

### **§ 72.083 PARKING IN METERED PARKING SPACE.**

(A) It shall be a parking violation for any vehicle to be or remain parked within a metered parking space while ~~the parking meter for such parking space displays red indicator that denotes time~~ has expired.

(B) It shall be a parking violation for any vehicle to be or remain parked within a metered parking space while the parking meter for such parking space ~~displays the a yellow indicator which denotes meter is inoperable or otherwise does not accept payment during the hours within which it should accept payment.~~

~~—(C) The fact that a vehicle is parked in a metered parking space with a yellow or red violation indicator displayed in the parking meter shall be prima facie evidence that the vehicle is parked in violation of this section.~~

~~(D)~~ (DC) It shall be a parking violation to park at a meter beyond the maximum time allotted and specified, and "feeding the meter" is prohibited.

~~(E)~~ (ED) An official parking permit issued by PARC shall only allow the holder of the parking permit to park at a meter without paying, and will be subject to all other restrictions imposed on the parking site. An official parking permit issued by PARC does not allow parking in any zone or in any fashion in which parking is prohibited under this chapter.

~~—(F) It shall be a parking violation for any vehicle to be or remain parked within a metered parking space while the parking meter for such parking space is otherwise inoperable, or does not accept payment during the hours within which it should accept payment.~~

(1999 Lou. Code, § 75.36) (Lou. Ord. No. 394-1986, approved 12-30-1986; Lou. Am. Ord. No. 102-1987, approved 4-16-1987; Lou. Am. Ord. No. 206-1988, approved 7-29-1988; Lou. Am. Ord. No. 207-1988, approved 7-29-1988; Lou. Am. Ord. No. 162-1990, approved 7-16-1990; Lou. Am. Ord. No. 163-1998, approved 8-4-1998, effective 12-1-1998; Lou. Am. Ord. No. 77-1999, approved 6-25-1999; Lou. Am. Ord. No. 0126-2001, approved 10-12-2001; Lou. Metro Am. Ord. No. 64-2005, approved 5-17-2005) Penalty, see § 72.999

### **§ 72.085 USE OF METER HOODS.**

(A) The Assistant Director of PARC is authorized to issue a permit for parking meter hoods to be used to cover parking meters temporarily as an aid to carrying on actual construction or maintenance work, civic functions, traffic control, or vending of wares pursuant to valid permit issued by authority of § 115.350.

- (1) No person, firm or corporation shall be issued a permit for more than two parking meter hoods on any block as an aid to vending activity.
- (2) No more than 25% of parking meters on any block shall be reserved for vending activity within the central traffic district, or in any business district,

(B) Any person, firm, or corporation who wishes to utilize parking meter hoods for any of the above-mentioned reasons, shall apply for a permit from the Assistant Director of PARC.

(C) Before issuance of permit, permittee shall pay a fee set by the Assistant Director of PARC to cover reasonable administrative costs of the hood permit program, and to recover lost parking meter revenue.

(D) The Assistant Director of PARC is authorized to set policies and regulations, including a fee schedule, for the use of meter hoods. These policies and regulations shall be in writing and available to the public at the office of the Assistant Director.

(1999 Lou. Code, § 75.38) (Lou. Ord. No. 394-1986, approved 12-30-1986; Lou. Am. Ord. No. 102-1987, approved 4-16-1987; Lou. Am. Ord. No. 207-1988, approved 7-29-1988; Lou. Am. Ord. No. 163-1998, approved 8-4-1998, effective 12-1-1998; Lou. Am. Ord. No. 0126-2001, approved 10-12-2001; Lou. Metro Am. Ord. No. 64-2005, approved 5-17-2005)
