Subject: Brentlinger Left Hand Turn Lane Phase 2 Funding

CM Engel / Jared,

Please find below the proposed schedule/costs associated with the remainder of the Brentlinger LTL addition Phase 2 project. Even though the chart has the sewer design (\$15,000) starting in the fall of '21, we could essentially begin that now. **All, we still have \$9,000 left over from the initial funding of \$110,000.** That could be used for any of these phases going forward.

1. Right of Way Acquisition - \$122,130 (Professional Services, property acquisition, and contingencies for possible settlements or condemnation proceedings are included in this amount.
2. Sanitary Sewer Extension to 10001 and 10003 Brentlinger Lane - \$114,100 (Design, Construction, Louisville MSD PSC Fees are included in this amount)
3. Roadway Improvements - \$277,467
