. The Emergency Assistance program receives inquiries for financial assistance from around 220 families each month, and this program assists over 110 of those families in most critical need each month. Additionally, South Louisville Community Ministries assists between 15-25 families monthly by providing

#### Independent Auditors' Report

To the Board of Directors South Louisville Community Ministries, Inc.

#### Opinion

We have audited the accompanying financial statements of South Louisville Community Ministries, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of South Louisville Community Ministries, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of South Louisville Community Ministries, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about South Louisville Community Ministries, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures
  in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of South Louisville Community Ministries, Inc.'s internal control.
  Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about South Louisville Community Ministries, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## South Louisville Community Ministries, Inc. Notes to Financial Statements June 30, 2021 and 2020

# Note 1 - Summary of Significant Accounting Policies

South Louisville Community Ministries, Inc. (SLCM), located in Louisville, Kentucky, is a not-for-profit organization founded in 1975. SLCM's mission is to empower neighbors in crisis to move toward stability and self-sufficiency by demonstrating respectful compassion; practicing faithful stewardship; and providing the following programs:

Emergency Assistance: SLCM aids individuals who are facing crisis to help ease a significant burden that is preventing them from being happy, healthy, and safe. This includes payments for housing, utilities, and prescriptions, and managing a Dare to Care Food Pantry and Meals on Wheels routes. SLCM also provides household items such as diapers, tolletries, and cleaning products.

Referral Services and Connecting Resources: SLCM builds and maintains partnerships with other local agencies and community services as they help meet the ongoing needs of neighbors. SLCM collects relevant and timely information about available resources and programs while connecting individuals with opportunities that fit their specific needs. We assist in making the connection by hosting programs, helping with transportation and language barriers, and providing information about eligibility requirements and other important details. The referrals we provide are for financial literacy, job training, computer and internet access, legal aid, free clothing and furniture, temporary housing, healthcare information, support during the holidays, free family-learning activities, and much more.

Coaching and Case Management: SLCM serves as an advocate for our neighbors through relationship and compassion. Volunteers and staff listen to clients and help them on their way to self-identified goals through coaching which includes support with finding employment, setting up counseling appointments, following through with referrals, and marking progress toward goals. Every individual is provided with a different set of tools and timeline for their own journey towards a happy, healthy, and safe home.

Rosewater Bookstore: SLCM operates the bookstore as volunteer-powered social enterprise that provides free community space, workforce development opportunities, and emergency assistance to neighbors in crisis.

SLCM's service area is an area rich in diversity that encompasses all of zip codes 40214, 40215, and 40209, and those families in 40208 who live south of Eastern Parkway.

#### Basis of Accounting

The Organization prepares its financial statements on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America.

## **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

# Note 1 - Summary of Significant Accounting Policies (continued)

#### Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) with regards to financial statements of not-for-profit organizations. Under this guidance, SLCM is required to report information regarding its financial position and activities according to two classes of net assets. A description of the net asset categories follows:

Net assets without donor restriction: include the portion of expendable funds that are not subject to donor-imposed stipulations.

Net assets with donor restriction: stipulated by donors for specific operating purposes or are restricted by time. These include donor restrictions requiring that the corpus to be invested in perpetuity and only the income be made available for operations in accordance with donor restrictions.

#### <u>Cash</u>

For the purposes of the statement of cash flows, restricted cash, limited in use to payment of costs in support of emergency assistance, is considered cash.

#### Restricted Cash

SLCM currently provides emergency assistance for housing and utilities. Included in reserved cash, which are kept in a separate bank account, are amounts received from various donors in support of SLCM's emergency assistance program. Reserved cash at June 30, 2021 and 2020 was \$64,217 and \$12,617, respectively.

#### Accounts Receivable

Accounts receivable consists primarily of advanced health insurance premiums to an employee. All accounts are deemed to be fully collectible.

#### Grants Receivable

Grants receivable consists primarily of amounts that SLCM has requested for reimbursement of grant-related expenses. All accounts are deemed to be fully collectible.

#### Promises to Give

Promises to give that are expected to be collected within one year are recorded as contributions receivable at net realizable value. Promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are not included as support until the conditions are substantially met.

# Note 1 - Summary of Significant Accounting Policies (continued)

#### Inventory

Inventory is stated at the lower of cost or net realizable value. Donated books are valued at fair market value at the date of donations.

