

JON CRUMBIE

PROFESSIONAL EXPERIENCE

DEVELOP LOUISVILLE – LOUISVILLE FORWARD

Planning & Design Coordinator, January 2016 – Present

Plans and coordinates projects, operations, and activities concerning zoning and land use. Coordinates planning and zoning projects with governmental agencies, utility company representatives, engineers, and transportation agencies. Presents findings of planning and zoning projects at public meetings and hearings.

DEVELOP LOUISVILLE – LOUISVILLE FORWARD

Planner II, August 2000 – December 2015

Advises, explains and provides information to agencies and the public on community planning and implementation policies, regulations, ordinances and the Comprehensive Plan. Presents findings of planning and zoning projects at public meetings and hearings. Reviews site plans and inspects properties and study areas to identify and analyze planning issues and potential solutions.

LOUISVILLE METRO

Planner I, September 1998 – July 2000

Presented findings of planning and zoning projects at public meetings and hearings. Analyzed land use, demographic and economic information researched from maps and published sources. Prepared maps, recommendations and comprehensive reports on alternative strategies, and impact of land use change. Investigated and inspected properties and site plans to identify planning issues and to assess potential solutions.

JEFFERSON COUNTY

Planning Technician, July 1996 – August 1998

Answered questions and provided information to the public. Participated in field land use surveys, researched documents, compiled information, and conducted preliminary evaluation on land development cases.

EDUCATION

WESTERN KENTUCKY UNIVERSITY, Bowling Green, KY

Bachelor of Science in Geography (Urban Planning), May 1982
