Mr. Lockett I am referencing 21Amend0006. I am voicing disapproval of adding drive thru lanes to restaurants along Hurstborne Lane. These establishments (Chilies, Carrabas, and new tenant of old Mimi's Cafe) are not fast food restaurants. They already offer carry out. They also serve alcohol. Adding drive thru lanes would complicate rather than enhance their service. This is already a busy area because of the Lowes store. Traffic in this area of Hurstborne Lane is easily snarled. How would service of alcohol be handled in a drive thru?? Sinage, lighting etc would need to be added. Have these restaurants requested this?? Thank you for your attention to these important issues.