SLCM believes the value of donated books for resale is not easily measurable. Accordingly, book inventory value is estimated at year-end based on estimated books on hand and average value of books sold. Inventory consists of the following:

	2021	2020	
Rosewater book inventory	\$ 17,750	\$ 10,000	

### Furniture, Equipment, and Leasehold Improvements

SLCM capitalizes all expenditures for furniture, equipment, and leasehold improvements more than \$500. Purchased furniture, equipment, and leasehold improvements are carried at cost. Donated furniture, equipment, and leasehold improvements are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Furniture, equipment, and leasehold improvements are depreciated using the straight-line method over the estimated useful life of the respective assets (4-20 years). Depreciation of leasehold improvements is provided over the shorter of the useful life or the remaining term of the related lease on a straight-line basis.

#### Revenue and Support

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest, is received and are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Conditional promises to give, that is, those with a measurable performance or other barriers, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

SLCM receives new and used books for sale in the Rosewater bookstore. These donated items are recognized as in-kind contributions when received, and as book sales and cost of books sales when sold. Book in-kind contributions were \$28,918 and \$17,609 for the years ended June 30, 2021 and 2020, respectively.

Special events revenue is recognized when the event takes place.

SLCM receives in-kind contributions from various corporations and individuals in the form of supplies for their client assistance programs. These in-kind items are recorded as part of the contributions and grants on the statements of activities. The donated items are recorded at their fair value at the time of donation and were \$218,118 and \$341,879 for the years ended June 30, 2021 and 2020, respectively.

#### Note 1 - Summary of Significant Accounting Policies (continued)

#### Expense Allocation

The costs of providing the various programs and supporting activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, costs have been allocated among the program and supporting services benefited. Directly identifiable expenses are charged to program and supporting services. The expenses that are allocated are compensation and benefits, occupancy expense, office expense and contract expense, which are allocated based on estimates of time and effort.

#### Income Tax Status

SLCM is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, SLCM qualified for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Management has concluded that any tax positions that would not meet the more-likely-than-not criterion of FASB ASC 740-10 would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the statements of activities or accrued in the statements of financial position.

#### Note 2 - Concentrations of Credit Risk

<u>Cash</u> - SLCM maintains cash balances at a financial institution located in Louisville, Kentucky. Accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. At various times during the year, the cash balance may exceed amounts federally insured. The risk is managed by maintaining all deposits in high quality financial institutions. As of June 30, 2021 and 2020 cash held in excess of insured limits was \$199,233 and \$694, respectively.

#### Note 3 - Promises to Give

Promises to give are unconditional and expected to be collected within one year or less. Promises to give consist of the following as of June 30, 2021 and 2020:

Programs	\$ -	\$ 5,000
----------	------	----------

# Note 4 - Furniture, Equipment, and Leasehold Improvements

Depreciation is provided in amounts sufficient to relate the cost of depreciable assets to operations over the estimated useful lives on a straight-line basis. On June 30, 2021 and 2020 the cost and accumulated depreciation of such assets were as follows:

	2021	2020
Furniture and fixtures Equipment Leasehold improvements	\$ 4,047 4,880 54,175	\$ 4,047 4,880 54,175

# Note 5 - Note Payable

The note payable consists of a loan from a bank, secured by general business assets, with an annual interest rate of 4.28%, due January 1, 2023. As of June 2021, SLCM's debts have been satisfied. The outstanding balance as of June 30, 2021 and 2020 was \$0, and \$19,868, respectively.

# Note 6 - Net Assets with Donor Restriction

Net assets with donor restrictions are restricted to certain programs or by the passage of time, and consist of the following:

	****	2021	 2020
Taste of South Louisville	\$	11,000 7.630	\$ -
Kosair Emergency assistance Good Samaritan			 12,617 5,000
Total net assets with donor restrictions	\$	18,630	\$ 17,617

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by the passage of time, or other events specified by the donor(s).

#### Note 7 - Lease Commitments

SLCM leases office space, space for the bookstore, and office equipment under operating leases. Monthly lease payments range from \$138 to \$1,600. These leases expire at various times throughout 2021 and 2024. Future minimum payments under the leases are as follows:

6/30/22	\$ 27,685
6/30/23	26,076
6/30/24	5,350
Total	\$ 59,111

Lease expense was \$26,785 and \$21,656 for the years ended June 30, 2021 and 2020, respectively.

