Checklist

Please submit the completed application along with the following documents

Applications will not be accepted without the following items:

- ☐ **Mailing Labels:** You are required to notify the OWNERS and RESIDENTS of neighboring properties of this application. If the owner does not occupy the property, you must also send notice addressed to the "current resident" at the property address. You must create mailing labels of 1st tier adjoining property RESIDENTS and OWNERS, and to your Case Manager (ask customer service for a "HOW-TO: USER GUIDE" for instructions). Applicant is responsible for mailing.
- ☐ **Copy of Mailing Labels:** Make a copy of the mailing label sheet(s) mentioned above.

To meet the listed requirements, the applicant must provide documentation to substantiate the claim of nonconforming rights. Documentation includes, but is not limited to:

- **Zoning maps** from the time of commencement of the use to the present
- A copy of the **zoning regulations** in effect at the time the use began (selected regulations from 1931 onward are available at <https://louisvilleky.gov/government/planning-design/land-development-code>);
- A copy of official documents for each year of the use's operation including, but not limited to, the following:
 - The **Certificate of Compliance** from the Revenue Commission for each year of the use's operation showing the business name, or otherwise demonstrating on its face the existence of the use-continuous ownership of the property is not sufficient to demonstrate the existence of nonconforming rights*
 - Copies of **utility bills** showing billing information for the use
 - Copies of **tax bills** showing billing information for the use
- Copies of **directory listings** for each year of the use's operation (including telephone directories, Carroll's Poles Directories, business association directories, Criss-Cross Directories, etc.)**
- **Property Valuation Administration (PVA) records**
- **Three notarized affidavits** from individuals attesting to their personal knowledge of the continuous, uninterrupted use of the property for the particular use in question. Affidavits, by themselves, will not suffice as the only evidence of existence for a nonconforming use; in other words, the applicant should submit other evidence along with notarized affidavits. Affidavits must contain specific information as to the affiant's knowledge of the use, and the basis for that knowledge.
- **Other documents** that substantiate the existence of a specific use, or structure on the property, such as newspaper articles or photographs
- Documentation should be provided back to the following year:
 - **1971** for property located within the original boundaries of the City of Louisville prior to merger.
 - **1943** for the remainder of Jefferson County prior to merger.

PLANNING & DESIGN SERVICES

Planning & Design Services shall determine one of the following three conclusions:

1. ***The nonconforming use rights have been established for the property.*** If this is the conclusion, the property owner, or prospective property owner, is advised that any changes made to the use, or structure, shall result in a loss of nonconforming status. Any interested party can appeal the Planning & Design Services' determination to the Board of Zoning Adjustment pursuant to Kentucky Revised Statutes, Section 100.257.
2. ***The nonconforming use rights have not been established for the property.*** If this is the conclusion, the property owner, or prospective property owner, can appeal to the Board of Zoning Adjustment pursuant to KRS 100.257.
3. ***No conclusion has been reached because of insufficient, or conflicting, evidence.*** If this is the conclusion, the property owner, or prospective property owner, can provide additional documentation, or appeal the determination to the Board of Zoning Adjustment pursuant to KRS 100.257.

If staff concludes that nonconforming rights exist, the property owner, or prospective property owner, Planning & Design Services shall issue a statement outlining the nonconforming rights. This statement must be recorded in the chain of title in the Office of the Clerk of Jefferson County, Kentucky to put others on notice of the establishment of nonconforming use.

* *In no case will official documents be accepted as proof where those documents do not specifically reference the use, either through the inclusion of a business name or type, or some other reference that identifies the actual use of the property. Continuous ownership of property does not imply continuous nonconforming use of the property.*

** *It is acknowledged that these directories are often compiled through voluntary participation, and that this often results in incomplete or incorrect information.*
