

# 2021 COVID-19 Vaccine Priority Groups

## PHASE 1A

*(Now thru end of January)*

Approximately 40,000 health care workers, medical first responders (*paramedics/EMTs*), long term care residents and staff.

*(Long term care residents and staff vaccinations provided by Walgreens, CVS.)*

## PHASE 1B

*(Beginning January 18, 2021)*

- Non-medical first responders: police, fire, corrections
- K-12 educators, pre-K educators who are located inside a public or private school
- Individuals age 70 and older

*(If you are a nonmedical first responder, work in corrections or education (K-12), your appointment will be scheduled through your employer. You do not need to take any additional action.)*

## PHASE 1C

*(Expected to begin in April/May)*

- Individuals 60 and older
- Individuals with cancer, COPD, heart disease, diabetes
- Essential Workers
  - Food and agriculture
  - Manufacturing
  - U.S. Postal Service
  - Public transit
  - Grocery store
  - Transportation and logistics
  - Food service, shelter and housing
  - Finance
  - IT and Communication
  - Energy
  - Media
  - Legal
  - Public Safety (Engineers)
  - Water and Wastewater

## PHASES 2-4

*(Fall, winter)*

Phase 2 - Anyone 40 or older  
Phase 3 - Anyone 16 or older  
Phase 4 - Children under the age of 16 if the vaccine is approved for this age group

*(Vaccinations should be widely available through multiple sources in the community.)*

# Louisville Vaccinations

	Hospitals	Pharmacies	LouVax
Dec-March	<ul style="list-style-type: none"><li>• Affiliated healthcare workers</li><li>• Non-affiliated healthcare workers</li><li>• 70+ (currently about 10,000 doses per week)</li></ul>	LTC residents and employees	<ul style="list-style-type: none"><li>• Non-affiliated healthcare staff</li><li>• Non-medical first responders (police, fire etc.)</li><li>• Educators</li><li>• 70+</li></ul>
April-May	?? Phase 1C	??	?? Phase 1C

Phase 1C is a HUGE group. While we await state guidance, Louisville's Vaccine Task Force is working to develop recommendations which consider critical infrastructure, public health best practices and equity.
