CONTRACT SCOPE and PURPOSE (Attach additional documentation if necessary)

Amendments: Describe the circumstances under which a time extension or scope change is needed.

New: Be specific about the work to be performed / product to be purchased including but not limited to: scope of work; description of service; work product created; why the service / product is necessary; and benefit to Louisville Metro Government.

Louisville Metro Department of Public Health and Wellness operates a public health laboratory and a few clinical laboratories and is in need of a qualified Laboratory Director to oversee the lab's operations for 20 hours per week. The Lab Director will perform all duties as outlined in Exhibit A which includes, but is not limited to the following: carry out the responsibilities established by the Clinical Laboratory Improvement Amendments (CLIA); ensure the proper operation of the lab including development and implementation of a sustainable business plan; ensure that the physical plant and environmental conditions are appropriate for the testing performed; and ensure testing systems provide quality lab services for pre-analytic, analytic, and post-analytic phases of testing.

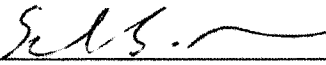

JUSTIFICATION FOR NON-COMPETITIVE GOOD/SERVICE (Attach additional documentation if necessary)

Provide justification including but not limited to: a description of the unique features that prohibit competition; research conducted to verify the vendor as the only known source (sole source); why the service (PSC) is not feasible to be provided by LMG staff or expertise does not exist; known compatibility, proprietary and/or timing issues.

The University of Louisville employs Dr. Leslie Wolf full time as a Clinical Assistant Professor. Dr. Wolf has served as the LMPHW Lab Director since July 2013, and we want to contract with the University of Louisville for 20 hours of Dr. Wolf's time per week. Dr. Wolf's laboratory expertise is unparalleled, as is her experience running LMPHW's lab. UofL is uniquely qualified to provide Dr. Leslie Wolf as the LMPHW Lab Director because UofL is the sole source employer of Dr. Leslie Wolf.

The Lab Director's annual compensation shall be \$79,500 plus fringe benefits for a total compensation package of \$102,157 paid by UofL. Metro Government will contribute \$51,078.60 for salary to UofL. UofL shall invoice monthly for \$4,256.55.

AUTHORIZATIONS: Per KRS 45A.380, I have determined that competition is not feasible for the above described good / service and there is a single source within a reasonable geographical area of the good / service to be procured; or the resulting contract is for the services of a licensed professional, technician, artist, or other non-licensed professional service.

Exhibit A - Lab Director Scope of Work

- Carry out the responsibilities established by the Clinical Laboratory Improvement Amendments (CLIA) that can only be assumed by a qualified laboratory director.
- Represent the LMPHW with other agencies and programs such as the Kentucky State Laboratory, Region 6 Emergency Response District, and the Louisville Metro Medical Subgroup Emergency Response subcommittee.
- Function as the Laboratory Director for the Specialty Clinic and other small clinic laboratories that operate under a separate CUA certificate from the 430 East Gray Laboratory.
- Ensure the proper operation of the laboratory; including the development and implementation of a sustainable business plan. Be accessible to the lab to provide onsite, telephone or electronic consultation as needed.
- Ensure that the physical plant and environmental conditions are appropriate for the testing performed.
- Ensure the environment for employees is safe from physical, chemical, and biological hazards and that safety and biohazard requirements are followed.
- Establish and participate on a performance improvement committee and a safety committee which meet monthly, at a minimum.
- Ensure testing systems provide quality lab services for pre-analytic, analytic, and post-analytic phases of testing.
- Establish a performance improvement program to include employee health and safety, pre-post analytical evaluations, quality control practices, proficiency evaluations, corrective actions, environmental assessments and other monitors consistent with CUA.
- Ensure test methods selected have the capability of providing quality results.
- Ensure verification procedures used are adequate to determine accurate precision, and other pertinent performance characteristics of the method.
- Ensure that reports of test results include pertinent information required for interpretation.
- Ensure that consultation is available to the lab's clients on matters relating to the quality of the test results reported and their interpretation concerning specific tests.
- Ensure that an appropriate procedure manual is available and routinely updated to reflect procedures based on best practice and changes in the field.
- Ensure that prior to testing patients' specimens, all personnel have the appropriate

education and experience, and receive the appropriate training for the type and complexity of services offered, and have demonstrated that they can perform all testing operations reliably to provide and report accurate results.

