Subject: RE: Street sign for street naming

Good afternoon Jasmine,

The **cost estimate** is as follows:

- Honorary sign = **Total \$188**

We will get started on fabrication upon receiving approval and cost center billing information. Also, if there is to be a ceremony we will need the date so we can install shortly before.

Is there a resolution attached to this request?

Thank you,

Hi William,

Councilman Coan is going to do a street naming for Julius Friedman – the sign will go on Kenilworth Ave where it intersects with Bardstown Road and should read “Julius Friedman Avenue”. This is the first time we’ve done one of these, but I was advised that you were the person to contact about it. Can we begin the process of getting money transferred to you and having the sign made? Please let me know what other information you need.

Thank you

Thanks, Jasmine.

Jess - please let this serve as my request/authorization for Jasmine to sign the CIFs she described, for the reasons she described, on my behalf.

Hi Jess,

As Brandon is out with following the birth of Baby Simon, he has asked that I sign the CIF forms in his absence so that we are able to make the Monday deadline. I have copied Brandon so he can chime in and give his confirmation. There are two CIFs – one for an honorary street sign in the amount of \$188, a second for a median at the intersection of Ashwood and Saratoga for \$5200.
