Hello,

My name is Maika Nguyen, and I have lived around this area for 19 years. I would love to have a Vietnamese Shopping Center in my community.

There is a large Vietnamese community in this area, and it would give them a piece of home away from home. This Vietnamese Shopping Center will help create job opportunities and grow future business owners and professionals. Please consider this proposal!

Kindest regards,
Maika Nguyen

RE: Case No. 21-Zone-0161, Southside and Steedly Drive
Proposed Development

To whom it may concern,

The purpose of this letter is to provide a statement supporting the request to rezone the 7+ acres of the Southside Drive and Steedly Drive area. Change will come to the Southside area and there is potential for other uses within this area, but by making this a commercial manufacturing (CM) zone, there will be opportunity to change with a more concise plan rather than a willy-nilly unplanned approach.

The diverse neighborhoods of Southside are truly something to be proud of. Immigrants who live there have made many sacrifices to bring safety, security, and freedom to them and their families. This commercial manufacturing space will provide an opportunity for our friends in the surrounding area to elevate and attain the American dream. By rezoning the proposed area, it will provide an opportunity for our friends in the surrounding areas to bring business offices, retail offices, and/or warehouse space to the current and future growth of Southside. The opportunity to own your own business will create and develop successful diverse young professionals and future leaders. The space will create many job opportunities closer to home for nearby residents. Strong commercial developments will also add value and improve the property values in the surrounding neighborhoods. The proposed zoning will generate tax revenue, job opportunities, and support local business in the area.

Supporting this re-zoning will provide stability to the neighborhoods for many years to come. I am confident that the applicant's proposed rezone to commercial manufacturing is a necessary component of Southside neighborhood accomplishment and economic achievement. I am excited for the change and am looking forward to this community's victory! I believe in the neighborhood and know that it is capable of being one of Louisville's best. I urge you to vote in favor of approving this rezoning proposed at Southside and Steedly Dr. Thank you for the opportunity to provide input.

Sincerely,

Dear Ms. St. Germain,

My name is Mia Nguyen and I have been a Louisville native for 17 years, my family and I immigrated here from Vietnam back in 2005. I am currently a realtor with Home Page Realty, as well as a Community Outreach Representative for a Buddhist temple in the Vietnamese community here in Louisville.

Regarding the proposal for a Shopping Center for my community, I would love to see this vision become a reality. I believe this will not only diversify our Greater Louisville Community, but help make the dreams of many immigrants come true as it will provide us a sense of presence and representation. This concept is widely established in many other major cities where there are bigger Asian populations. For Louisville, we can and should have our own version as well. It will not only serve as an attraction to our city, but also provide job opportunities and various other growth to boost our economy. The development will signify what we truly believe the American dream is meant to be.

I hope my email is able to make a difference and contribute to something grander for the future of our Louisville Community. Thank you for reading this far. Have a blessed day!

Best regards,

Mia Nguyen

Ms. St. Germain,

I am Thi Trinh. I am reaching out to agree to the proposed rezoning of the property located at Steedly Drive and Southside Drive to commercial.

Because our Vietnamese community has stayed here for 30 years, we do not have many Vietnamese shopping centers for the market, used car sales, automotive rental agencies, repair garages, and tax offices

I believe that if you agree to rezone that property to a commercial manufacturing opening Vietnamese shopping center, as I list above, that does not affect any neighbors whom they are living around here. But it makes all the properties located on Steedly Drive and Southside Drive more valuable because it will attract more people from other cities and states to live here. Moreover, it will fill up what people need to improve their life.

Again, please support this plan and our Vietnamese Community.

Best regards,

Dear Ms. St Germain,

My name is Thai Lam, and I was born and raise in Louisville. I would love to have a Vietnamese Shopping Center in our community to allow future generations to get the cultural exposure I always desired. Having a Vietnamese shopping center will not only diversify our city, but will also give the youth a place to appreciate their culture. Growing up I felt so out of placed and never fit in anywhere, I've always wanted a Vietnam town or an Asian shopping area to feel like it was okay to be Vietnamese. This shopping center would attract more tourist to Louisville and will help South Side develop as a whole. Thank you for your time and consideration of this project!

Sincerely, Thai Lam.

Ms. St. Germain,

I am Thi Trinh. I am reaching out to agree to the proposed rezoning of the property located at Steedly Drive and Southside Drive to commercial.

Because our Vietnamese community has stayed here for 30 years, we do not have many Vietnamese shopping centers for the market, used car sales, automotive rental agencies, repair garages, and tax offices

I believe that if you agree to rezone that property to a commercial manufacturing opening Vietnamese shopping center, as I list above, that does not affect any neighbors whom they are living around here. But it makes all the properties located on Steedly Drive and Southside Drive more valuable because it will attract more people from other cities and states to live here. Moreover, it will fill up what people need to improve their life.

Again, please support this plan and our Vietnamese Community.

Best regards,

Thi Trinh

4802 S. 2nd Street Louisville, KY 40214

Dear Ms. St. Germain,

My name is Katelynn Dinh. I'm 19 years old and have lived in this community my entire life. One change that I would love to see in this community is to have a Vietnamese Shopping Center. This plan of building a Vietnamese Shopping Center in our community will be a great opportunity to further diversify the community with bringing in different races, ethnicities, and cultures together. Not only that, the shopping center would bring in a greater sense of belonging for those who experience a lack of and discrimination in our community.

Dante,

I have advised the applicant to have members in support of the zoning application to email you directly, but the person below in support of the rezoning application emailed me directly instead.

Would you mind putting this into the record for Case No. 21-ZONE-0160, please.

Thank you!