- Ensure that lab personnel are performing the test methods as required for accurate and reliable results.
- Ensure that policies and procedures are established for monitoring individuals who conduct pre-analytical, analytical and post-analytical phases of testing to verify that they maintain competency.
- Ensure that the lab is enrolled in a proficiency testing (PT) program.
- Ensure that PT results are returned on time to the PT program.
- Ensure that PT samples are tested in the same manner as patient samples.
- Ensure that quality control and quality assurance programs are established and maintained to identify failures in quality as they occur.
- Ensure the establishment and maintenance of acceptable levels of analytical performance for each test system.
- Ensure that remedial actions are taken and documented whenever any deviations from the lab's established performance characteristics are identified and patient test results are correctly reported.

Curriculum Vitae

Leslie A. Wolf

Education

1996

Ph.D. Immunology and Microbiology, University of Colorado Health Sciences Center, Denver, CO

1990

B.S. Microbiology, University of Kentucky, Lexington, KY

Certifications

July 2003-present

High Complexity Laboratory Director, American Board of Bioanalysis, with a specialty in Molecular Diagnostics

Positions Held

December 2016-present

Clinical Assistant Professor/Laboratory Director, University of Louisville Department of Medicine, Division of Infectious Diseases, Infectious Diseases Laboratory, Louisville, KY

July 2013-present

Laboratory Technical Director, Louisville Metro Public Health and Wellness Laboratory, Louisville, KY

October 2012-October 2016

Laboratory Director, Galaxy Diagnostics, Inc, Research Triangle Park, Durham, NC

August 2006-June 2012

Laboratory Director, North Carolina State Laboratory of Public Health, Raleigh, NC

July 2005-July 2006

Acting Laboratory Director, North Carolina State Laboratory of Public Health, Raleigh, NC

November 2002-July 2009

Assistant Public Health Laboratory Director, North Carolina State Laboratory of Public Health, Raleigh, NC

October 1999-November 2002

Public Health Scientist, North Carolina State Laboratory of Public Health, Raleigh, NC

September 1997- September 1999

CDC/APHL Emerging Infectious Disease Postdoctoral Research Fellow, 1997-1999, North Carolina State Laboratory of Public Health, Raleigh, NC.

September 1995-August 1997

Research Associate, North Carolina State University, Raleigh, NC

Supervisory Experience

January 2003-March 2012

Laboratory Director for over 40 local health department laboratories on umbrella CLIA certificates (limited public health, moderate complexity testing)

November 2002-July 2009	Supervisor of eight Unit managers (Cancer Cytology, Environmental Sciences, Laboratory Improvement, Microbiology, Newborn Screening/Clinical Chemistry, Virology/Serology, Molecular Diagnostics/Epidemiology, Quality Assurance)
July 2005-June 2012	Supervisor of eight positions (Assistant Laboratory Director, Assistant Director for Operations, Bioterrorism/Emerging Pathogens Manager, Chemical Terrorism Manager, Environmental Sciences Manager, Quality Assurance Manager, Executive Assistant, and Receptionist)
September 2002-July 2004	Mentor to an Emerging Infectious Disease Training Fellow in molecular diagnostic and molecular epidemiology research projects
July 2001-November 2002	Manager of PulseNet laboratory and technical consultant to Laboratory Medical Specialist performing PFGE on enteric pathogens

