Dear Council Members and Staff-

I have recently been working with The Louisville Ballet to coordinate 6 workshop/auditions for children 7-9 years old in various parks. Twenty children from these workshop/auditions will be awarded a scholarship to attend The Louisville Ballet School. We submitted the application to Louisville Parks & Rec a few weeks ago, and recently learned that we would need to pay \$250/event in order to move forward. I apologize for the sense of urgency, but this is a relatively new development, as fees for our community events had previously been waived as we our a partnering agency providing much needed funds to improve the city's parks. As we certainly want to also be mindful and respect their need to generate revenue, we are reaching out to each of you, to ask that you help cover the cost in order for us to move forward with programming.

Please see our costs per location below, and let me know if you can help cover the cost for the park(s) in/near your district. Louisville Parks & Recreation needs a confirmation from the Council Members with a statement of the amount of funds to apply, as well as the cost center to apply fees.

Boone Square \$250  
Chickasaw \$250  
Seneca \$250  
Shelby \$250  
Iroquois \$250  
Russell Lee \$250

Please call my cell with any questions or concerns. We certainly appreciate your consideration and any assistance you may be able to provide.
