

RE: 1921 Lower Hunters Trace, Louisville, KY 40216

To whom it may concern,

I have recently acquired the above listed property, from my stepfather's estate (the property is adjoined to my current residence @5334 Oak Lea Dr). While the house is beyond repair & in need of wrecking, there is a garage on the property that needs some improvements.

I am requesting a waiver from the 2-year deed restriction, so that these improvements can be made timely, to prevent any deterioration of the garage.

Please let me know if you need anything further.