Professional Activities

Western Institutional Review Board	Local Member Representative of IBC to provide laboratory biosafety expertise for clinical trials, 2017.
Mentor, MPH Practicum Projects	Provided oversight and direction for one UK College of Public Health MPH candidate to perform an assessment of local OB/GYN providers' level of knowledge regarding risk of lead exposure in pregnancy, 2017-2018. Provided oversight and direction for one U of L School of Public Health and Information Sciences MPH candidate to perform a retrospective epidemiologic review of active TB cases in Jefferson County, 2015-2016.
Grant Manager, Association of Public Health Laboratories grant entitled "Expanded Access to Interferon Gamma Release Assays", January 2016 through July 2016.	Project funded to implement IGRA testing at the main Laboratory to support the Regional TB Clinic both within the Louisville Metro Public Health and Wellness Department.
Local Laboratory Director Committee Member, Association of Public Health Laboratories (APHL), 2015-2017.	Participate in monthly conference calls, attend in person meeting and plan for sessions at the APHL annual meetings, as well as serve as speaker and moderator for a variety of sessions.
Laboratory Systems Improvement Project (L-SIP) Coordinator, Louisville Metro Public Health and Wellness Department, January 2015-June 2015.	Lead the L-SIP team to prepare for public health laboratory system assessment based on toolkit provided by the Association of Public Health Laboratories (APHL).

- Laboratory Systems Improvement Project (L-SIP) Coordinator, North Carolina State Laboratory of Public Health (NCSLPH), June 2014-December 2015. Lead the L-SIP team to prepare for public health laboratory system assessment based on toolkit provided by the Association of Public Health Laboratories (APHL).
- Food Safety Committee Member, Association of Public Health Laboratories (APHL), 2006-2012. Participate in monthly conference calls, attend in person meeting and plan for sessions at the APHL annual meetings, as well as serve as speaker and moderator for a variety of sessions.
- Council to Improve Foodborne Outbreak Response (CIFOR) Member, 2009-2012. Represent the Association of Public Health Laboratories, serving on various workgroups including development of Toolkit to disseminate "Guidelines to Improve Foodborne Outbreak Response" published in 2009, a law project and development of guidelines for outbreaks of unknown etiologies.
- Consultant, Association of Public Health Laboratories Global Public Health Program, 2008-2011. Provide on-site and remote mentoring and guidance for quality assurance, biosafety, and molecular assay development for twinning project with the National Public Health Reference Laboratory, Georgetown, Guyana.
- Principal Investigator, Association of Schools of Public Health grant entitled "Pathways to Public Health", January 2010 through December 2010. Project funded paid student internships through a competitive selection process of rising juniors and seniors at North Carolina State University. Research projects were provided in four distinct laboratory areas for an eight week internship for four students in summer 2010.
- Principal Investigator, Association of Public Health Laboratories and CDC grant "DNA-Based Subtyping of *Listeria monocytogenes*", 2003-2009. Project funded one Medical Laboratory Specialist to develop a multi-locus variable number tandem repeat analysis method to augment the PulseNet gold-standard method of pulsed-field gel electrophoresis. A publication resulted from this project in the *Journal of Clinical Microbiology*.
- Guest Lecturer, North Carolina State University, Department of Microbiology, Global Public Health course, Fall 2010 and Fall 2011. Provided overview of State Laboratory of Public Health and global public health laboratory project with Guyana.
- Guest Lecturer, One Health Intellectual Exchange (a collaborative effort with North Carolina State University, University of North Carolina at Chapel Hill and Duke University) about the role of the public health laboratory in foodborne disease investigation and surveillance at state and federal levels during a session entitled "Ensuring National & International Food Safety," March 2011

Host/Facilitator, March 15-16, 2007, Raleigh, NC, for a workshop entitled "Public Health Laboratories with CLIA Multi-site Certificates." The purpose was to share best practices among nine states and subject matter experts from APHL and CDC regarding use of the limited public health testing certificate in local public health departments. Meeting resulted in a white paper entitled "Multi-site CLIA Certificate Programs: Laboratory Practices for Limited Public Health Testing" in August 2007.

AGREEMENT

THIS PROFESSIONAL SERVICE CONTRACT, made and entered into by and between the **LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT**, by and through its **DEPARTMENT OF PUBLIC HEALTH AND WELLNESS** herein referred to as "**METRO GOVERNMENT**", and the **UNIVERSITY OF LOUISVILLE DIVISION OF INFECTIOUS DISEASES ("UNIVERSITY")**, 501 East Broadway, Suite 100, Louisville, KY 40202.

