Dear Mr. Lockett,

I am writing this email to oppose the requested binding elements on the property located at 7425 Saint Andrews Church Road. I am concerned about the amount of traffic this would cause. There is only one way in or out of our subdivision and it is located right at this property. I feel the extra traffic could create a dangerous situation especially since the school buses stop in front of this location.

I am also concerned about the hours of operation. I have witnessed cars being brought in on trailers with no license plates as late as midnight. I also witnessed the grass being cut at 11:30 pm. Please consider these things when making a decision. Thank you for your time.

Kind Regards,

Ken Crady