#### Note 8 - Liquidity and Availability

The following table reflects SLCM's financial assets as of June 30, 2021 and 2020, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year.

	2021	2020
Financial Assets  Cash  Accounts receivable  Grants receivable  Promises to give	\$ 345,933 5,682 44,139	\$ 239,421 3,490 6,610 5,000
Financial assets, at year-end	395,754	254,521

Financial assets available to meet cash needs for general expenditures within one year	\$ 377,124	\$ 235,904

In addition to financial assets available to meet general expenditures over the year, SLCM operates with a balanced budget and anticipates covering its general expenditures by collecting sufficient revenues and utilizing resources from current and prior years' gifts, as needed.

# Note 9 - Accounting Standards Updates

Accounting Standards Update 2016-02, Leases (Topic 842)

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842) (ASU 2016-02), requiring all leases to be recognized on the SLCM's balance sheet as a right-of-use asset and a lease liability, unless the lease is a short-term lease (generally a lease with a term of twelve months or less). At the commencement date of the lease, SLCM will recognize: 1) a lease liability for SLCM's obligation to make payments under the lease agreement, measured on a discounted basis; and 2) a right-of-use asset that represents SLCM's right to use, or control the use of, the specified asset for the lease term. Upon adopting the ASU, SLCM will be required to recognize and measure its leases at the beginning of the earliest period presented using a modified retrospective approach. ASU 2016-02 will be effective for SLCM for the year ending June 30, 2023, with early adoption permitted. SLCM is currently evaluating the effect that the new standard will have on its financial statements.

Accounting Standards Update 2020-07, Not-for-Profit Entities (Topic 658): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets

In September 2020, the FASB issued ASU 2020-07, Not-for-Profit Entities (Topic 658): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (ASU 2020-07), requiring an entity to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash and other financial assets. ASU 2020-07 includes additional disclosure requirements about contributed nonfinancial assets for not-for-profit entities, including additional disclosure requirements for recognized contributed services. The standard will be applied on a retrospective basis and will be effective for the year ending June 30, 2022. SLCM does not expect the new standard will impact its financial statements other than a reclassification on the statement of activities and additional disclosures.

# Note 10 - Commitments and Contingencies

The novel coronavirus (COVID-19) was first identified in people in late 2019. COVID-19 spread rapidly throughout the world, and in March 2020, the World Health Organization characterized COVID-19 as a pandemic. It has significantly disrupted supply chains and businesses around the world. The United States and global markets experienced significant volatility in value resulting from uncertainty caused by the pandemic. The extent of the impact of COVID-19 on SLCM's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the clients, employees, and vendors, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact SLCM's future financial condition, results of operations and cash flows is uncertain.

## Note 11 - Subsequent Events

Management has evaluated subsequent events for recognition or disclosure in the financial statements through December 3, 2021, which was the date at which the financial statements were available to be issued.

# LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND SUPPLEMENTAL DISCLOSURE REQUIRED FOR REQUESTS BY CHURCHES, RELIGIOUS OR FAITH-BASED ORGANIZATIONS

It is the policy of the Louisville/Jefferson County Metro Council that no appropriation to a Church, to a religious or faith-based organization, or to any organization whose activities support a Church or religious or faith-based organization will be approved unless the prospective grantee clearly demonstrates, in writing, that it is committed to compliance with each of the following conditions and requirements.

Legal Name of Applicant Organization:

South Louisville Community Ministries, Inc.

As in the case of all legislative enactments, the appropriation must be for a public purpose. In other words, the appropriation must have a secular legislative purpose to support a program which benefits the public, and which has been, or could be undertaken by the government.

The appropriation must be totally and demonstrably earmarked for the beneficiary activity or program with no tangible or significantly intangible benefit inuring to the organization. Specifically, the appropriation may not fund equipment used by the organization, nor may it be used for improvements to real or personal property owned by the grantee church or organization.

The beneficiary activity or program must be open to the public as opposed to being restricted to church or organization members or affiliates.

The grantee church or organization may not use public funds in any way that involves worship, religious instruction, or religious practice.

Public funds involved in the grant may not be used to support a school or any program of instruction operated by the grantee church or organization, or in its name.

The grantee organization may not use public funds in any way that involves prosclytization or self-promotion of the organization.

The grantee church or organization must establish and maintain a system of recordkeeping which clearly and completely documents its use of the public funds involved in the grant.
