PREAMBLE

THIS COLLECTIVE BARGAINING AGREEMENT (hereinafter referred to as "Agreement") has been entered into this 24th day of January, 2018 by and between LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT (hereinafter referred to as "Metro Government"), and RIVER CITY FRATERNAL ORDER OF POLICE, LODGE NO. 614 (hereinafter referred to as "Lodge"), by which said parties hereby agree upon the terms and conditions as hereinafter set out, concerning wages, hours and working conditions of certain members of the Louisville Metro Police Department (hereinafter referred to as "LMPD").

ARTICLE 1 – RECOGNITION

Section 1. Metro Government, pursuant to the Ordinance No. 135 Series 2003 and KRS 67C.400 through KRS 67C.418, recognizes the Lodge as the exclusive representative for all non-civilian members of the Louisville Metro Police Department for the purpose of collective bargaining on all matters within the legitimate scope of representation.

Section 2. The Lodge recognizes the Mayor's representative and designee as the sole representative of Metro Government for the purposes of collective bargaining.

Section 3. All Members acknowledge that Metro Government shall consider the positions and the proposals of the Lodge as the bargaining positions and proposals of all Members, individually and collectively, in said unit.

Section 4. As used in this Agreement, unless the context requires otherwise, the term "Members" means sworn employees of the Louisville Metro Police Department in the grades of Captains and Lieutenants.

ARTICLE 2 – SCOPE

This Agreement, pursuant to the Collective Bargaining Ordinance, codified in the Louisville Metro Code of Ordinances, Sections 35.050-35.058 and KRS 67C.400-418, extends to all matters relating to wages, hours, and terms and conditions of employment. This Agreement shall not extend to matters of inherent managerial policy, including, but not limited to, the specific rights set forth in Article 4 herein.

ARTICLE 3 – SUBORDINATION

This Agreement shall, in all respects wherever the same may be applicable herein, be subject and subordinate to all applicable Metro Government ordinances and resolutions, statutes, constitutional provisions and any revisions, amendments or newly adopted provisions to any ordinance, statute or constitutional provision which is in effect upon the effective date of this Agreement or which may be hereafter enacted. Nothing herein shall be construed to prohibit the Chief of Police from promulgating and adopting reasonable rules and regulations not contradictory to the express provisions of this Agreement. Nothing herein shall be construed to

prohibit the Louisville Metro Police Merit Board from adopting rules relating to qualifications, including classification, examination, appointment, probation, promotion, demotion, transfer, layoff, reinstatement, suspension, fine, removal and other disciplinary action not inconsistent with the provisions of KRS 67C.301 to KRS 67C.327. The parties agree that they shall not seek amendment or promulgation of any Merit Board Rule without prior notice to the other party.

ARTICLE 4 -METRO GOVERNMENT RIGHTS

Section 1. The Lodge recognizes the prerogative of Metro Government to operate and manage its affairs in all respects in accordance with its responsibilities, and that the powers of authority which have not been officially abridged, delegated or modified by this Agreement are retained by Metro Government. Specifically, all rights formerly or presently employed by or vested in Metro Government on the effective date of this Agreement not officially abridged, delegated or modified by this Agreement are retained specifically by Metro Government.

Section 2. The exclusive rights of Metro Government include, but are not limited to, the right to:

- a. determine the mission of its constituent departments, divisions, commission, and boards;
- b. set standards of service;
- c. determine the procedures and standards of selection for employment, assignment, transfer, and promotions subject to applicable state law and merit board rules and regulations of the Merit Board;
- d. direct its Members;
- e. take disciplinary action subject to KRS 67C.301 to KRS 67C.327 and rules and regulations established by the Louisville Metro Police Merit Board;
- f. relieve its Members from duty because of lack of work or for other legitimate reasons;
- g. maintain the efficiency of governmental operations;
- h. determine the methods, means, location, and personnel by which operations are to be conducted;
- i. determine the content of job classifications subject to applicable state law and rules and regulations of the Merit Board.
- j. take all necessary actions to carry out its mission in emergencies or otherwise; and
- k. exercise complete control and discretion over its organization and the technology of performing its work subject to the conditions of this Agreement.

Section 3. This Agreement is not intended to restrict consultation with the Lodge regarding matters within the right of Metro Government to determine.

Section 4. Nothing in this Agreement shall be construed as delegating to others the authority conferred by law on Metro Government, or in any way abridging or reducing such authority.

ARTICLE 5 –NONDISCRIMINATION

Section 1. Metro Government will not interfere with or discriminate in respect to any term or condition of employment against any Member because of membership in or legitimate activity as required in this Agreement on behalf of the Members of the Lodge.

Section 2. The provisions of this Agreement shall apply equally to and be exercised by all Members, without discrimination, as prohibited by laws covering employment discrimination on account of disability, age, sex, marital status, race, color, creed, national origin, religion, sexual orientation or political affiliation.

Section 3. The Lodge recognizes its responsibilities as representative to represent all members in the unit without discrimination, interference, restraint or coercion.

ARTICLE 6-MUTUAL OBLIGATION AND PROHIBITION OF STRIKES

Section 1. Metro Government acknowledges the Lodge as the recognized organization representing sworn Members of LMPD as set forth in Article 1, and therefore, shall bargain promptly upon request by the Lodge and continue for a reasonable period of time in order to exchange freely information, opinions and proposals and to endeavor to reach agreement on matters within the scope of representation.

Section 2. The Lodge recognizes Metro Government Mayor as the designated representative of Metro Government and shall bargain promptly upon request by the Mayor and continue for a reasonable period of time in order to exchange freely information, opinions and proposals and to endeavor to reach agreement on matters within the scope of representation.

Section 3. The Lodge shall neither cause nor counsel any Member to engage in, encourage, sanction or support any work stoppage, mass absenteeism, slowdown, mass resignation, strike or any other type of concerted activity. In the event any Member(s) violates this Article, Metro Government shall immediately notify the Lodge. The Lodge shall immediately notify the Member(s) in writing to cease and desist from such activity and will exercise all reasonable action necessary to cause said Member(s) to return immediately to their normal duties. Member(s) who engage in such activity shall be subject to disciplinary action up to and including discharge. In the event the Lodge complies with its obligations herein, the Lodge shall not be liable to Metro Government for damage cause by the strike. It is understood that this section does not limit Metro Government from any other remedies provided by law.