WITNESSETH:

WHEREAS, the Metro Government desires to employ a Laboratory Director ("Director"); and

WHEREAS, the parties desire to enter into a joint working arrangement for the services of Director; and

WHEREAS, pursuant to K.R.S. 45A.380 the Metro Government has determined that competition is not feasible and that this Agreement is for the services of a professional; and

WHEREAS, Dr. Leslie Wolf is employed by the University pursuant to an employment contract (the "Employment Contract") and has the requisite qualifications and experience; and

WHEREAS, University possesses the requisite experience and qualifications to provide the unique nature of the services desired by the Metro Government;

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

I. SCOPE OF PROFESSIONAL SERVICES

- A. The parties agree that Dr. Leslie Wolf shall be appointed as Director as of the effective date of this Agreement.
- B. University agrees as follows:

- 1. Director's responsibilities and duties as Director of the LMPHW Laboratory will be decided by the LMPHW Health Director.

C. ACCOUNTABILITY OF THE DIRECTOR

1. Director shall be a University employee assigned to the LMPHW part time; and
2. With regard to Director's responsibilities to University, Director will be accountable to the appropriate Dean.

II. FEES AND COMPENSATION

A. The Metro Government shall contribute to University one half of the Director's compensation (a sum of **THIRTY NINE THOUSAND SEVEN HUNDRED FIFTY DOLLARS (\$39,750)**), and shall provide payment to University on a monthly basis after receipt of a detailed invoice from University. The parties agree that the Director's annual compensation shall be **SEVENTY NINE THOUSAND FIVE HUNDRED DOLLARS (\$79,500)** which shall be paid by U of L.

University shall generate a University paycheck to Director. University further agrees that Director shall receive all usual and ordinary faculty benefits including fringe benefits through University.

In the event that the Metro Government terminates this Agreement, the Metro Government shall not be responsible for any further contribution to University for the University employee and the employee shall no longer hold the Director position. University shall then solely determine the employee's wage and duties.

In the event that University terminates Director, University shall not be responsible for any further compensation of the employee; provided, however, the Metro Government shall then have the opportunity to hire the terminated University employee. The Metro Government shall then solely determine the employee's wage and duties.

In the event a Director terminates her employment with University for any reason or if Metro Government is unable to directly hire a Director that has been terminated by

University (as outlined above), the parties will work together to identify, recruit and hire a replacement Director that is satisfactory to both parties (provided that no payments shall be due under this Agreement from Metro Government during the period when the Director position is vacant).

In the event that University were to increase its portion of the Director's salary, that will in no way increase the obligation of Metro Government.

The Metro Government shall contribute to University upon receipt of an invoice for same **ELEVEN THOUSAND THREE HUNDRED TWENTY EIGHT DOLLARS AND FIFTY CENTS (\$11,328.50)** toward payment of Director's fringe benefits.

Total annual payments to University by Louisville Metro under this Agreement shall not exceed **FIFTY ONE THOUSAND SEVENTY EIGHT DOLLARS AND SIXTY CENTS (\$51,078.60)**, which amount reflects Louisville Metro's obligation to pay one half of the Director's salary and its contribution toward payments of Director's fringe benefits provided by University.

B. The Metro Government shall reimburse out-of-pocket expenses if they are reasonable in amount and necessary to accomplish the scope of services of this Agreement. The Metro Government will not reimburse first class air fare, personal phone calls, or other premium type expenses. The Metro Government reserves the right to reduce or disallow expenses considered excessive or unnecessary under this contract.

C. University agrees that all outstanding invoices at the end of the fiscal year (June 30) must reach the Metro Government no later than July 15 of the following fiscal year. University agrees that original invoices that are not in Metro Government

possession by this time will not be paid and University agrees to waive its right to payment for services billed under such invoices.

