

Louisville Metro Council City Agency Request
Neighborhood Development Fund (NDF)
■ Capital Infrastructure Fund (CIF)
Municipal Aid Program (MAP)
Paving Fund (PAV)

Primary Sponsor: Brandon Coan

Amount: \$362.88 **Date:** Dec 16, 2019

Description of program/project including public purpose, additional funding sources, location of project/program and any external grantee(s):
 \$362.88 to Public Works to produce and install 12 Lock/ Take/ Hide signs to be installed on the 800 - 1000 block of Cherokee Rd, Eastern Parkway between Bardstown Rd and Willow Ave and Highland Ave between Baxter and Bardstown.

City Agency: Public Works
Contact Person: Jeff Brown
Agency Phone: 502 574 0065

I have reviewed this request for an expenditure of city tax dollars, and have determined the funds will be used for a public purpose and have the attached documentation from the receiving department concerning the project/expenditure.

Officer Oliver – I'm sharing your reply with the rest of the group.

Jasmine – please prepare transfer of \$362.88 (12 x \$30.24) CIF to PW.

PW Team – do you need any further instruction on where to place the signs? Anything else you need from LMPD or us?

Thanks Very Much,
SBC

Sorry Major I somehow have missed this chain of emails. I don't know Cherokee Park very well, so I'm not sure what you would need as far as coverage. However Metro Signs and Marketing already has the design and can produce the signs for \$30.24 per sign which includes installation.

If you need my help please just let me know.

Major Hallahan – this confirms that we will fund 12 signs to be placed: a) 800-1000 Block of Cherokee; b) Eastern Parkway btw Bardstown and Willow; and c) Highland Ave btw Baxter and Bardstown. I am adding all the relevant folks who helped District 4 and am asking someone to quote us the price; Jasmine will then initiate payment and hopefully we can get the areas signed without much delay. Anyone with questions can call me: 574-1108. Thanks!

Brandon

Subject: Re: Lock, Take, Hide Initiative

I drove Cherokee Road after our meeting yesterday. I think we can get good coverage if we get 8 signs for that area. We could use 4 to place about a block off of the intersection of Eastern Pwy and Bardstown.

So 12 total should work.