ARTICLE 7 - LODGE SECURITY

Section 1. Membership in the Lodge is not compulsory. Members have the right to join or not join and neither the Lodge nor Metro Government shall exert pressure or discriminate against a Member regarding such matters. Members in the bargaining unit who do not join the Lodge, however, shall be required to pay their fair share of the cost of representation by the

Lodge, the amount of which shall be determined as set forth in Metro Louisville Code of Ordinance Section 35.056.

Section 2. Lodge Membership dues and fair share dues shall be deducted monthly in an amount certified by the Lodge. Members wishing to revoke their Lodge Membership must notify Metro Government and the Lodge expressly and individually, in writing by certified mail, within twenty (20) days following the effective date of this Agreement that such dues are not to be deducted. The fair share fee shall be deducted from Members' wages and remitted to the Lodge, with or without written authorization by the Member. The date for the commencement of the fair share deduction shall be determined by the Lodge with appropriate advance notice given to Metro Government and affected Members.

Section 3. Lodge membership dues and fair share fees shall be transmitted to the Treasurer of the Lodge by the fifteenth (15th) day of the succeeding month after such deductions are made. The Lodge shall annually certify, in writing, the current and proper amount of its membership dues or fair share fees at least thirty (30) days prior to the initial deduction. The Lodge shall notify Metro Government of the cost of representation by the Lodge and the date for the commencement of the fair share deduction at least thirty (30) days prior to the initial deduction.

Section 4. Metro Government agrees to deduct from the wages of any Member, any such sums of money as requested by said Member, as long as it is a continual or regular deduction, on a form authorized by Metro Government and the Lodge. Such authorization shall be allowed in any amount certified by the Lodge or requested by the Member.

Section 5. Members who are included in the collective bargaining unit but decline Membership in the Lodge shall contribute to the financial support of the Lodge by payment of a fair share fee, which shall be automatically deducted from the wages of the individual Member.

Section 6. The Lodge shall hold Metro Government harmless against any claims, legal or otherwise, which may arise from these dues or fair share deduction provisions.

ARTICLE 8 -LODGE BUSINESS

Section 1. The Lodge may select not more than five (5) persons and the Lodge President to represent the Lodge in the negotiation of collective bargaining agreements during working hours without loss in compensation. The persons so designated shall be allowed a reasonable time off without loss of compensation to prepare proposals, collect data, meet with counsel and/or committee Members and consultants for the purposes of expediting good faith negotiations. The Lodge shall provide prior notice to the Chief of Police of the dates and times needed to conduct business relating to negotiations between Metro Government and the Lodge; provided, however, if the Lodge desires to conduct business more than one hundred eighty (180) days prior to the expiration date of this Agreement, the Lodge will provide fourteen (14) days written notice to the Chief of Police. The Chief of Police shall be notified by the Lodge in writing of any substitutions or replacements of designated persons.

Section 2. Grievances

A maximum of one (1) Member shall be granted leaves without loss of compensation at straight time only for the purpose of meeting with other Metro Government employees or officials in order to process grievances on behalf of Members and/or in order to assist in presenting any cases covered by this Agreement in arbitration proceedings. The name of the Member and the amount of time spent on grievance activities shall be reported in writing within ten (10) days to the Chief.

Section 3. Coordination of Lodge Business with Officers and Sergeants

The parties agree that Lieutenants under this Agreement shall be eligible to participate in Lodge Business in the same manner as the Members under the Collective Bargaining Agreement between Louisville Jefferson County Metro Government and River City Fraternal Order of Police Lodge No. 614, being the same Collective Bargaining Agreement ("Agreement") entered into beginning July 1, 2011 and ending June 30 2018, affecting police Officers and Sergeants, and specifically Article 8 Sections 3, 4, 5, 6, 8, and 9, attached hereto for information purposes at Appendix 3. Provided however, the numbers of Members allowed time off with or without pay and the amount of time of any such authorized leave shall be inclusive of the Members herein and not in addition to the amounts set out in that Agreement. Members under this Agreement shall participate in the annual leave/holiday reduction as set forth in Article 8; Section 4(A) of the CBA affecting police Officers and Sergeants and shall continue to participate in the event there is no agreement in place for police Officers and Sergeants. In the event there is no agreement in place for police Officers and Sergeants, the Lieutenants under this Agreement shall continue to be eligible to participate in Lodge business as detailed in Appendix 3 as if it were still in place.

ARTICLE 9-SENIORITY

Section 1. The seniority of a Member shall commence on the first date of employment as a Louisville Metro Police recruit or Officer. Any Member hired prior to the effective date of this Agreement shall maintain his or her seniority as of the effective date of this Agreement. Any Member hired after the effective date of this Agreement may be given credit for prior employment with another law enforcement agency, including LMPD, the former Jefferson County Police Department, and the Louisville Division of Police for all employment for a maximum of five years for purpose of salaries and annual leave accrual. In order to receive credit for prior employment with another law enforcement agency for the purpose of this Article an individual must meet the minimum requirements for hire as a lateral entry police Officer as set by the Police Merit Board, and have at least twelve months of law enforcement service as a full time sworn police Officer in the United States, and have completed the Kentucky Law Enforcement Council's (KLEC) approved required basic training course, or an approved equivalent from another state's academy. No credit shall be given for prior service with another law enforcement agency for purposes of promotions. Any Member hired who was previously employed as a police cadet shall not receive seniority credit for time served as a police cadet. Any Member hired with prior employment with Metro Government in any other Department or agency shall be given credit for previous Metro Government employment for purposes of vacation accrual only unless otherwise specified herein.

Section 2. Seniority shall be considered continuous unless the Member is:

- (a) Discharged for cause after all appeals have been exhausted.
- (b) Laid off for more than two (2) years.
- (c) Fails to return to work within thirty (30) days without just cause after recall subsequent to a lay-off.
- (d) Voluntarily resigns: except if a Member returns to work within one (1) year after voluntary resignation and works one (1) full year thereafter, his or her seniority shall be deemed continuous, less such time as he or she was not a Member of the Louisville Metro Police.
- (e) Retired and returns to work.

Section 3. Metro Government shall furnish the Lodge on a semi-annual basis a seniority list based on hire date as a Louisville Metro Police recruit or Officer.

ARTICLE 10 – ASSIGNMENTS

Section 1. Patrol Platoon Assignment

A. Platoon assignments for the rank of Lieutenant in all Divisions and the Traffic Unit (if applicable) will be based on the Member's most recent promotional date (seniority in grade). In the case of "ties", promotion date to the rank of Sergeant will be the determining factor. In the event the date of promotion to the rank of Lieutenant and Sergeant for two (2) or more Lieutenants is the same, departmental seniority will be the determining factor. In the event the date of promotion to Lieutenant and to Sergeant and departmental seniority for two (2) or more Lieutenants is the same, the conflict will be resolved by a coin toss in the presence of the affected Members or a FOP representative.

