RE: Cost of Speed Humps/Signage for Glimmer Way

Two (2) Speed Humps x \$4,000.00 =	\$8,000.00
Two (2) Speed Hump signs x \$260.00 =	\$520.00
Total =	\$8,520.00

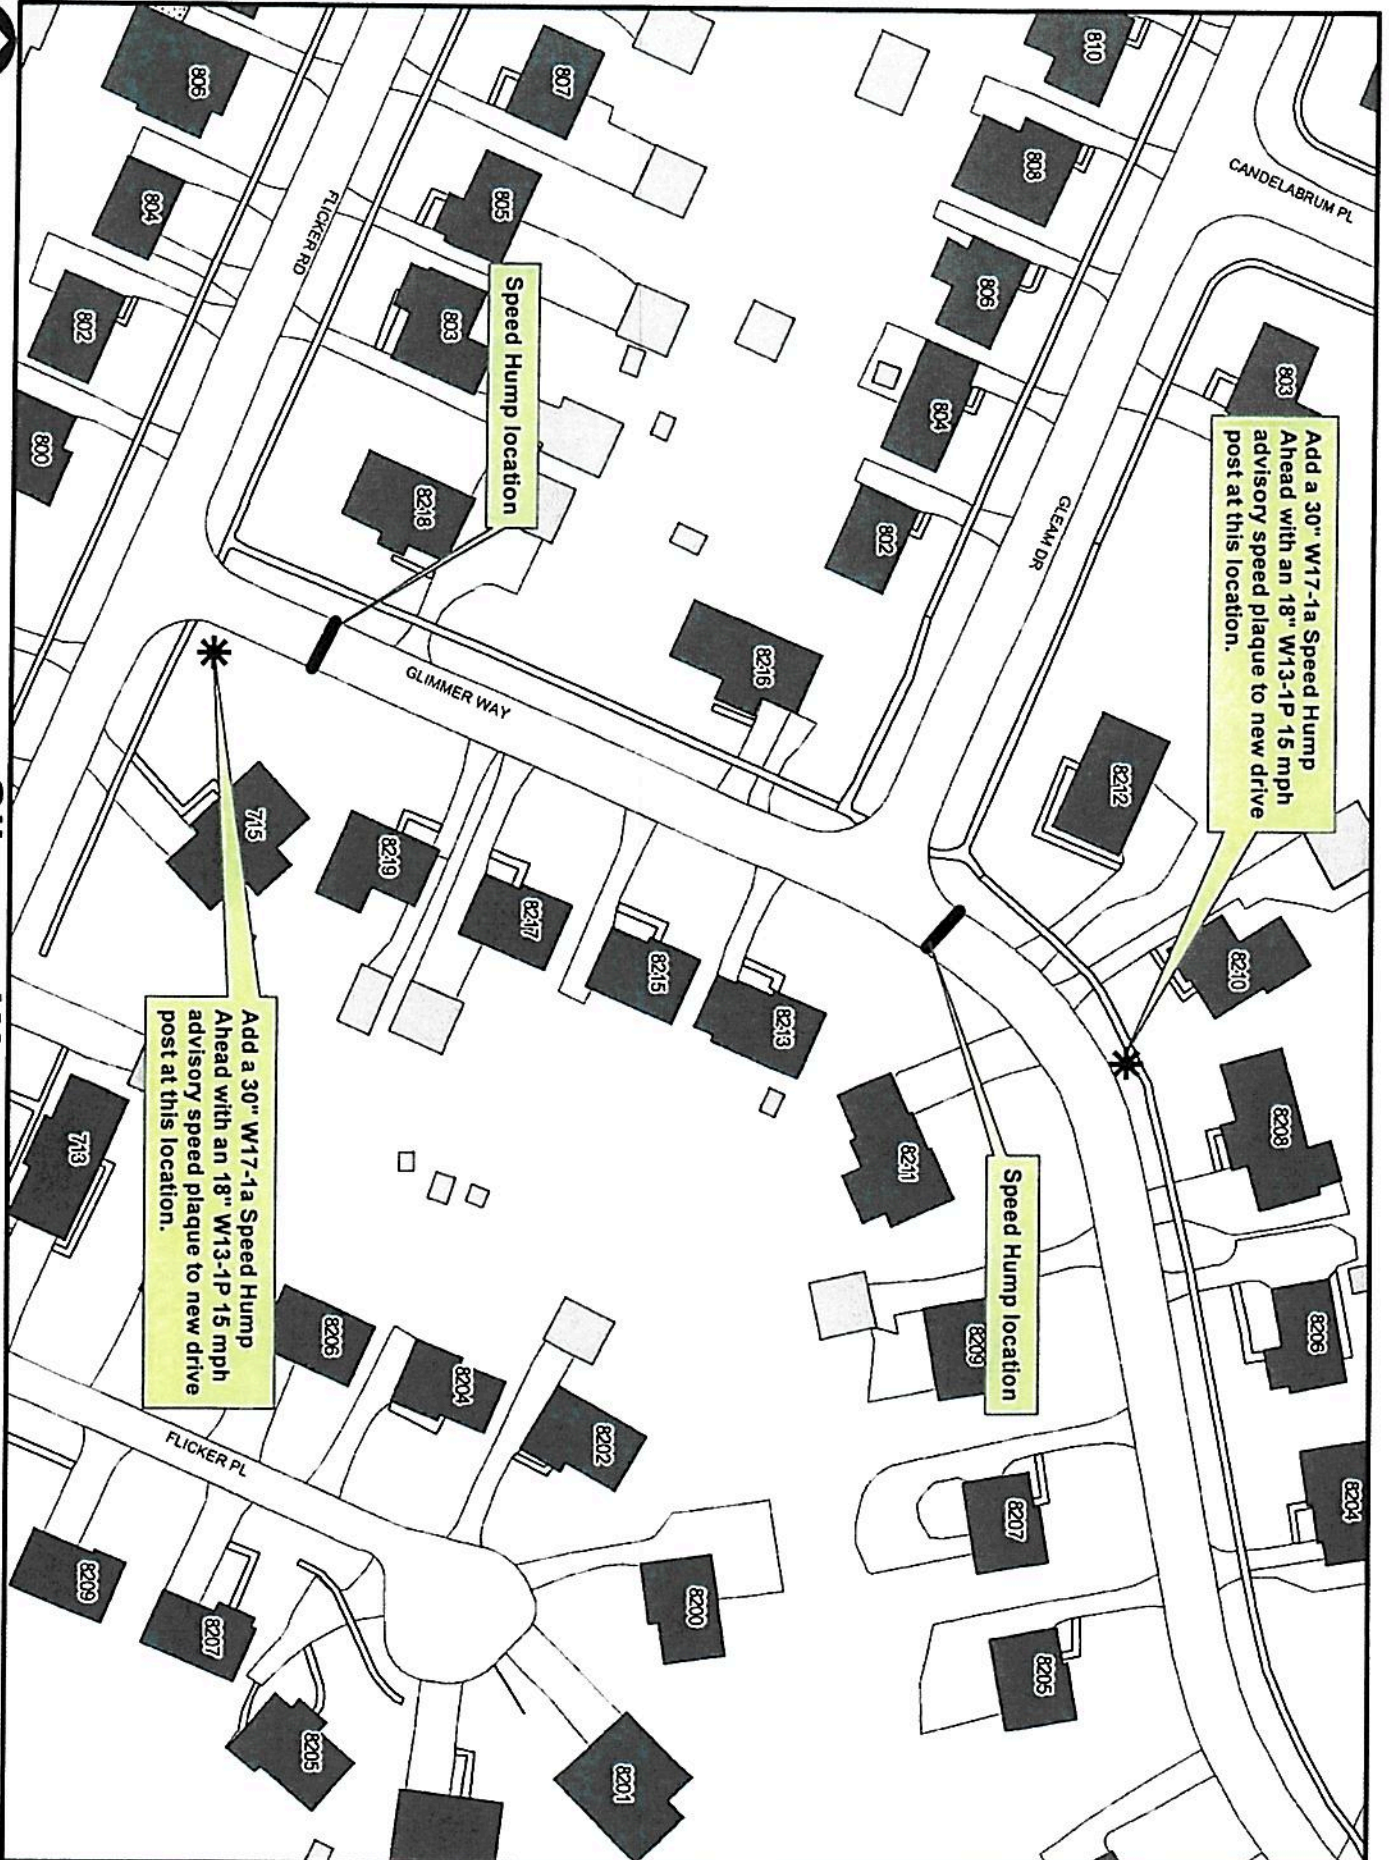

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including markings is \$4,000.00 and each sign is \$260.00. Based on our Engineering Studies, a total of two (2) speed humps and two (2) speed hump signs have been proposed for Glimmer Way, between Flicker Road and base of hill on Glimmer Way. The total "not to exceed" cost is \$8,520.00.

Upon funding approval, the speed humps will be installed as schedule and weather permits.

Please let me know if you have any questions. You may contact me at 574-3882.

Sincerely,

support / oppose the installation of speed humps on our street.

I understand that the speed humps with related signage and street markings may be installed in ~~front~~ of my house and may eliminate my ability to park along the street. I understand that installing speed humps may increase traffic noise and slow response time for Emergency Services.

If installed, I understand that the humps will be only considered for removal after receipt of a petition from a substantial majority (70% or more) asking for their removal along with sufficient funds for their removal. Note that Louisville Metro may remove any or all of the humps at any time for safety reasons at no cost to the adjacent property owners.

Estoy a favor/ o en contra de la instalación de topes/ policías acostados en nuestra calle.

Entiendo que los topes/ policías acostados con sus respectivas señales de tránsito serán instalados en frente de mi casa y podrán eliminar parqueo en la vía pública. Entiendo que la instalación de estos podría aumentar el ruido y retrasar vehículos de Emergencia.

Si son instalados, entiendo que la única forma para considerar removerlos es con una petición con la mayoría de firmas a favor (70% o más) y los fondos suficientes para cubrir el costo de removerlos. Nótese que Louisville Metro puede remover cualquiera de estos en cualquier momento por motivos de seguridad vial a ningún costo para los propietarios
