Secretary Terry Gill
Kentucky Cabinet for Economic Development
300 West Broadway
Old Capital Annex
Frankfort, KY 40601

Dear Secretary Gill:

Anderson Hardwood Pellets, LLC is requesting Kentucky Business Investment Program inducements by the Kentucky Economic Development Finance Authority Board.

Anderson Hardwood Pellets, LLC is an extension of Anderson Wood Products, a family-owned manufacturer who has been operating in West Louisville since 1906, and is expanding their operation. Louisville Metro supports an occupational tax contribution of 1%. Please note that our provision of the 1% occupational/license fee is contingent upon Anderson Wood's compliance of an agreement between the company and the city whereby Anderson Wood has agreed to hire 50% of new employees from Jefferson County census tracts designated by the federal government as Community Development Block Grant qualified.

We look forward to final approval of their application. Thank you for your assistance.

Sincerely,

Greg Fischer
Mayor