- a. If a Lieutenant has been demoted and he attains the rank of Lieutenant again, his seniority in grade shall commence on the date of his most recent promotion.
- b. If a Captain or above is demoted to the rank of Lieutenant, he shall be covered under the provision of this CBA upon the effective date of his demotion. Upon being demoted his seniority in grade as a Lieutenant shall begin on the date that he was initially promoted to the rank of Lieutenant.

B. The procedure for making platoon assignments is:

- i. Metro Government shall post Lieutenant vacancies in the Division or Traffic Unit affected for a period of not less than ten (10) days prior to the assignment being filled.
- ii. If more than one shift has a vacancy or will have a vacancy through reassignment of eligible Lieutenants to the first applicable posted position(s), all vacancies will be posted at one time.
- iii. A Lieutenant may not bid on a vacancy for sixty (60) days following his physical transfer into a Division or the Traffic Unit.
- iv. A Division or Traffic Unit platoon Lieutenant vacancy occurs upon the effective date of a Lieutenant's transfer, retirement, promotion, resignation, demotion or termination.

Section 2. Other Assignments

- A. Lieutenant positions other than those in the Patrol Division and Traffic Unit Platoons must be posted for a minimum of ten (10) days.
- B. Position Vacancies: Division commanders shall notify the Chief of Police, or designee, when a vacancy exists in his/her unit. Once approved, a position vacancy announcement will then be posted to all Lieutenants.
- C. Lieutenants shall indicate their interest in the posted position by notifying the appropriate division commander, bureau commander or Deputy Chief in the method indicated on the position posting. Documents received after the posting expiration date will not be accepted or considered.

Section 3. Highly Sensitive Positions

In selected highly sensitive positions, the Chief reserves the right to appoint the selectee to the position without posting the vacancy. Examples of highly sensitive positions include Lieutenants assigned to Public Information Officer, Public Integrity Unit, Professional Standards Unit, administrative assistants to the Chief, Deputy Chiefs or Assistant Chiefs and any other highly sensitive positions as designated by the Chief. This will only be done in special circumstances.

Section 4. Other Transfers

- A. Inter-Division voluntary transfers shall be made at the discretion of the Chief.
- B. Intra-Division platoon transfers shall be subject to the provisions of Article 19.

Section 5. Transfers of Captains

The Chief of Police may assign and/or reassign Captains at his discretion.

ARTICLE 11 - PROMOTIONAL VACANCIES

Section 1. Promotional vacancies that are within the classified service regulated by the Louisville Metro Police Merit Board shall be filled on a permanent basis within sixty (60) days after the vacancy occurs unless the position is eliminated. Such vacancy shall be filled in accordance with all Merit Board rules and regulations.

Section 2. A vacancy shall be deemed to exist when a position in the classified service is vacant due to demotion, death, resignation, retirement, promotion, termination or creation of a new position. The Chief of Police shall notify the Lodge in writing within seven (7) days when a vacancy as set forth herein occurs.

Section 3. Metro Government shall provide written notice to the Lodge that a Lieutenant position will not be filled by promotion before a vacancy occurs. Metro Government shall provide written notice to the Lodge that a Captain position will not be filled by promotion within seven (7) days of a vacancy.

Section 4. Metro Government and the Lodge shall meet to discuss any proposed changes to the promotional process including, but not limited to, examinations and selection processes.

Section 5. Any employee of the Department who assists or participates in the development of the written examination and/or job simulation or grading or evaluating of promotional applicants shall be prohibited from discussing or disseminating any and all questions and/or answers with any promotional applicant. No employee of the Department will have access to or participate in the development of the entire examination and/or entire job simulation.

Section 6. A Member may change a scheduled off day to sit for a written promotional exam or participate in an assessment center with ten (10) days' prior notice and approval of the Member's immediate supervisor. Such request shall not be arbitrarily denied without just cause.

ARTICLE 12- GRIEVANCE PROCEDURE

Section 1. Any controversy between Metro Government and the Lodge concerning the meaning and application of any provisions of this Agreement shall be adjusted in the manner set out below. Both parties agree that disciplinary matters are not subject to the grievance procedure contained in this Agreement. All disciplinary matters shall be appealed pursuant to state statute and the rules and regulations of the Louisville Police Merit Board. The Lodge or any Member may file a grievance and shall be afforded the full protection of this Agreement and the right to legal counsel.

Section 2. A Member filing a grievance shall be allowed Lodge representation consisting of one (1) person on the Lodge committee and/or legal counsel at all grievance meetings. The following rules for the presentation and solution of grievances or requests are prescribed:

Step 1. The grievance shall be brought to the attention of the Member's most immediate supervisor who is not a Member of the bargaining unit within fourteen (14) days from the time circumstances giving rise to the grievance occurred. The grievance shall be in writing, dated and signed by the Member. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the specific provisions of the Agreement allegedly violated, and the relief requested. The supervisor shall discuss the grievance with the Member within ten (10) days after the date presented. If the grievance is resolved as a result of such a meeting, the settlement shall be reduced to writing and signed by the supervisor and the Member. If no settlement is reached, the supervisor shall give a written answer to the Member and the Lodge within seven (7) days following their meeting.

Step 2. If the Member is not satisfied with the answer obtained in Step 1, he may appeal the grievance in writing to the Chief of Police; provided that the appeal is presented within seven (7) days after receipt by the aggrieved of the Step 1 answer. Within fourteen

(14) days after receipt of the appeal, the Chief of Police or his designee shall discuss the grievance with the aggrieved Member and the Lodge and give the aggrieved Member his answer in writing within seven (7) days after holding such meeting.

Step 3. If the aggrieved is not satisfied with the answer obtained in Step 2, he may appeal his grievance to the Mayor within seven (7) days after the receipt of the aggrieved party or the Lodge of the Step 2 answer. Within ten (10) days after receipt of the appeal, the Mayor or designee shall discuss the grievance with the aggrieved, and shall answer it in writing within seven (7) days after holding said meeting.

