

Reason for Relief - Codify reason for Relief

There are adjacent properties that are zone Commercial / Non Residential

There is also an arterial road 2 way that divides the

two properties. Hence I am not concentrated in the neighborhood. The street divides the property so one house does not get impacted by the STR.

Addition of information

I believe my case should be docketed first. My application was submitted Feb

9th, My case manager

Send anything until March 6th

which I promptly sent out my mailing.

I sent the finish meeting to them March 25th which he did not

respond until March 30th. He is the same case manager for the other applicant which was 26-CUP-0056
