Good morning Kyle,
Hope you had a nice Christmas and New Year's! Please see below - using thermal will last longer and hold up better. We can lay this when the temperature is in the 40's. If you choose to use paint, we will need to wait until spring and the temperature has warmed up. Please let me know if you have any questions.

Thanks!

Tiffany

Thermal
Labor - \$469.20
Material - \$192.60
Propane - \$20.00

Hi Tiffany,

Happy New Year!

Any updates on the cost estimate for parking t's?

Thanks,
Kyle

Good Morning, Gerald and Darryl.

In the past PARC has assisted us with marking parking t's along sections of Frankfort Avenue.

We would like to request an estimate and review of the 3200 block of Frankfort Avenue between Crabbs Lane/Blackburn and S. Crestmoor Avenue on both sides of the street.

How many parking t's could be created and what would be the cost?

Thanks so much,
Kyle

Rebecca,

Do you approve of accepting the funds mentioned below for parking T's along Frankfort Avenue? This request is different than the one that Susan Hughes emailed us about earlier this month. Her funding was for parking T's along Crittenden Drive and I have not seen the transfer documentation come through for that as of yet.

Thanks,

Justin