Step 4. If the aggrieved or the Lodge is not satisfied with the answer obtained in Step 3, either may seek advisory arbitration within fourteen (14) days after the receipt by the aggrieved of the Step 3 answer. The Lodge shall notify Metro Government of its intention to proceed to arbitration by notice to the Louisville Labor Management Committee or the Federal Mediation and Conciliation Service (FMCS) of the intent to proceed to advisory arbitration and a request for a submission of a list of arbitrators. An arbitrator shall be selected by each party, the Lodge and Metro Government, alternatively striking a name from the panel submitted by the Louisville Labor Management Committee or the Federal Mediation and Conciliation Service (FMCS) with the Lodge having the right to strike first. The parties shall meet for the purpose of striking names from the panel within fourteen (14) days of receipt by both parties of the panel from which an arbitrator is to be selected. The expenses, wages, and other compensation of any witness called before the arbitrator shall be borne by the party calling such witnesses. Other expenses incurred, such as wages of participants, preparation of briefs and data to be presented to the arbitrator, shall be borne separately by the respective parties. Notwithstanding the above, all on duty sworn LMPD employee witnesses or participants shall receive their regular compensation from Metro Government. Any Member who is required by the Department or Metro Government to appear and/or testify at an arbitration proceeding at a time outside of the Member's regularly scheduled hours of work shall be paid a minimum of three (3) hours. If these hours are in excess of a regular work day of eight (8) or ten (10) hours or a regular forty (40) hour work week, the Member shall be paid at a rate one and one-half (1 ½) times his regular rate of pay for these hours. The arbitrator's fee and expenses and cost of any hearing room shall be borne equally by each party. The powers of the arbitrator are limited as follows: the arbitrator shall have no jurisdictional right to alter, amend, modify, disregard, add to or subtract from or change in any way any term or condition of this Agreement or to render an award which is in conflict with any provision of this Agreement. The arbitrator shall consider only the specific issue or issues submitted to him and shall confine his decision to a determination of the facts and an interpretation and application of this Agreement.

Section 3. If a grievance is not presented within the time limits set forth in this Article, the grievance shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any extension thereof, it shall be considered settled on the basis of Metro Government's last answer. If Metro Government does not answer a grievance or an appeal thereof within the specified time limits, the Member or the Lodge may elect to treat the grievance as denied at the step and immediately appeal the grievance to the next step. The time

limit in each step may be extended by mutual agreement of Metro Government and the Lodge representative(s) involved in each step.

Section 4. The grievance procedure contained in the Collective Bargaining Agreement is the sole and exclusive means of resolving all grievances arising under this Collective Bargaining Agreement.

ARTICLE 13 - STANDARD OPERATING PROCEDURE

Section 1. Metro Government has the right to promulgate reasonable rules and regulations, including disciplining Members, not inconsistent with the express provisions of this Agreement.

Section 2. No changes in the Standard Operating Procedures of the Louisville Metro Police Department shall be effective until they have been posted on bulletin boards (including the intranet) in all departments for a period of ten (10) calendar days. Any change shall be forwarded to the Lodge ten (10) days prior to the effective date.

ARTICLE 14 - CONDITIONS OF EMPLOYMENT

Section 1. A Member shall not be required to take a polygraph examination as a condition of continued employment.

Section 2. A Member shall be required to submit to a blood test or urinalysis under the conditions set forth in Appendix 1, Drug Testing Policy and Procedures.

Section 3. Metro Government agrees not to use electronic surveillance equipment in the investigation of a Member.

Section 4. No Member shall be required as a condition of continued employment to carry any firefighting equipment or apparatus while on duty except for fire extinguishers or technological replacements thereof, assigned to patrol vehicles. This section shall not be construed to prohibit a Member from performing or assisting in the performance of customary and ordinary firefighting duties or responsibilities in emergency situations.

Section 5. There will be no layoff of Members for the duration of this Agreement.

ARTICLE 15 - HEALTH AND SAFETY

Section 1. The Department will take reasonable precautions to safeguard the health and safety of the Members during their hours of work and maintain reasonable standards of safety and sanitation, and the Lodge and all Members shall cooperate in all matters concerning the health and safety of Members.

Section 2. No Lieutenant shall be scheduled for pre-planned event details or otherwise without a minimum of ten (10) hours between details or regular work shifts unless the Chief deems an emergency exists. Investigative units that utilize flexible work schedules are exempt from having ten (10) hours between scheduled work shifts. Members shall be paid at the applicable overtime rate for each hour or portion thereof that is worked in violation hereof. The overtime rate for the applicable hours shall be applied to the first available straight time hours worked following the violation.

Section 3. The Department will make available at each Division on a twenty-four (24) hour basis the following equipment: personal protection equipment (PPE) kit items; OC canisters; air tanks for refilling; pepper ball air canisters; ECW cartridge reloads; and necessary equipment and supplies for sanitizing Departmental equipment. A Member shall be permitted to obtain said equipment with the permission of the Member's commanding Officer.

Section 4. The Department shall inspect and replace, if necessary, gas masks and filters on a periodic basis.

Section 5. Metro Government shall provide a Member with replacement body armor and vest that meets or exceeds current National Institute of Justice (NIJ) body armor standards, before or within ninety (90) days after expiration, at no cost.

Section 6. Metro Government shall issue all Members a Kevlar riot helmet with an affixed face shield.

ARTICLE 16 - MILITARY LEAVES

Section 1. Members who are also members of the National Guard or of any reserve component of the Armed Forces of the United States, shall be entitled to leave of absence from their respective duties, without loss of time, pay, regular leave, or of any other rights or benefits to which they are entitled, while in the performance of duty or training in the service of this state or of the United States under competent orders as specified in this section. In any one (1) federal fiscal year, Members, while on military leave, shall be paid their salary and fringe benefits for a period or periods not exceeding twenty-one (21) calendar days. Any unused military leave in a federal fiscal year shall be carried over to the next year. Any unused military leave shall expire two (2) years after it has accrued.

Section 2. Should a Member be inducted or enlisted into active duty in the Armed Forces of the United States, he or she shall be granted a leave of absence, without pay, for the duration of his or her original term of service. He or she shall accrue seniority the same as he or she would under continuous employment in the Louisville Metro Police department, provided, however, that upon his or her return to duty with the LMPD, he or she successfully completes any applicable probationary period. A Member who is ordered to active duty and serves a minimum of six (6) months in the Armed Forces of the United States shall upon return be credited with eighty (80) hours of annual leave.

Section 3. A Member inducted into active duty with, any Reserve Unit or the National Guard for a period in excess of thirty (30) days shall be eligible for continuation of medical (dental, vision, or any other) insurance at the same level as active Members at the same cost as active Members.

