Kyle,  
I thought I had sent those over, here are two options:

1. Replace approximately 30' of curb (only in the radius of the intersection) and mill and pave the intersection:  
\$7,000
2. Replace approximately 190' of curb (in the radius and along Grinstead) and mill and pave the intersection:  
\$18,000

Let me know if you need anything else.

Thanks,
