- The prohibition sections listed in the Ordinance will take effect immediately upon passing the legislation
- The registration of lobbyists is written to not take effect until six months after passage of the Ordinance
- The first 14 pages of the Ordinance are new sections -- after Section VIII there are amendments to the existing Ordinances
- Questions were asked regarding whether the Ethics Commission should be

invited to the Committee for discussion regarding administrative burdens this would have on the Ethics Commission

- Questions were asked regarding whether the Ethics Commission would consider having a financial impact statement on the administrative burdens they may face
- Questions were asked regarding how this Ordinance would effect the relationships Metro Council may have with the unions -- Section V of the Ordinance was briefly reviewed and it depends on the conversations had and whom the Council is speaking with -- examples were provided
- Questions were asked regarding how the lobbyists would write the meeting with the metro officer on the form -- examples were provided
- Fundamental concerns were expressed regarding all lobbyists and lobbying activities being treated the same, such as small businesses and non-profits -- examples were provided

- The importance of transparency was expressed
- Questions were asked regarding who would have the reporting burden -- the lobbyists would have the burden of reporting lobbying activity not the employer of the lobbyists
- A series of questions were asked regarding hypothetical scenarios and many examples were provided

[R-085-22 PROPOSED CABS 061422 Change to Rule 6.03 RE Submitting Legislation.pdf.pdf](#)

A motion was made by Committee Member Winkler, seconded by Committee Member Fox, that this Resolution be recommended for approval.

The following spoke to this item:

- Chair Ackerson
- Council President James

Council President James proposed an amendment by substitution that was read into the record.

A motion was made by Committee Member Winkler, seconded by Committee Member Fox, that this Resolution be amended as shown in the attached document titled: "R-085-22 V.2 CABS 061422 Change to Rule 6.03 RE Submitting Legislation.pdf".

The motion to amend carried by a voice vote.

The following spoke to the proposed amendment:

- Chair Ackerson
- Council President James
- Hollie Hopkins, Jefferson County Attorney's Office ("JCAO")
- Committee Member McCraney
- Committee Member Purvis
- Committee Member Winkler
- Vice Chair Piagentini
- Committee Member Fox
- Committee Member Reed

The following was discussed:

- House Bill 314 was adopted by the General Assembly, within this House Bill were changes made to KRS 67C.115 -- one of these changes relates to who would represent the Metro Council and who would approve Metro Council Resolutions and Ordinances -- more detailed examples were provided
- Questions were asked regarding whether it was mandatory to consult with the JCAO for the drafting of legislation -- Metro Council Members are still able to work with JCAO, should they choose to do so
- Questions were asked regarding whether this Resolution would allow Metro

- Council Members to seek the opinions of attorneys outside of JCAO -- this information was confirmed
- Concerns were expressed regarding the knowledge an outside attorney would have regarding government legislation
 - Questions were asked regarding whom would be responsible to pay for outside counsel -- this would be up to the Metro Council to decide as it has not been made a Metro Council Rule as of yet
 - This Resolution is necessary to be in compliance with State law -- there are still many logistics to sort out
 - JCAO is still being funded by taxpayer dollars
 - Examples were shared regarding times when there was a conflict between a Metro Council Member and JCAO where JCAO did not sign off on a piece of legislation -- this rule change would allow for a Metro Council Member to seek outside counsel to get a second opinion if JCAO was not in agreement with the Metro Council Member or the drafted piece of legislation-- other examples were provided regarding attorney's representing Metro Council in past investigations
 - Questions were asked regarding whether an amendment should be added to this Resolution to state that first the Metro Council Member should go to JCAO and if JCAO chooses not to approve a piece of legislation Metro Council is then authorized to move forward in seeking a second opinion from outside counsel -- examples were provided -- questions were asked whether Metro Council would be in violation of state statute if this amendment was to be made
 - Concerns were expressed regarding whether outside attorney's would abuse this rule to make additional income
 - It was stated that should a Metro Council Member seek outside counsel they would need to disclose the relationship they have with the attorney they have chosen
 - The rule change states that Metro Council is no longer required to have JCAO approval on legislation

A motion was made by Committee Member Reed, seconded by Committee Member Winkler, that this Ordinance be tabled.

The motion to table carried by a voice vote.