Section 4. A Member ordered to active duty shall receive pay and benefits as specified below:

- A. The Member shall retain all vacation time accrued prior to the beginning date of Member's issued order to active duty. No Member shall be forced to take, use, or burn vacation, personal or other leave time while on active duty with the Armed Forces of the United States.
- B. Members on military leave that appear on active Louisville Metro Police Merit Board promotional eligibility lists, shall be considered for promotional vacancies consistent with Police Merit Board rules and Kentucky law.

ARTICLE 17 - DISCIPLINARY PROCEDURE AND BILL OF RIGHTS

Section 1: Receipt of Complaints

- A. Any complaint taken from any individual alleging misconduct or rule violations on the part of any Member, shall be taken as follows:
 - i. If the complaint alleges criminal activity on behalf of a Member, the allegations may be investigated without a signed, sworn complaint of the individual;
 - ii. If the complaint alleges abuse of official authority or a violation of rules and regulations of the department, an affidavit, signed and sworn to by the complainant, shall be obtained;
 - iii. If a complaint is required to be obtained and the individual, upon request, refuses to make allegations under oath in the form of an affidavit, signed and sworn to, the department may investigate the allegations, but shall bring charges against the Member only if the department can independently substantiate the allegations absent the sworn statement of the complainant;
 - iv. Nothing in this section shall preclude the department from investigating and charging a Member both criminally and administratively.
 - v. The complaint procedure as defined in KRS 15.520 and this Agreement shall be explained to the complainant by a LMPD commanding Officer or Professional Standards Unit (PSU) investigator.
 - vi. If the complainant elects to file a formal complaint, the complaint shall be taken in the form of an affidavit, signed and sworn to by the complainant.
 - vii. If the complainant declines to file a formal complaint, a complaint inquiry form shall be completed. The commanding Officer or the PSU investigator shall record as many specifics as possible.
 - viii. If the complainant declines to file a formal complaint under oath, the PSU shall do one of the following:
 - a. Complete a complaint inquiry form and forward to the Chief's Office if the allegations involve criminal activity.

- b. Complete a complaint inquiry form if there is information independent of that obtained from the citizen substantiating the allegations of misconduct.
- c. Handle the complaint in an informal manner. In these cases, no investigative paperwork is entered into a Member's personnel file.
- ix. The complaint inquiry form shall be maintained solely and exclusively by the PSU. The contents of this information shall be transmitted to the Chief or his designee for appropriate handling. If the Chief or his designee directs an investigation, the procedures outlined in KRS 15.520 and this Agreement shall be followed. If no investigation is directed by the Chief or his designee, the complaint inquiry form shall be destroyed ninety (90) days after receipt.

Section 2: Manner of Investigation

- A. No Member shall be subjected to interrogation in a departmental matter involving alleged misconduct on his or her part, until forty-eight (48) hours have expired from the time the request for interrogation is made to the accused Officer, in writing. The interrogation shall be conducted while the Officer is on duty. The police Officer may be required to submit a written report of the alleged incident if the request is made by the department no later than the subject Officer's next tour of duty after the tour of duty during which the department initially was made aware of the charges. Intended period of absence from work must be indicated. When the need to be absent is known, the Member will be expected to advise the Chief of Police in writing at the earliest possible time. Absence without reason may result in disciplinary action. The giving of false reasons for an absence shall result in disciplinary action. Leaves of absence will not interrupt service time. The Member shall be returned to the same or equal employment, unless circumstances of the agency have so changed as to make it impossible or unreasonable to do so. Leave of absence shall be without pay and benefit accrual unless otherwise directed by the Chief. All applicable paid time off must be exhausted prior to the leave becoming unpaid. Members returning from a leave of absence may be required to undergo a fitness for duty evaluation process and if returned to duty will be assigned based on the needs of the department.

ARTICLE 31 - SICK LEAVE

Section 1.

A. Members shall request paid sick leave of the Chief of Police or his duly authorized representative. The Chief or his duly authorized representative shall not unreasonably or arbitrarily deny paid sick leave. Sick leave with pay shall be granted to Members when they are unable to perform their duty because of sickness or injury.

B. There shall be no limit on the amount of paid sick leave the Chief may authorize, however, Members on extended paid sick leave are required to report on their status in writing to the Chief of Police every thirty (30) days, including a medical certification of their diagnosis and prognosis, and the medical necessity for the continued use of sick leave.

C. A Member who is absent from work for three (3) or more consecutive work days or where the Unit/Division Commander has reasonable suspicion to believe an abuse of sick

leave may be occurring, may be required to provide a medical statement from his treating physician.

D. Proof of abuse of paid sick leave privileges may constitute grounds for disciplinary action including dismissal.

Section 2. It is the intent of this Article to provide sick leave for eligible Members; however, it is understood that during the time when a Member uses sick leave in excess of a calendar working month, he shall not accrue nor be compensated for holidays or other monetary allowances; and it is further understood that during the time when a Member uses sick leave in excess of six (6) weeks, he shall not accrue or be compensated for annual leave.

Section 3. A Member who is unable to report for duty because of illness, injury, prescribed medication or treatment shall immediately notify his/her commanding Officer or other competent authority as designated by the Unit Commander upon determining the need to be absent from duty. This notification should be made at least one (1) hour prior to the scheduled reporting time.

Section 4. Light Duty

A. It is the responsibility of a Member to advise the Office of the Chief of Police through the appropriate chain of command of an inability to perform all job functions required of active duty status. Notice of the Member's inability to perform all job functions required of active duty status must be made in writing, clearly stating the reason the Member is not able to physically, mentally, or emotionally perform the duties required of active duty status. The Chief of Police retains the sole discretion to approve or deny requests for "light duty" status. Metro Government may require Members on sick leave to work in a light duty capacity, subject to a review and/or medical examination by competent medical authority of Metro Government's choosing and at Metro Government's cost. Metro Government may require Members that were injured in the line of duty to work in a light duty capacity, following a review and/or medical examination by competent medical authority of Metro Government's choosing and at Metro Government's cost. In the event a Member's physician disagrees with Metro's physician regarding the Member's ability to work light duty, the Member may grieve the finding of Metro's physician directly to Step 2 of the grievance process outlined in Article 12 – Grievance Procedure. During this grievance, the Member may submit a detailed opinion from a third physician of the Member's choosing and at their expense. The Chief will consult with Metro's physician before rendering a decision. The Member may not be required to work light duty following a decision by the Chief while the Member progresses through the remaining grievance steps, however, in the event the Member decides not to appeal to the next step, or the arbitrator determines the Member was able to work light duty, the Member will be charged vacation hours for sick leave or injury leave used following Step 2 of the Grievance Procedure.

