I have attached your invoice. I believe some of the amounts on here are for the lights a Councilperson was supposed to pay. Just focus on the 2015 permit for practice.

Councilwoman Jessica Green
Metro Louisville
Louisville, Kentucky

Dear Councilwoman Green:

The West End Youth Yellow Jackets Sports Program is a nonprofit program established in 1995 and incorporated in 1998. Our mission is to provide positive role models, teach self-respect, encourage academic achievement and set higher standards for the futures of our youth. We feel that with all the violence running rampant within our community, participating in youth sports is a great deterrent. The coaching staff consists of professional men and women who serve as friends, counselors, and mentors to approximately 200 children per year. The West End Youth Yellow Jackets organization's goals are to teach our children to be competitive and to form partnerships with families throughout our community.

2015 was a great year for the Yellowjackets organization. We were able to keep our kids safe and out of harm's way, by offering our services to a much needed community. Each year we are responsible for paying Metro Parks for the use of Russell Lee Football Field and its lights. Because we are a charitable organization, this places us in a financial hardship.

Therefore, we are soliciting you for financial assistance. The service fee for the field permit is \$395.00. As a non-profit 501c3 organization, all contributions made to us are tax deductible. As our District Councilwoman, you will be placed on our web-site www.leaquelineup.com/jacketpride and Facebook page West End Yellowjacket Youth, as a gesture of gratitude.

Please consider making a donation and join in our quest to replace self-destruction with pride and self-respect.

If you have any questions, please feel free to contact me at 502-439-7147.

Sincerely,

Shawn Donigan, President