III. DURATION

A. This Agreement shall begin October 1, 2017 and shall continue through and including September 30, 2018.

B. This Agreement may be terminated by submitting thirty (30) days' written notice to the non-terminating party of the intent to terminate. This Agreement may also be terminated by any party, without notice to the non-terminating party, because of fraud, misappropriation, embezzlement or malfeasance or a party's failure to perform the duties required under this Agreement. A waiver by either party of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

C. In the event of termination, payment for services complete up to and including date of termination shall be based upon work completed at the rates identified in this Agreement. In the event that, during the term of this Agreement, the Metro Council fails to appropriate funds for the payment of the Metro Government's obligations under this Agreement, the Metro Government's rights and obligations herein shall terminate on the last day for which an appropriation has been made. The Metro Government shall deliver notice to University of any such non-appropriation not later than 30 days after the Metro Government has knowledge that the appropriation has not been made.

IV. EMPLOYER/EMPLOYEE RELATIONSHIP

It is expressly understood that no employer/employee relationship is created by this Agreement nor does it cause University to be an officer or official of the Metro Government. By executing this Agreement, the parties hereto certify that its

performance will not constitute or establish a violation of any statutory or common law principle pertaining to conflict of interest, nor will it cause unlawful benefit or gain to be derived by either party.

V. RECORDS-AUDIT

University shall maintain during the course of the work, and retain not less than five years from the date of final payment on the contract, complete and accurate records of all of University's costs which are chargeable to the Metro Government under this Agreement.

VI. DEFENSE AND INDEMNITY

If a claim for money damages is brought against the Director, the Metro Government agrees to defend and indemnify her as if she were a Metro employee covered by KRS 65.200-.2006 and Louisville Metro Codified Ordinances Sections 35.180-35.183.

VII. REPORTING OF INCOME

The compensation payable under this Agreement may be subject to federal, state and local taxation. Regulations of the Internal Revenue Service require the Metro Government to report all amounts in excess of \$600.00 paid to non-corporate contractors. University agrees to furnish the Metro Government with its taxpayer identification number (TIN) prior to the effective date of this Agreement. University further agrees to provide such other information to the Metro Government as may be required by the IRS or the State Department of Revenue.

VIII. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Kentucky. In the event of any proceedings regarding this

Agreement, the Parties agree that the venue shall be Franklin Circuit Court, Frankfort, Kentucky.. All parties expressly consent to personal jurisdiction and venue in such Court for the limited and sole purpose of proceedings relating to this Agreement or any rights or obligations arising thereunder. Service of process may be accomplished by following the procedures prescribed by law.

IX. AUTHORITY

The University, by execution of this Agreement, does hereby certify and represent that it is qualified to do business in the State of Kentucky, has full right, power and authority to enter into this Agreement.

X. CONFLICTS OF INTEREST

Pursuant to KRS 45A.455:

(1) It shall be a breach of ethical standards for any employee with procurement authority to participate directly in any proceeding or application; request for ruling or other determination; claim or controversy; or other particular matter pertaining to any contract, or subcontract, and any solicitation or proposal therefor, in which to his knowledge:

(a) He, or any member of his immediate family has a financial interest therein; or

(b) A business or organization in which he or any member of his immediate family has a financial interest as an officer, director, trustee, partner, or employee, is a party; or

(c) Any other person, business, or organization with whom he or any member of his immediate family is negotiating or has an arrangement concerning prospective employment is a party. Direct or indirect participation shall include but not be limited to

involvement through decision, approval, disapproval, recommendation, preparation of any part of a purchase request, influencing the content of any specification or purchase standard, rendering of advice, investigation, auditing, or in any other advisory capacity.

(2) It shall be a breach of ethical standards for any person to offer, give, or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment, in connection with any decision, approval, disapproval, recommendation, preparation of any part of a purchase request, influencing the content of any specification or purchase standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling or other determination, claim or controversy, or other particular matter, pertaining to any contract or subcontract and any solicitation or proposal therefor.