B. "Light duty" status permits a Member who is unable to perform all job functions, but is not so disabled as to warrant sick leave, to return to work at less-than-full duty while recovering. For purposes of this directive, conditions justifying assignment to "light duty" status include, but are not limited to, any disability rendering it medically unsafe for a Member to perform full job functions and for a sworn Member to perform full police functions.

C. Members on "light duty" status shall report in writing to the Chief of Police every thirty (30) days of their status, including a medical certification of their diagnosis and prognosis.

When a Member's physician certifies in writing that the Member is able to perform all job functions and return to active duty status, the Member shall notify the Office of the Chief of Police in writing, including all pertinent medical certification. Upon review of the Member's request, the Chief of Police shall notify the Member whether (1) the request to return to active duty is authorized or (2) more information is required prior to an authorization for return to active duty.

Section 5. Sick leave with pay may be granted at the discretion of the Chief to a Member in case of illness or disability in the Member's immediate family reasonably requiring the presence of the Member. The immediate family of the Member for the purpose of this section shall include parents, spouse and children.

Section 6. Maternity and Paternity Leave

- A. Members shall be granted six (6) weeks of paid maternity leave. Members requiring additional leave for medical reasons must submit a physician's statement to the Division/Unit Commander including the medical necessity for additional use of sick leave.
- B. Members shall be granted up to seven (7) days of paid paternity leave. Members requiring additional leave for family medical reasons shall refer to Section 5 above.
- C. Members adopting a child shall be granted up to seven (7) days of paid adoption leave at the Chief's discretion. If both parents are Members of the Department, each Member may have up to seven (7) days at the Chief's discretion.

ARTICLE 32 - IN-LINE-OF-DUTY INJURIES AND DEATH IN-LINE-OF-DUTY

Section 1. The Metro Government agrees to pay medical and hospital expenses required for the treatment and rehabilitation of in-line-of-duty injuries and disabilities resulting from an in-line-of-duty injury sustained by Members; provided, however, that such payment is to be made only in excess of, or if not otherwise paid by, all applicable hospital, medical and worker's compensation insurance, or other remunerative process.

Section 2. The term in-line-of-duty injuries shall be construed to mean those injuries sustained by Members when in actual performance of their duties during normal duty hours. It shall also include those injuries sustained not during normal duty hours; provided, however, that the Member was acting within his scope of employment when such injury occurred.

Section 3. In the event a Member should receive service disability injuries rendering him temporarily unable to perform his duties, he shall continue to receive his salary at his regular rate of pay for a period not to exceed one (1) year; provided, however, that the Member endorse and turn over to the Metro Government any worker's compensation income benefits due or received. In the event that the Member's injuries or disability is not temporary, the Member shall, at the earliest time, apply for disability retirement, early retirement or normal retirement. Metro Government reserves the right to require the Member to provide evidence to support the need for

the Member's inability to return to work as a result of the in-line-of-duty injury, such as a medical statement from the Member's treating physician establishing either an expected return to work date or a firm follow-up visit with the physician, and/or to require examination of the Member by a reputable physician of Metro Government's choosing at Metro Government's cost.

Section 4. In the event that a Member dies as a result of service connected cause, the Metro Government shall pay to the beneficiary designated by the Member or in the event there is no designated beneficiary, then to the Member's estate, in addition to applicable pension benefits, and in supplement to any Worker's Compensation income benefits and Social Security benefits which may be due, in lump sum, an amount equal to twelve (12) months of the Member's rate of pay on the salary schedule attached to this Agreement.

Section 5. It is understood that the intention of Section 4 is to compensate dependents in the event of death of a Member causally related to his service as a police Officer as distinguished from the normal hazards to which general Members of the public are exposed. The presumptions contained in KRS 79.080 are incorporated herein.

Section 6. In the event that any supplementary payment is made under this Article, and subsequent Worker's Compensation income benefits are paid to the Member or his widow or dependents for the period for which payment under this Article has been made, the Member or his widow or dependents shall refund to the Metro Government an amount equal to any Worker's Compensation income benefit received for a period for which the salary of the Member has been paid by the Metro Government under this Article. However, it is understood between the parties hereto that the obligation to refund Worker's Compensation income benefits shall apply only to those benefits that accrued for the periods during which Metro Government has paid the Member's salary. Repayment shall not be required from any award received representing monies paid for residual or permanent injury, be it total or partial, for any period for which the salary of the Member has not been paid by the Metro Government.

ARTICLE 33 - HEALTH INSURANCE

Section 1. Health Insurance Plan Effective July 1, 2013

- A. In addition to health insurance plans available to all Metro Government employees (hereafter "non-FOP plans") that are also available to Members, Metro Government shall offer Members the option to enroll in a hospital and medical coverage health insurance plan only available to Members (hereafter "FOP-only plan"). The benefits of the FOP-only plan shall be the same as the benefits and coverage offered to FOP Members in Health Plan Year 2013 (July 1, 2012 – June 30, 2013).
- B. Effective July 1, 2013, the Member shall pay the following for monthly premiums:

Employee only	\$40	\$40
Employee + Child(ren)	\$60	\$40

Employee + Qualified Adult	\$60	\$40
Employee + Spouse + Child(ren)	\$100	\$50
Employee + Qualified Adult & Child(ren)	\$100	\$50

Section 2. Health Insurance Plan for Members Hired After July 1, 2013

The health insurance benefit plans available to all Metro Government employees (the "Metro Plans") are the benefit plans, and only benefit plans available to FOP Members hired on or after July 1, 2013. Members hired on or after July 1, 2013 will pay the same premiums available to all other Metro Government employees.

Section 3. Patient Protection and Affordable Care Act (PPACA)

In order to comply with the Patient Protection and Affordable Care Act (PPACA) and applicable IRS regulations, Louisville Metro Government reserves the right to align its plan designs and rates to remain compliant with mandated healthcare reform, PPACA and IRS regulations.

ARTICLE 34 - CLOTHING AND EQUIPMENT ALLOWANCES

Section 1. Members shall receive an annual clothing allowance of fifteen hundred dollars (\$1,500.00), payable in quarterly payments by separate direct deposit, beginning July 1 of each fiscal year. Provided, however, that such allowance shall not begin until six (6) months after distribution of the initial issue of clothing and further, that after such six (6) months the allowance shall be prorated for the first quarter depending on the time when the six (6) month period ends.

