Equity Update

Vision Statement: Raise the status of women through education, advocacy and legislation.

Focus areas:

Gender-based violence

Human Trafficking

Social & economic well-being

Housing

Education

Civic Engagement

Autonomy

Equity Goals

- Equity Goal #1: Promote a gender equity focus across government, with a focus on intersectionality (BIPOC, LGBTQ, Immigrant/Refugee women)
- Equity Goal #2: Increase capacity and representation of diverse women (race, ethnicity, LGBTQ) in leadership
- Equity Goal #3: Decrease domestic violence among marginalized women, with a specific focus on Black and BIPOC women
- Equity Goal #4: Increase economic well being of women, in particular Black women and women of color
- Equity Goal #5: Decrease vulnerability of Black & Latinx girls to being trafficked and exploited

Activities Toward Accomplishment of Equity Goals:

Activities Toward Equity Goal #1:

- Host monthly webinars on topics of gender equity (ex: Centering the Margins: Sexual Assault; Diaper and Formula Need, History and Impact of Black Women Judges in Louisville, Gender Equity & Dress Codes, Gender Discrimination in Housing)
- Prepare for Gender Equity Commission with community survey and community meetings.

WOMEN

Activities Toward Accomplishment of Equity Goals:

Activities Toward Equity Goal #5

- Convene working group with LMPD, CPS and community advocates to develop community protocol on missing/exploited teens
- Support prevention efforts of human trafficking of BIPOC and immigrant girls by partnering with Criminal Justice Commission and OSHN on two federal grants
- Sought and received grant from Metro United Way to focus on creating a resource guide on human trafficking services and hosting a community convening on human trafficking in March 2023 with a focus on racial equity, housing and collaboration.

Equity Update

- **OFW works consistently with colleagues at OOE to ensure our activities are focused on racial equity and intersectionality**
- **OFW has used the Racial Equity Assessment Toolkit to inform work**
- **OFW works with culturally specific local organizations (ex: La Casita Center, Gate of Hope) and national organizations (ex: Ujima National Center for Violence Against Women in the Black Community) to inform projects**

Other Equity-related Accomplishments

- ✓ **Advocated for and helped with implementation of paid leave for victims of crime and domestic violence ordinance within Metro government**
- ✓ **Working with Women's Bureau of the U.S. Department of Labor to explore funding and solutions to increase economic stability and employment of BIPOC women, including hosting an event in collaboration on 11/16**
