Liz,  
Two Tickets each were made available to Dave Clark of the Poplar Level and Audubon area and Linda Chesser of the Watterson park area, both great regular Brightside volunteers. And, Sara Feltner representing our office and guest attended the event.

Geoff:

The reconsideration for the Brightside Bash will be on for tomorrow as well to include the funding from D10. Can you tell me who your attendees were (if any) so that CM Blackwell can have that information for the record?

Thanks,  
Liz Kennedy

Good Morning Jess & Beth –

District 10 wants to sign on to the Brightside Bash NDF which passed last at last week's appropriation. Can we do a reconsideration to add their \$250 at the next appropriations?

Thank you,  
Liz Kennedy