Section 2. Members shall receive an annual equipment allowance of nine hundred dollars (\$900.00) payable in quarterly payments by separate direct deposit, beginning July 1 of each fiscal year. Provided, however, that such equipment allowance shall not begin until six (6) months after distribution of the initial issue of equipment and further, that after such six (6) months the allowance shall be prorated for the first quarter depending on the time when the six (6) month period ends.

Section 3. If a Member has been assigned to a non-uniform function for three (3) years or longer requiring the exclusive wearing of civilian clothing (rather than a uniform) and thereafter is transferred to a uniform function, Metro Government will pay such Member upon transfer seven hundred fifty dollars (\$750.00) for uniform replacement as needed.

Section 4. Metro Government will furnish a Member covered by this Agreement with new articles of clothing or equipment to supply or replace any portion of the official uniform or equipment that are added or changed in design.

No such request shall be submitted unless and until all other avenues of reimbursement have been exhausted, including criminal court orders, restitution and insurance. All such requests shall carry the Member's certification that no other reimbursement or indemnity for the same property has been claimed, received, or is applicable, and that any reimbursements made by Metro Government shall be prepaid if reimbursement, restitution, insurance or other indemnity is received at any time by the Member for the loss claimed.

Upon receipt of any such request, the Chief shall approve or disapprove the request.

Section 2. Personal property covered in paragraph 1 shall not exceed four hundred dollars (\$400.00) for any one (1) incident, but weapons and uniforms are not included in the maximum reimbursement.

APPENDIX 1 - DRUG TESTING POLICY AND PROCEDURES

Policy Statement

The policy of the Louisville Metro Police Department (hereinafter "Department") is to maintain a drug-free work environment and workforce.

The River City Fraternal Order of Police, Lodge # 614 (hereinafter the "Lodge") and the Department agree that there are compelling interests which demand that the Louisville Metro Police Department's Members be drug-free. Public confidence in its law enforcement agency is directly related to the integrity of the agency's Members, and the public has a right to expect that those they employ to protect them are both physically and mentally prepared to assume their duties at all times, free from the serious impairments which result from the use of controlled substances and other forms of drug abuse.

Definitions

1. **Drug Test** - The production and submission of urine by a Member, in accordance with Departmental procedures, for chemical analysis to detect prohibited drug usage.
2. **Reasonable Suspicion** - A reasonable suspicion is an articulable belief that a Member is using or is under the influence of illegal drugs, drawn from specific and particularized facts and reasonable inference from those facts. Reasonable suspicion that a Member uses or is using illegal drugs may be based upon, but not limited to:
 - a. Observable phenomena such as direct observation of drug use, possession of drugs, or the physical symptoms of being under the influence of a drug;
 - b. A pattern of abnormal conduct or erratic behavior, including abnormal leave patterns;
 - c. Arrest or conviction for a drug-related offense or the identification of a Member as the focus of a criminal investigation into illegal drug possession, use or as the focus of a criminal investigation into illegal drug possession, use or trafficking;

- d. Facts or circumstances that develop in the course of an authorized investigation of an accident or unsafe work practice;
 - e. Information provided by reliable and credible sources or information independently corroborated;
 - f. Newly discovered evidence that the Member has tampered with a previous drug test.
3. **Individual Suspicion** - Reasonable suspicion that a Member is illegally using a prohibited substance.
4. **Medical Review Member (MRO)** - Licensed physician with knowledge of substance abuse disorders whose role is to review and interpret test results obtained through drug testing under this policy.

Procedures and Rules

1. **Prohibited Activity** - The following rules apply to all Members, while on or off duty:
- a. No Member shall use or possess any controlled substance as defined in Chapter 218A of the Kentucky Revised Statutes in any manner violative of any federal or state law or departmental rule.
 - b. No Member shall ingest any controlled substances as defined in Chapter 218A of the Kentucky Revised Statutes unless as prescribed by a licensed medical practitioner and in compliance with departmental rules concerning same.
 - c. Any Member who unintentionally ingests, or is made to ingest, a controlled substance shall immediately report the incident to his supervisor, or if off duty to an on duty supervisor, so that appropriate medical steps may be taken to insure the Member's health and safety. Any Member who refuses an order to submit to a drug test pursuant to this procedure is subject to dismissal.
 - d. All departmentally owned property, including but not limited to vehicles, lockers, desks, file cabinets, and computer hardware and software are subject to inspection at any time. Members are prohibited from placing or keeping any contraband or unauthorized equipment or items in said departmentally owned facilities. Sealed

containers or personal items such as purses or briefcases found therein are subject to search if there is reasonable suspicion that they contain contraband.

2. Random Testing

- a. Every Member will be required as a condition of continued employment to submit to unannounced random drug tests during the course of the Member's employment.
- b. Testing under this provision shall be conducted on a random basis, and this procedure will not be used in order to effectuate a test on any particular individual Member.
- c. The Department will attempt to conduct approximately the same number of unannounced tests each month, but will not be bound by any numerical formula.
- d. All personnel assigned to the Narcotics/Vice Unit shall comprise a separate pool for the purpose of selection for random testing. There will be no limit to the frequency of selection from this pool.

3. Drug Testing on Basis of Transfer

All Members shall be required to submit to a drug test as a condition of transfer to the Air Patrol, the Special Investigations Unit or the Narcotics/Vice Unit. Additionally, all applicants for ancillary units such as SWAT Team, Hostage Negotiations Team and Bomb Squad are required to take a drug test as a requirement for consideration as a Member.

4. Drug Testing on the Basis of Individualized Reasonable Suspicion

- a. Members will be required to take drug tests as a condition of continued employment in order to ascertain prohibited drug usage whenever reasonable suspicion exists as to that Member's use of prohibited drugs.
- b. If reasonable suspicion is established that a Member is in violation of this policy, the Member shall be relieved of duty and his police authority suspended. The Member shall not engage in any law enforcement activities. The suspension shall remain in effect until a final determination of policy compliance has been made.
- c. The person of any Member is subject to a reasonable search only upon consent or reasonable suspicion that they are in possession of any controlled substance or other contraband in violation of this policy.

- d. The Chief of Police, Bureau Chiefs and the majors shall have the authority to direct any Member to submit to a drug test based on the reasonable suspicion standard.

Notification for Testing

1. Testing based upon reasonable suspicion shall be done as soon as possible without any prior notification to the Member.

2. Members notified of their selection for random testing shall proceed immediately to the collection site. Members who are on leave, vacation, or already absent at the time of their selection will be excused but remain subject to future random testing. Upon notification, Members shall be afforded the opportunity to change into civilian clothing. The change of clothing must be immediately available, and the clothing change must occur at the Member's Division or Unit.

