Craig,

I thought you sent me the f all saying public works would accept the money to repair the sidewalks but can't find it now.

Can you please reply to this email and let us both know you will accept the funds to complete the sidewalk repairs.

Angela,

Below are the District 20 sidewalk repairs estimates you requested, totaling \$51,381.12. Let me know if you have any questions. If they are funded Public Works should be able to finish these repairs this winter.

The one's I found while I was out doing inspections are 13700-13701 Willow Reed Dr, 13604 Meadow Vista Ct, 13608 Meadow Vista Ct, and 615 Wickfield Dr. These four were not already on the masterlist for D20.

Thanks,

Angela,

Here are the estimates for the current list of sidewalk repairs rated a 4 or 5. The total for these with the sidewalk at 13811 Lakemont Ct comes to \$42,654.32. Let me know if you want to fund some or all of these and I'll put them in a new email for appropriations.

Also, while I was out I noticed four other addresses with some bad sidewalks and those repairs total \$9,158.43. If you want me to include those addresses please let me know. They are at 13700-13701 Willow Reed Dr, 13604 Meadow Vista Ct, 13608 Meadow Vista Ct, and 615 Wickfield Dr.

I know you did this before but can you make a complete up to date list of 4/5s with pricing that are not funded by pw so I can start a CIF transfer for their repair?
