Mike and Regina, There has been a turn of events on the NDF funding approved in August 2021. The ordinance currently allows the \$8,500 to be used through FY21. I will be submitting a request for an amendment to include the approved funding to be used through June 30, 2022. Any unused funding will be returned to Metro Council after that date.

I am requesting your approval for this change which will allow the process to begin. Please approve by response to this message.

Ms. Harward, Upon receipt of the approval, please request an amendment to Ordinance 106, Series 2021 File #0-321-21 to allow the funding to be used through the end of FY22 (June 30, 2022).

I am available to discuss this request/change if there are any questions.

Susan

Subject: Council Movies

Susan,

Long time no see 😊. This year I will be working on the Council Movies so I wanted to touch base with you and get a feel for what you would like to see happen this year. Do you have a set # of movies you would like show and do you have any particular titles that you think would be a good fit?

Looking forward to working with you again.

Dear Ms. Hughes,

I am writing to ask for the Council's support for the Iroquois Amphitheater's free Movie series and general programming support. Typical expenses are Royalties, Security, Red Cross, Advertising and Production Labor. The Council support helps off-set these costs and gives the entire City the chance to enjoy the Amphitheater either free of charge or at a below market ticket price.

Our series, Movies Under the Stars, is affording a quality experience to many families looking to escape the Summer confines of their apartments and homes. The atmosphere here is welcoming and comfortable. Our audience reflects all of Louisville and all ages. We select movies to entertain and to present positive messages.

We are also asking for support for programming to present the Wizard of Oz. This is a return to the Summer Musicals which we were known for.

With the Council's support, we will show 6 movies of their choice during this season. We will use additional funds to off-set our costs to co-produce the Wizard of Oz.

Council Members will be recognized for their support at all events at the Amphitheater, along with any other additional sponsors that may have contributed to the event. Council Members are welcome to speak before the movies to up date their constituents on their District.

I respectfully request \$22,000.00 for the summer of 2021. The monies will allow events sponsored by Louisville Parks and Recreation to serve the Amphitheater's mission to entertain, educate and enrich our communities. We strive to strengthen the Arts for future generations and maintain our place as a Louisville destination and source of Civic pride.

Thank You for your support of the Iroquois Amphitheater.

Sincerely,

Michael Hallett

Park Manger- Iroquois Amphitheater.