Drug Testing Procedures

1. **Location** - The test shall be given at an authorized, private collection facility as designated acceptable by the Chief of Police. The location shall be secure and afford reasonable privacy to the Member.

2. **Specimen Collection**

- a. Before testing, the Member will be requested to produce a departmental identification card for positive identification. Each Member will be informed that they may request a split sample and the procedures for same.
- b. Before submitting to urinalysis, a Member shall be asked and shall be under a duty to provide a list of any and all prescription or over-the-counter medications taken by a Member within thirty (30) days of the sample. This information shall be retained and forwarded to every testing facility being utilized.
- c. In a logbook the collection site personnel will enter the date, the Member's identification number, and the time that the specimen is being collected in the appropriate spaces. The collection site personnel will then sign their name next to these entries and the Member will initial. The logbook will be maintained at the testing facility in a secure file cabinet and will be subject to the confidentiality provisions of this policy. The specimen collected from the Member shall be

identified only by the Member's identification number throughout the testing process. The testing laboratory will not have access to the Member's name.

- d. The Member shall be requested to remove any unnecessary outer garments (e.g., coat, jacket) that might conceal items or substances that could be used to tamper or adulterate the urine sample. All personal belongings (e.g. purse, briefcase) shall remain with the outer garments. The collection site personnel requesting the specimen shall note any unusual behavior or activity by the Member. The Member may be required to a pat down search.
- e. The Member will be escorted to the collection area and instructed to wash and dry his hands prior to urination. After washing hands, the Member shall remain in the presence of the collection site personnel collecting the specimen and shall not have access to water fountains, faucets, soap-dispensers or cleaning agents.
- f. At the collection site, toilet bluing agent shall be placed in the toilet tank whenever possible, so the water in the toilet bowl always remains blue.
- g. The Member will be kept under observation throughout the testing process to ensure the integrity of the test. However, collection site personnel will not be in direct observation of the act of urination (except as provided in subsection "h" below). The Member will be allowed to provide a specimen in the privacy of a stall or otherwise partitioned area that allows for privacy.
- h. Direct observation of the collection of the specimen will be allowed only when there are reasonable grounds to believe that the Member will attempt to adulterate the sample. Reasonable grounds will exist when there is evidence that the Member has tampered with the specimen obtained in a previous test, or the Member is discovered to have or be in possession of items or substances that could be used to adulterate the sample.
- i. Collection site personnel shall always attempt to have the container or specimen bottle in sight before and after the Member has urinated. Containers shall be tightly capped, properly sealed, and properly labeled and initialed by the Member and collection site personnel. A chain of custody form sufficient to maintain the specimen's integrity and acceptable to testing labs shall be utilized for maintaining control and accountability from the point of collection to the final disposition of the specimen. Appropriate chain of custody requirements will be maintained and every effort will be made to minimize the number of persons handling the specimen.

- j. Upon receiving the specimen from the Member, the collection site personnel will determine if it contains at least sixty (60) milliliters of liquid and is within normal body-temperature range.
- k. If a Member is unable to produce an adequate sample, the Member must be provided a reasonable amount of time to do so. The Member may be given a reasonable amount of liquid (e.g., glass of water) if the Member is unable to produce a specimen. The Member will remain under observation until able to provide a specimen.
- l. Specimens found to be outside of the normal body temperature range will be rejected and the Member will be asked to provide another sample. The second specimen will be collected under direct supervision. Both specimens will be submitted for urinalysis. Occurrences of this nature will be fully documented by the collection site personnel collecting the specimen.
- m. All samples confirmed positive shall be retained and placed in properly secured long-term storage for at least 365 days or longer if requested by the Member or the Department.

3. Testing Methodology

- a. A testing laboratory, duly accredited by the United States Department of Health and Human Services (HHS), shall perform the urinalysis of a Member who is required to submit to a drug test. A testing laboratory, duly accredited by HHS, shall also perform the urinalysis and the split-sample if requested by the Member. Only trained, qualified and certified lab technicians shall perform all urinalyses. The specimens will be kept secure and the chain of custody noted on the form submitted with the specimen.
- b. The initial test to be utilized for the drug screen shall be an immunoassay test, unless the sample is being tested for the presence of anabolic androgenic agents, in which case the initial test utilized shall be Gas Chromatography with Mass Spectrometer (GC/MS). All specimens identified as positive on the initial test shall be confirmed by the GC/MS test. The initial cutoff levels to be used when screening specimens to determine whether they are negative are:

⁴ Delta-9-tetrahydrocannabinol-9-carboxylic acid.

⁵ Benzoyllecgonine.

All others

Any detectable amount

- d. Prior to test results being provided to the Department or the Member, the MRO will compare said test results with the list of prescriptions and over-the-counter medications provided by the Member pursuant to these procedures.

In the event of a confirmed positive test, the Member will be required to submit a copy of the prescription and the verification from the prescribing physician for any prescription medication declared by the Member in the pre-test interview required by these procedures.

The MRO may interview the Member, review medical history, consult with laboratory personnel and order re-testing as determined to be necessary.

If no alternative medical explanation can be determined, the test will be designate as verified positive by the MRO.

- e. The MRO will report all results to the Commander of Special Investigations, who will forward the results to the Chief of Police. Upon review, the Chief of Police will determine appropriate action and provide notification to the Member.

4. Disciplinary Action.

A Member who tests positive for illegal drugs shall be subject to discharge.

5. Employee Assistance Program.

Metro Government shall provide an Employee Assistance Program. Voluntary requests for assistance with drug problems shall be held strictly confidential by the Employee Assistance Program to the extent required by law and the terms of this Agreement. EAP Administrator and EAP staff assigned to a Member's case shall be the only persons informed of any such request or any treatment that may be given and they shall hold such information strictly confidential to the extent required by law. A Member voluntarily seeking assistance shall not be disciplined under this Agreement for seeking such assistance.

6. Records Retention and Use

Records of a positive drug test or refusal to submit to such test as provided in this Agreement shall be maintained from the date of the incident which gave rise to the positive test or refusal until final disposition of any grievance, Police Merit Board appeal or appeal thereof. All such records shall not be utilized for any purpose after one (1) year from the date of the incident that gave rise to the positive test or refusal, so long as there is no subsequent positive test or refusal to submit to a test.

7. Changes in Testing Procedure.

The parties recognize that during the life of this Agreement, there may be improvements in the technology of testing procedures that provide more accurate testing. In that event, the parties will discuss and agree to any such improvements. If the parties are unable to agree, the procedure shall remain unchanged.
