Total Acres: 0.0963

Project Cost (exterior only): _____ PVA Assessed Value: \$295,590

Existing Sq Ft: 1792 New Construction Sq Ft: _____ Height (Ft): _____ Stories: 3

Project Description (use additional sheets if needed):

Need replacement windows. The existing ones don't open, are cracked in several places, and are inefficient. My monthly LG & E bill is sometimes over \$500 dollars. I have ants and bugs coming into my home because of rotting windowsills and framing. My plan is to replace all the front windows with Wood Quaker Historic Fit windows. I have attached the brochure for that window type. The back and sides will be replaced with Mezzo Vinyl Replacement windows. I have attached the brochure for those as well.

AGREEMENT TERMS

- A. This Agreement constitutes the entire understanding of the parties and no other understanding, verbal or otherwise, shall be binding. No other understanding, agreement or representation relating to the work to be performed shall be binding unless in writing signed by both parties.
- B. Mengel Exteriors, its' employees or agents assume no responsibility for time and material delays, strikes, acts of God or any other delay in circumstances beyond their control or caused by buyer.
- C. This Agreement may be canceled by delivering written notice to the seller at any time prior to midnight of the third business day following the day of this agreement.
- D. This Agreement calls for made-to-order goods and thus it is not subject to cancellation except subject to Item C above. Start of installation on or about 12-16 weeks from agreement date. Completion date on or about 12-16 weeks from date subject to Item B above.
- E. Buyer agrees payment is due upon completion. If payment is proposed to be financed, when all items ordered have been installed, Buyer agrees to complete and submit all necessary documents to enable Seller's bank to advance the full contract price including a certificate of completion. If Buyer refuses to complete said paperwork for any reason the financing option shall no longer apply. The Agreement shall be converted to cash upon completion transaction and the provisions of paragraph F shall apply.
- F. In the event of any legal filing(s) or proceeding(s) arising from this Agreement, including action necessary to collect amounts due Mengel Exteriors, the Seller shall collect their expended costs including attorney fees, lien filings and simple interest of twelve (12) percent per annum on all uncollected monies. Buyer waives all claims against seller for consequential damages.
- G. If payment is due upon completion, buyer agrees to pay at least 90% of the contract price as a completion payment when all items ordered have been installed. Buyer may withhold a reasonable amount (not to exceed 10% of the contract price) if after installation there remains corrective work to enhance appearances or function of the installed product (i.e. punch list items) provided buyer supplies Mengel Exteriors with a written list of items known to need attention with the completion payment.

REPLACING YOUR OLD WOOD WINDOWS WITH NEW
WOOD WINDOWS IS NO LONGER OUT OF THE QUESTION.

ClassicFit® *HistoricFit*® SERIES SERIES

Wood Clad Replacements Windows by

QUAKER
RESIDENTIAL WINDOWS & DOORS

06/2019

Quaker's Classic Fit Series & Historic Fit Series, are a triumphant blend of imaginative and diverse designs teamed with an absolute demand for energy-efficiency. Truly these wood clad replacement windows are the perfect fit every time.

FEATURES AND OPTIONS

Aluminum clad exterior is essentially maintenance free and available in 33 "Quick-Pick" colors. Got a special exterior color in mind? Get any color in the spectrum with our custom color capabilities.

Warm, natural interior is courtesy of radiata pine wood. Alder wood is optional. Ask about custom pre-finished painted interiors in any color. Also available: Primed interior ready-to-paint.

Insulated glass sustains a year-round barrier. Add one of our optional energy-efficient glazing packages to increase your window's overall effectiveness. For your home's private areas, ask for obscure glass. Include Tempered Glass where additional safety is required.

Operation is simple and convenient with smooth operating cam locks and one-touch tilt latches.

Tailor your windows with grids. Between-the-Glass, Applied for a Simulated Divided look or Removable Wood grids are all available.

Our Better-View™ fiberglass mesh screen is as good as any on the market. Superior insect protection. Excellent airflow. Great visibility.

Double Hung, Single Hung and Picture Window models. Also ask about Quaker's full line of matching wood clad patio doors.

For 70 years, we've promised to stand behind our products with one of the best warranties in the industry. Consult your dealer for complete warranty details.

<u>Thermal Values</u>	<u>Hung Models</u>	<u>Picture Window Model</u>
U-Value	0.27-0.32*	0.24-0.29*
Solar Heat Gain	0.12-0.43*	0.13-0.48*

*Thermal values given are a range achieved using a variety of Quaker's own energy-efficient Low-E glazing packages. The addition of optional grids may alter results slightly. Ask your dealer for details on which of Quaker's glazing packages best fits your home.

If you require a wood replacement window with more attention to historic details, you'll want to choose our Historic Fit Series. Slimmer sightlines and enlarged viewing areas allow the Historic Fit to give your project, large or small, the timeless look it deserves.

What's The Quaker Difference?

It's an attention to detail and manufacturing excellence that distinguishes Quaker from all other window and door companies in America.

It's found in the build of our windows where you'll find 40% more wood, 33% thicker glass, and aluminum that's 4 to 6 times thicker than some other popular brands.

It's represented by a standard of quality, engineering, craftsmanship and innovation embedded in every product we manufacture.

It's providing you with the **right solution** to your project, not just selling you windows and doors.

That's the Quaker Difference.
