444 South Fifth Street, 3rd Floor
Louisville, Kentucky 40202

To Whom It May Concern:

Pursuant to Land Development Code §4.2.29 (formerly, §4.2.28), this is an application to amend a Conditional Use Permit for Norton Brownsboro Hospital (the "hospital"), located at 4960 Norton Healthcare Boulevard, presently 314, 936 square feet in size.

The proposed Conditional Use Permit amendment would add 172, 263 square feet for an aggregate total of 487, 199 square feet. An associated parking garage is also proposed as part of the application.

The original Conditional Use Permit was granted by the Louisville Metro Board of Zoning Adjustment (the "Board") on July 11, 2007 (Louisville Board of Zoning Adjustment Docket No. 8764). In Case No. 15CUP1035, the Board granted a 2,200 square-foot building expansion to allow for magnetic resonance imaging ("MRI") facilities in the hospital.

Sincerely,

Glenn Price