(3) It is a breach of ethical standards for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

(4) The prohibition against conflicts of interest and gratuities and kickbacks shall be conspicuously set forth in every local public agency written contract and solicitation therefor.

(5) It shall be a breach of ethical standards for any public employee or former employee knowingly to use confidential information for his actual or anticipated personal gain, or the actual or anticipated personal gain of any other person.

XI. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding of the parties with respect to the subject matter set forth herein and this Agreement supersedes any and all prior and contemporaneous oral or written agreements or understandings between the parties relative thereto. No representation, promise, inducement, or statement of intention has been made by the parties that is not embodied in this Agreement. This Agreement cannot be amended, modified, or supplemented in any respect except by a subsequent written agreement duly executed by all of the parties hereto.

XII. SUCCESSORS

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors and assigns.

XIII. SEVERABILITY

If any court of competent jurisdiction holds any provision of this Agreement unenforceable, such provision shall be modified to the extent required to make it enforceable, consistent with the spirit and intent of this Agreement. If such a provision cannot be so modified, the provision shall be deemed separable from the remaining provisions of this Agreement and shall not affect any other provision hereunder.

XIV. COUNTERPARTS

This Agreement may be executed in counterparts, in which case each executed counterpart shall be deemed an original and all executed counterparts shall constitute one and the same instrument.

XVI. CALCULATION OF TIME Unless otherwise indicated, when the performance or doing of any act, duty, matter, or payment is required hereunder and a period of time or duration for the fulfillment of doing thereof is prescribed and is fixed

herein, the time shall be computed so as to exclude the first and include the last day of the prescribed or fixed period of time. For example, if on January 1, University is directed to take action within ten (10) calendar days, the action must be completed no later than midnight, January 11.

XVII. CAPTIONS The captions and headings of this Agreement are for convenience and reference purposes only and shall not affect in any way the meaning and interpretation of any provisions of this Agreement.

XVIII. MISCELLANEOUS University agrees that, in the event it receives from the Metro Government any protected health information, it will not disclose any of that information to any third party unless the disclosure complies with the rules and regulations of the Health Insurance Portability and Accountability Act ("HIPAA"), codified in 42 U.S.C. § 1320d and 45 C.F.R. 160-164. University shall hold in strictest confidence all documentation, information, and observations gathered in the performance of this Agreement, and University agrees to negotiate and execute a mutually acceptable Health Department Business Associate Agreement, if applicable for the project. University further agrees to require any of its subcontractors to both abide by the aforementioned HIPAA prohibitions against the unauthorized disclosure of confidential and protected health information and to sign an approved Metro Government's Business Associate Agreement that contains substantially the same terms as the Metro Government's Business Associate Agreement.

The Metro Government and University agree to comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et. seq.*) and all implementing regulations and executive orders, and section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 701) and the Kentucky Equal Employment Act of 1978 (K.R.S. § 45.550 to 45.640) and the

Americans with Disabilities Act (42 U.S.C. § 12101 *et. seq.*). No person shall be excluded from participation in, be denied the benefits of, or be subject to discrimination in relation to activities carried out under this Agreement on the basis of race, color, age, religion, sex, disability or national origin. This includes provision of language assistance services to individuals of limited English proficiency seeking and/or eligible for services under this Agreement.

University nor any of its employees or personnel shall speak on behalf of or as a representative of the Metro Government or the Department of Public Health and Wellness without the express authorization of the Director of that Department or his designee.

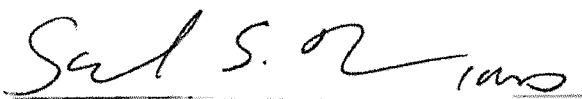

The University shall reveal any final determination of a violation by the University or subcontractor within the previous five (5) year period pursuant to KRS Chapters 136, 139, 141, 337, 338, 341 and 342 that apply to the University or subcontractor. The University shall be in continuous compliance with the provisions of KRS Chapters 136, 139, 141, 337, 338, 341 and 342 that apply to the University or subcontractor for the duration of the contract.

WITNESS the agreement of the parties hereto by their signatures affixed hereon.
