Participants and residents are strongly encouraged to join the meeting virtually. However, to accommodate those with limited technology access, people can also view and participate in the meeting in the first-floor conference room of the Metro Development Center, 444 S. We are making every effort to contact members of the community and applicants to inform them of this decision. However, if you know of persons planning to attend to address a particular agenda item, please help us spread the word. If you have questions, please contact the case manager, or call Develop Louisville at 502-574-6230.
