

ORDINANCE NO. _____, SERIES 2020

AN ORDINANCE AMENDING CHAPTER 90 OF THE LOUISVILLE METRO CODE OF ORDINANCES (“LMCO”) RELATING TO INCREASED PROTECTIONS FOR THE PUBLIC HEALTH BY REQUIRING LICENSES FOR RETAILERS SELLING TOBACCO, TOBACCO PRODUCTS AND/OR ELECTRONIC SMOKING DEVICES.

SPONSORED BY: COUNCIL MEMBER COAN

WHEREAS, approximately 480,000 people die in the United States from smoking-related diseases and exposure to secondhand smoke every year, making tobacco use the nation’s leading cause of preventable death; and

WHEREAS, consumption of tobacco is a leading factor in numerous poor health outcomes including COPD, heart disease, stroke, cancer, diabetes, asthma, gum disease and tooth loss; and

WHEREAS, tobacco use among priority populations in Louisville contributes to health disparities and creates significant barriers to health equity; and

WHEREAS, according to the Center for Disease Control and Prevention, if cigarette smoking continues at the current rate among youth in this country, 5.6 million of today’s Americans younger than 18 will die early from a smoking-related illness; and

WHEREAS, the Surgeon General has warned that the proliferation of e-cigarettes is “cause for great concern”, and that the use of e-cigarettes has “become an epidemic among our nation’s young people”; and

WHEREAS, in 2019, more than 1 in every 4 Kentucky teens reported using e-cigarettes in the past 30 days; and

WHEREAS, tobacco products and electronic nicotine delivery products contain nicotine which the U.S. Department of Health and Human Services has concluded is a

highly addictive drug with adolescents and young adults being more susceptible to its effects; and

WHEREAS, despite state laws prohibiting the sale of tobacco products and electronic smoking devices to minors, access by minors to tobacco products is a major public health problem; and

WHEREAS, a local licensing system for retailers selling tobacco, tobacco products and electronic smoking devices is appropriate to ensure that retailers comply with tobacco control laws and business standards to protect the health, safety, and welfare of our residents; and

WHEREAS, requiring retailers who sell tobacco, tobacco products and/or electronic smoking devices to obtain a retailer license will not unduly burden legitimate business activities of retailers but will, however, allow the Louisville Metro Government to regulate the operation of lawful businesses to discourage violations of federal, state, and local tobacco control and youth tobacco access laws.
