Good morning!

Just to recap what we discussed, I will make an agency request for overtime funds for two of your officers to provide services at a neighborhood meeting on Monday, March 26th. The following is how the amount was derived:

Officer 1 rate - \$43.05 x 3 hours = \$129.15
Officer 2 rate - \$43.84 x 3 hours = \$131.52
Total = \$260.67

Thank you so much for your help with this. Please let me know if you have any questions.

Sincerely,

Leslie Curneal, CKMC

What is the location of the meeting? Are they wanting police presence for security purposes or to be available for questions?

Subject: Requesting police officer presence

Dear Major Burbrink,

Councilman Engel and I, along with Jeff Brown and Steve Kurowsky of Public Works have been invited to a neighborhood meeting on Monday, March 26th at 6 pm to discuss issues related to the SouthPointe Commons development and roadway construction. Councilman Engel would like for there to be at least one, if not two, police officers present during the meeting since we are getting a lot of calls from upset neighbors. Is this something that you could accommodate?

We appreciate your assistance.

Sincerely,

Leslie Curneal, CKMC
